Re: Permission to engage private contractor for grading of Hotchkiss Road

Hello Gary,

I am writing to council to request written consent to engage a private contractor at our cost to grade 2.8km of Hotchkiss Road commencing from the entrance to 279 Hotchkiss Road (Lat -30.953472 Long 149.02004) to the boundary of "Plain View" 562 Hotchkiss Road (Lat -30.949906 Long 148.990578).

We'd also like permission to use Rockfill to create a base under an 80m section of this road which holds water around 60m from our boundary.

Could council also authorise us/our contractor to perform drainage work as per Section 94 of the Roads Act 1993, the drainage work performed would only be within the immediate vicinity of the road reserve itself and most likely not on private land. This authorisation is purely to protect Council, ourselves and the contractor from any future disputes which may arise.

Kind Regards,
