## Part 1: Introduction

### 1.1. A Profile of Warrumbungle Shire

<b>Population:</b>	9,588 (2011 Census)
<b>Area:</b>	12,380 square kilometres
<b>Towns:</b>	Baradine, Binnaway, Coolah, Coonabarabran, Dunedoo, Mendooran
<b>Villages:</b>	Bugaldie, Kenebri, Merrygoen, Neilrex, Leadville, Cobbora, Uarbry, Ulamambri
<b>State Seat:</b>	Barwon
<b>Federal Seat:</b>	Parkes

The Warrumbungle Shire is strategically positioned on the Newell Highway mid-way between Brisbane and Melbourne. A number of highways and main roads traverse the shire providing links with surrounding regional centres.

The landscape ranges from extensive plains to undulating hills, from the high basaltic plateau of the Coolah Tops in the east to the rugged mountainous peaks of extinct volcanoes in the Warrumbungle National Park, west of Coonabarabran.

The geography, flora and fauna of the Shire is where east meets west. The mountainous terrain of the Great Divide and Coolah Tops National Park gives way to rolling hills then the inland plains. The flora and fauna of the wide open plains mix with coastal animal and vegetation progressively across the Shire. A striking example of this is on the eastern boundary of the shire we have the large grey kangaroo and on the western boundary of the shire the large red kangaroo.

The shire is also a meeting place for the nations of our traditional owners and custodians of the land. The northern part of the shire is home to the Gamilaraay people while the southern part of the shire is home to the Wiradjuri people. Also the nations of the Weilwan and Kawambarai (Werriri) come into the Shire on the western border. Their history, traditions and culture are being recognised as an important part of the Shire's history.

The stunning night skies, formed by a combination of low pollution, very low humidity and limited cloud cover have drawn astronomers and researchers to Coonabarabran in their search for what lies beyond the confines of the visual night sky.

Siding Spring Observatory, located 25kms from Coonabarabran is the site of a number of internationally owned and operated optical telescopes where major research has recorded amazing truths of the universe, supporting Coonabarabran's claim to the name "Astronomy Capital of Australia".

The towns and villages of the shire comprise Coonabarabran, Baradine, Binnaway, Coolah, Dunedoo and Mendooran; all provide wonderful opportunities to experience real country Australian lifestyles. Each of the communities has their own special claim to fame. Bush Poetry Festivals, rivalry over ownership of the name The Black Stump, a Steamrail Village, The Oldest town on the Castlereagh, The Gateway to the mighty Pilliga or the Astronomy Capital of Australia – each of our villages reflects the personalities of its residents and their lifestyles.

The shire was traditionally built on agricultural pursuits with the early establishment of wool growing and beef cattle production followed by cereal cropping, prime lamb production and today a burgeoning vine growing and horticultural industry.

The communities enjoy the services of quality schools and health services. The shire boasts a broad range of cultural, sporting and recreational activities.

Retailing in each centre provides services to those communities and the provincial centres of Tamworth and Dubbo, located within 2 hours of the centre of the Shire complements local level services.

## 1.2. Council's Vision, Mission and Values

### Vision - Excellence in Local Government

#### Mission

We will provide:

- Quality, cost effective services that will enhance our community's lifestyle, environment, opportunity and prosperity.
- Infrastructure and services which meet the social and economic needs and aspirations of the community now and in the future.
- Effective leadership and good governance, by encouraging teamwork, through a dedicated responsible well trained workforce.

#### Values

##### Honesty

Frank and open discussion, taking responsibility for our actions

##### Integrity

Behaving in accordance with our values

##### Fairness

Consideration of the facts and a commitment to two way communication

##### Compassion

Working for the benefit and care of our community and the natural environment

##### Respect

To ourselves, colleagues, the organisation and the community listening actively and responding truthfully

##### Transparency

Open and honest interactions with each other and our community

##### Passion

Achievement of activities with energy, enthusiasm and pride

##### Trust

Striving to be dependable, reliable and delivering outcomes in a spirit of goodwill

