Subject: attn Phil Southwell

Dear Phil,

We are in receipt of your letter regarding the proposed naming of the unnamed road off Homeleigh Drive that we reside on. We don't feel that Shawns Creek Road is appropriate as only one residence has any access to or is close to the creek. The other residences are some distance from the creek.

We would like to suggest some alternate names. As I suggested Biruu Gaba for this road but it has been allocated to the other unnamed road, I would like to suggest other Kamilaroi names.

They are

Burruba Min meaning many stars

Warawara Yurrun meaning crooked track

Could I also suggest that the English meaning of any aboriginal names selected should also be displayed on signposts.

I know that these suggestions should have been made earlier but I hope that they may still be given consideration

Yours

Lou Coulton
