EXPRESSIONS OF INTEREST
PURCHASE OF LAND/EFFLUENT REUSE IN THE COOLAH AREA

Warrumbungle Shire Council invites expressions of interest for a purchase of land in the Coolah area and/or interest from the community for opportunities for the use of recycled water supplied from Coolah wastewater treatment works. The land size must be greater than 5Ha.

Possible recycled water uses include agricultural irrigation.

Council is developing a long term sewage treatment and effluent management strategy for Coolah. This includes the potential for new sewage treatment infrastructure and developing an understanding of reuse opportunities in the area.

This will help Council to determine feasible options for upgrades to the current treatment plant.

Expressions of interests need to be addressed to Council's Manager Warrumbungle Water – Cornelia Wiebels and are to be submitted via email to info@warrumbungle.nsw.gov.au or handed into one of the Council offices by **5:00pm pm on Tuesday, 1 October 2019**.

To download the EOI Form or for further information please visit Warrumbungle Shire Council website www.warrumbungle.sw.gov.au. For further information please contact Council's Water Project Engineer Selina Xu on 02 6378 5000.

EXPRESSION OF INTEREST – PURCHASE OF LAND/EFFLUENT REUSE IN THE COOLAH AREA, EOI FORM

Please return the completed form as 'Attn.: Cornelia Wiebels' to either

- info@warrumbungle.nsw.gov.au or
- Coolah Administration Office – 59 Binnia Street, Coolah NSW 2843

By 5pm on 1 October 2019.

Questions/Queries

If there are any questions regarding the required information in the following forms, please contact Council's Water Project Engineer.

Council Staff Name: Selina XU

Contact Phone Number: 02 6378 5000

FOR LAND SALE INTEREST

Please indicate size or (size range) of potential saleable land (Ha) Land Area (Ha) must be greater than 5 Ha	

Please fill in existing land use (for the current full land parcel/lot) information:

Property Name	
PID (LOT & DP NO)	
Address	
Landowner	
Manager	
Size Property (Ha)	
Area currently under irrigation (Ha)	
Existing Irrigation Infrastructure	
Existing Irrigation Storage (Dam Volume)	
Past cropping history (crop type and area (Ha))	

If possible please provide a map/aerial image to provide an indication of the potential saleable land area.

Map Attached: YES / NO

Any Additional Information:
Please attach additional sheets if required

FOR INTEREST IN OBTAINING RECYCLED WATER

Please indicate size or (size range) of potential irrigation area. Land Area (Ha) must be greater than 5 Ha	

Please fill in existing land use (for the current land) information:

Property Name	
PID (LOT & DP NO)	
Address	
Landowner	
Manager	
Size Property (Ha)	
Area currently under irrigation (Ha)	
Existing Irrigation Infrastructure	
Existing Irrigation Storage (Dam Volume)	
Past cropping history (crop type and area (Ha))	

ALSO please fill in additional information (potential farming infrastructure) if a long term recycled water contract was made available.

Proposed New additional infrastructure (or maintain current)	
Proposed recycled water crop type	
Proposed New Irrigation Storage (Dam Volume) or use current	
Proposed recycled water Cropping rotation (ongoing pasture or rotation frequency)	
Estimate of Required Recycled Water Volume (ML/year)	
Potential Recycled Water Contract life (e.g. 10 years)	

If possible please provide a map/aerial image to provide an indication of the potential irrigation land area.

Map Attached: **YES / NO**

Any Additional Information:
Please attach additional sheets if required