##### Opportunity

To be an enviable workplace creating pathways for staff development

## 1.3. Council's Charter

Section 8 of the Local Government Act 1993 contains a set of principles that are a guide to Council in carrying out its functions. A copy of this Charter is provided below:

- to provide directly or on behalf of other levels of government, after due consultation, adequate, equitable and appropriate services and facilities for the community and to ensure that those services and facilities are managed efficiently and effectively
- to exercise community leadership
- to exercise its functions in a manner that is consistent with and actively promotes the principles of multiculturalism
- to promote and to provide and plan for the needs of children
- to properly manage, develop, protect, restore, enhance and conserve the environment of the area for which it is responsible, in a manner that is consistent with and promotes the principles of ecologically sustainable development
- to have regard to the long term and cumulative effects of its decisions
- to bear in mind that it is the custodian and trustee of public assets and to effectively plan for, account for and manage the assets for which it is responsible
- to engage in long-term strategic planning on behalf of the local community
- to exercise its functions in a manner that is consistent with and promotes social justice principles of equity, access, participation and rights
- to facilitate the involvement of councillors, members of the public, users of facilities and services and council staff in the development, improvement and co-ordination of local government
- to raise funds for local purposes by the fair imposition of rates, charges and fees, by income earned from investments and, when appropriate, by borrowings and grants
- to keep the local community and the State government (and through it, the wider community) informed about its activities
- to ensure that, in the exercise of its regulatory functions, it acts consistently and without bias, particularly where an activity of the council is affected
- to be a responsible employer.

## 1.4. What is an Operational Plan and Delivery Program?

In the 2011/12 Financial Year Council was for the first time required to operate under the DLG's new reporting framework for NSW local government known as the Integrated Planning and Reporting (IP&R) Framework. This new reporting framework replaced the former Management Plan and Social Plan with an integrated framework that includes a Community Strategic Plan, a Delivery Program, an Operational Plan and a Resourcing Strategy (see graphic representation below).

The IP&R Framework recognises that communities do not exist in isolation, and neither should Council's individual plans. The framework encourages councils to draw their various plans together, to understand how they interact and to get the maximum leverage from their efforts by planning holistically for the future.

The IP&R Framework also opens the way for councils and their communities to have important discussions about funding priorities, service levels and preserving local identity and to plan in partnership for a more sustainable future.

Two key documents in the IP&R Framework are the Operational Plan and Delivery Program. An explanation of what a Delivery Program and Operational Plan aim to achieve is provided below:

### Delivery Program

The Delivery Program is the document where the community's strategic goals are systematically translated into actions. The Delivery Program details the principal activities to be undertaken by the Council to implement the strategies established by the Community Strategic Plan within the resources available under the Resourcing Strategy.

The Delivery Program is a statement of commitment to the community from each newly elected council. In preparing the Delivery Program, Council is accounting for its stewardship of the community's long-term goals, outlining what it intends to do towards achieving these goals during its term of office and what its priorities will be. It is designed as the single point of reference for all principal activities undertaken by Council during its term of office and details all projects and deliverables to be achieved over the following four years (2015/16– 2018/19). The Delivery Program also provides detailed service levels that Council is to meet in this four year time frame.

### Operational Plan

Supporting the Delivery Program is an annual Operational Plan which details projects and deliverables to be undertaken in the following year to achieve the commitments made in the Delivery Program. The Operational Plan is in effect Council's budget for the following year (2015/16) and also includes Council's Statement of Fees and Charges for the 2015/16 financial year.

## Part 2: Council's Operational Plan & Delivery Program

### 2.1. 2014/15 Budget and Delivery Program Highlights

#### Introduction

Council's *Long Term Financial Plan*, the 2012/13 *TCorp Financial Sustainability of the New South Wales Local Government Sector* and *Fit for the Future Report* have identified many financial challenges faced by Warrumbungle Shire Council and other similar sized rural Councils. The TCorp Report which is an independent review of Council's finances, deemed Council's financial sustainability rating to be "weak" and outlook to be "negative". It is clear from these documents, one developed internally by Council staff, and the other two by an external agency that Council faces many challenges ahead.

