

## Attachment 2 – Expression of Interest Grazing Agreements

# EXPRESSION OF INTEREST GRAZING AGREEMENTS

Submissions will be received until 12 noon Wednesday 30 October 2019 for livestock grazing agreements on Council owned and Council controlled Crown lands listed below. All agreements will commence 1 January 2020 and expire 31 December 2020.

Please note, holders of an expired agreement must re-apply and will be assessed as a new submission.

Submissions are to include a proposed payment, together with a management plan for the nominated parcel describing intended use, pest and weed control, boundary fencing and soil erosion control plans. Confirmation of public liability insurance must also be provided, to the value of \$20 million, indemnifying Council for any loss or damage. The highest, or any submission, will not necessarily be accepted and canvassing of Councillors or Staff during the advertised period will exclude parties from consideration.