Although Council has made considerable progress in addressing its long term financial position in the 2014/15 budget and performance in the previous financial year, the fact remains that there are external influences outside Council's control that impact on Council's financial position. These include:

- The fact that Warrumbungle Shire Council is a sparsely populated rural local government area (LGA) with a large transport infrastructure network and no corresponding economies of scale;
- An ageing and declining population;
- Cost shifting by other levels of government;
- Difficulties recruiting and retaining staff in a competitive market;
- Revenue constraints such as rate pegging; and
- Council's reliance on grant funding.

It is under these constraints that the 2015/16 budget and 2015/16 -2018/19 Delivery Programs have both been prepared.

#### Budget and Delivery Program Highlights

Features of Council's Budget and Delivery Program include:

- A surplus unrestricted cash budget of \$19k in the 2015/16 financial year;
- A combined unrestricted cash deficit of \$259k over the four years of the Delivery Program, although Council's cash at bank will decrease by \$1.577m over the four years as restricted assets are used to catch up on Council's asset backlog;
- An accrual surplus of \$13.005m in 2015/16 predominately due to the receipt of substantial capital grant monies;
- An ambitious capital program over the four years of \$54.92m;
- Effective utilisation of LIRS funding to complete capital works (replacement of the remaining timber bridges over the following two financial years).

Despite the challenges that Council faces, Council's four year Delivery Program will achieve the following:

- Construction of five (5) bridges on local roads to replace old timber bridges (\$4.598m);
- Resealing of approximately 113 km of sealed roads (\$5.016m);
- Re-sheeting of approximately 132 km of unsealed roads (\$3.497m);
- Construction of the new RFS Fire Control Centre in Coonabarabran estimated cost of \$3.05m;

- Completion of approximately 25km of pavement re-construction and pavement widening at a cost of \$4.876m on Regional Roads;
- Completion of approximately 7.19km of pavement re-construction at a cost of \$1.515m on local roads;
- Construction of 28.56km of water and sewer mains at a total cost of \$2.746m;
- Construction and rehabilitation of reservoirs and treatment plants at a total cost of \$2.009m including replacement of water treatment clarifier in Baradine (\$850k);
- Plant replacement of \$10.090m;
- Refurbishment of Mendooran Hall, Goolhi Hall, Coonabarabran Hall and Binnaway Hall as well as construction of disabled access at Coolah and in Baradine (\$383k);
- Expansion of Coonabarabran Native Grove Cemetery (\$50k);
- Construction of 2.8 km of new footpaths at a cost of \$370k and rehabilitation of 3.9km of existing footpaths at a cost of \$505k within towns across the Shire;
- Construction of 0.5 km of new K&G at a cost of \$90k and rehabilitation of 1.21km of existing K&G at a cost of \$190k within towns across the Shire;
- Construction and rehabilitation of culverts and drainage at a cost of \$93k;
- Construction of cycleways (\$146k);
- Development of flood management plan (\$166k);
- General rehabilitation of town streets including improving street lights, replacing bins, gardens construction of cycleways and planting of trees;
- Improvements to local ovals, parks and swimming pools (\$554k);
- Raising of Timor Dam wall (\$600k);
- Construction of shire entrance signs and creation of tourism trail brochure (\$50k).

The capital deliverables above are in addition to Council's normal operations which include:

- Transport services including the management, and maintenance of over 2,600 km of local and regional roads, 97 bridges, an extensive network of culverts and other drainage assets, kerbs and gutters, footpaths, and quarries;
- Aged care, child care and youth development services, including Warrumbungle Community Care, Yuluwirri Kids, Castlereagh Family Day Care and Connect Five supported play groups;
- The management, and maintenance of a range of buildings and structures from town halls, playgrounds, community facilities, and meeting rooms, to aerodromes all of which provide valuable services to the community;
- Promotion of economic development and tourism within the Shire;
- Provision of water, sewerage and waste services to the residents of the Shire;
- Town planning, regulatory services, town beautification and environmental management;
- Emergency services;
- Library services;
- Road safety programs;
- Management of Public Cemeteries;
- Provision of ovals, and other sport and recreation facilities including pools and parks;
- Health, environmental and emergency bush fire services.

## Fit for the Future

Over the last three years (post Council completing its Long Term Financial Plan as part of the IP&R journey), Council has made significant strides in addressing its financial performance and position, and prior to the 2013/14 decision to not bring forward the Financial Assistance Grants (FAGs) and the subsequent pause in indexation of these grants Council was starting to make real headway in its effort to become financially sustainable.

Unfortunately, a worsening funding environment due to the FAGs adjustments and imposed statutory limitations on Council revenue, and the need for Council to become more self reliant in the face of reduced grants income means that Council must now do even more to improve its financial performance going forward.

On 10 September 2014 the release of the Fit for the Future (FFF) reform package was announced by the OLG, giving Council a further impetus to continue with actions it had carried out to date to improve its financial performance. The Fit for the Future (FFF) reform package requires Council to submit a proposal by 30 June 2015 on how Council plans to become “Fit for the Future”.

Under the Fit for the Future program, Council has available to it three options when preparing its FFF proposal **Option 1:** Merger Option (Template 1); **Option 2:** Council Improvement Option (Template 2); and **Option 3:** Rural Council Option (Template 3). In the February 2015 Council meeting, Council decided per **Resolution 241/1415** to pursue the Council Improvement Option, remain a stand alone Council and prepare Template 2 for submission to the OLG by 30 June 2015.

As part of Council's Template 2 Fit for the Future (FFF) Road Map, Council must demonstrate strategies to improve its performance against three (3) of the four (4) Fit for the Future Criteria – Sustainability, Infrastructure and Service Management, and Efficiency. Council was deemed to meet the first of the four criterion (Scale and Capacity) in the Local Government Review Panel Report, and will not need to demonstrate how it meets this criteria in its FFF Roadmap.

Although Council currently does not meet all of the remaining Fit for the Future benchmarks (despite improvements over recent years), Council sees the FFF process as a perfect opportunity to move forward and further improve Council's financial performance and position. In order to improve its financial performance Council has reviewed 24 Improvement Action Plans (IAPs), of which 18 IAPs have been recommended for implementation. These IAPs will be presented to Council as part of a separate Fit for the Future Improvement Action Plan document. Some of these IAPs have already been incorporated directly into the budget, with the remainder separately identified as further FFF adjustments due to the difficulty in allocating certain savings to the relevant area at this point in time.

## 2.2 Income Statement (2015/16 – 2018/19)

### Income Statement

	2015/16	2016/17	2017/18	2018/19
	\$'000	\$'000	\$'000	\$'000
<b>Income from Continuing Operations</b>				
Rates and Annual Charges	11,643	12,022	12,414	12,819
User Charges and Fees	7,883	8,212	11,467	11,730
Interest & Investment Revenue	716	651	636	625
Other Revenues	797	702	720	738
Grants & Contributions	30,167	17,351	17,469	17,904
Gains/(Losses) from Disposal of Assets	59	59	59	59
Net Share in JVs	10	10	10	10
<b>Total Income From Continuing Operations</b>	<b>51,274</b>	<b>39,006</b>	<b>42,774</b>	<b>43,886</b>
<b>Expenses from Continuing Operations</b>				
Employee Benefits & On-Costs	14,126	14,312	14,720	15,158
Borrowing Costs	378	340	298	255
Materials & Contracts	7,367	7,351	10,247	10,435
Depreciation & Impairment	9,065	9,602	9,910	10,231
Other Expenses	7,333	7,573	7,687	7,877
Net Share of Interest in Joint Ventures	-	-	-	-
Net Losses from Disposal of Assets	-	-	-	-
<b>Total Expenditure From Continuing Operations</b>	<b>38,269</b>	<b>39,178</b>	<b>42,862</b>	<b>43,956</b>
<b>Net Operating Result for the Year</b>	<b>13,005</b>	<b>(172)</b>	<b>(88)</b>	<b>(70)</b>

The above figures include fit for the future adjustments per Council's improvement action plan document.

## 2.3 2015/16 Operational Plan (Budget Numbers)

## 2.10 Key Performance Ratios

Council generally measures its financial performance against a suite of KPIs some of which are prescribed by the Department of Local Government (DLG) while others although not prescribed are included by Council as Council believes they are relevant in explaining and measuring Council's financial performance and position. Details of these ratios and Council's historical and forecast performance can be found below. They assume the further fit for the future adjustments are adopted by Council.

### Cash and Investments Balance

#### Description

This ratio shows Council's cash and investments balance.

#### Comments

As can be seen from the chart to the right, Council's cash and investments balance is forecast to decrease from \$10.794 m to \$9.217m during the Delivery Program period as Council uses restricted assets to finalise the bridge replacements under the LIRS program.

### Operating Surplus/(Deficit)

#### Description

This ratio shows Council's operating surplus or deficit (which includes non-cash items such as depreciation). A negative number indicates a deficit.

#### Comments

Council is expected to record surpluses over the four years (combined \$12.677m). The 2015/2016 financial year is expected to generate a substantial surplus due to the receipt of significant capital grant monies (\$13.0005m surplus). The subsequent year is forecast to generate a deficit of \$172k which slowly decreases to \$70k in the final year due to fit for the future adjustments mentioned previously.

## Debt Service Ratio

### Description

This ratio assesses the impact of loan principal and interest repayments on the discretionary revenue of council. The DLG considers a ratio of less than 10% as satisfactory.

### Comments

Council's Debt Service Ratio is forecast to increase in the 2014/15 financial year as Council takes out \$3.1m to fund the replacement of timber bridges under the LIRS scheme (round 2) and the Quarry Loan. Council's debt service ratio remains consistent during the Delivery Program period where it remains well below the limit advised by Treasury.

## Total Borrowings

### Description

This ratio shows Council's total level of borrowings, including loans and finance leases both current and non-current

### Comments

As per the debt service ratio above, the increase in total borrowings is due to Council taking up two LIRS loans under the LIRS scheme which provides subsidised loans to Councils to replace infrastructure assets and the Quarry Loan. Interest on the LIRS loans are subsidised by between 3 and 4% by the State Government meaning Council is effectively paying an interest rate below or roughly per inflation for these loans.

## Rates and Annual Charges Coverage Ratio

### Description

This ratio assesses the degree of Council's dependence upon revenue from rates and annual charges and the security of Council's income.

### Comments

Council, as with most other rural Councils is reliant on grant funding to fund its operations and rates and charges revenue represents only around 29% of Council's total revenue base (average over four years of the Delivery Program). This percentage is expected to slowly increase over the four years of the Delivery Program.

## Unrestricted Current Ratio

### Description

This ratio assesses the adequacy of working capital and its ability to satisfy obligations in the short term for the unrestricted activities of Council. DLG considers a ratio of less than 1.5 as unsatisfactory, and > 2 as good

### Comments

Council's unrestricted current ratio is expected to decrease remain relatively consistent between 2015/16 and 2018/19 at approximately 2.4.

## Building and Infrastructure Renewals Ratio

### Description

This ratio assesses the rate at which building and infrastructure assets are being renewed relative to the rate at which they are depreciating. A ratio of less than 100% is unsatisfactory, although the NSW mean has ranged between 56% and 84% over the last 3 years.

### Comments

Council's renewals ratio is forecast to peak at 191% in 2015/16 while it falls to 78% in 2016/17 it remains around 94% for the subsequent years of the Delivery Program.

## Part 3: Delivery Program Outcomes by Activity

Part 3 of the combined Operational Plan and Delivery Program is where Council provides details of each of its activities, what the community can expect from these activities and how much each activity will cost the community over the four years of the Delivery Program. Activities in this section of the combined Operational Plan and Delivery Program are grouped by Directorate and Branch and there is an index on the following page that can be used to locate activities of interest.

Information on each activity is in the same format and consists of four sections:

### Section 1: Introduction to the activity

This section briefly details what the activity (by Branch) involves and can be used by residents to gain a high level understanding of what the activity relates to.

### Section 2: Costing Summary

This section asks the question how much does this activity cost and how is it funded? A table is provided for each activity showing income, expenditure on normal operational activities, expenditure on capital works (i.e. the building or replacement of assets such as roads and buildings) and the net cost to council of the activity (income less operational and capital expenditure).

The table also shows how the net cost to Council is funded, for example the activity could be fully funded by external income in which case the net cost to Council would be zero. Alternatively Council may be funding a particular activity through borrowings, or restricted assets. If not, then the activity is being funded through general funds such as rates revenue. An example of the costing summary is provided below:

Year	How much does this activity cost?				How is it funded?		
	Income	Operational Expenditure	Capital Expenditure	Net Cost to Council	Loan Receipts or Payments	Restricted Assets	General Fund
<b>Sample Activity</b>							
15/16	(100)	200		100	-	(50)	50
16/17	(110)	110		-	-	-	-
17/18	(120)	120		-	-	-	-
18/19	(130)	30	300	200	(200)	-	-
<b>Total:</b>	<b>(460)</b>	<b>460</b>	<b>300</b>	<b>300</b>	<b>(200)</b>	<b>(50)</b>	<b>50</b>

### Section 3: Outcomes

This section summarises the outcomes that the community will get from the money provided for this activity and asks the question what will we achieve with this money? Outcomes are split into three categories:

- Ongoing Operations – This category includes items such as administration work, road maintenance, park cleaning etc that are of an ongoing nature (i.e. happen each year);
- Key Projects – This category includes key one off projects (excluding capital works) that a particular activity will deliver such as a review of the waste business;
- Capital Projects – This category includes any capital expenditure items such as the construction of roads or buildings.

Each outcome is also linked to a Community Strategic Plan outcome.

## Section 4: Service Levels

This section provides service levels/KPIs that can be used by the community to both measure the performance of Council and to understand what level of service the community is getting for their rates money. This section asks the question How will we track our progress?

Each service level is set out accross three columns:

- Service level – This describes the level of service;
- Service level indicator – This describes the measure that can be used to measure the level of service;
- Service level – This is the actual service level that will be provided given current budget constraints.

An example of a service level is provided below.

No	Service Level	Service Level Indicator	Service Level
<b>Sample Activity</b>			
1	Un-sealed roads are well maintained through grading being carried out with sufficient frequency	Frequency of grading (per year) by road category	Cat 1 = 1.5 Cat 2 = 1 Cat 3 = 0.33

When setting service levels Council has ensured that service level benchmarks meet the requirements of **SMARTER** performance measures (i.e. all service level benchmarks are **S**pecific, **M**easurable, **A**chievable, **R**elevant, **T**ime-bound and subject to **E**valuation and **R**eassessment).

## Executive Services – Management and Leadership

### Directorate: Executive Services

### Branch: General Manager

Council's General Manager Branch is responsible for the following activities:

#### Management and Leadership

Council's General Manager branch is responsible for all aspects in relation to management and leadership of the organisation. The section is populated by the General Manager, Executive Assistant to General Manager, Project Manager, Executive Assistant Special Projects and Personal Assistants to the Directors of Council.

The General Manager is responsible for the efficient and effective operation of the organisation and for ensuring the implementation, without undue delay, of decisions of the Council. In particular, to assist Council in connection with the development and implementation of the Community Strategic Plan, Resourcing Strategy, Delivery Program and Operational Plan.

The General Manager is also accountable for the preparation of Council's Annual Report and State of the Environment Report, the day-to-day management of staff in accordance with an organisational structure and resources approved by the Council. The General Manager is delegated to appoint, direct and dismiss staff and implement Council's Equal Employment Opportunity management plan.

The Executive Assistant Special Projects provides support to the General Manager with day to day functions, arrangements for meeting attendance and travel, communication with staff and community. The role of the Personal Assistants within the Executive Services team is to provide direct support to Directors of Council. Council's Project Manager is also responsible for Council's project management function for all major projects, as well as private works.

#### Governance

Our Councillors represent the make-up and varied interests of their communities of the shire and work effectively together, taking their responsibilities as elected officials seriously. Council provides an appropriate range of services and facilities that are responsive to community needs and Council bases its activities and decision-making on principles of openness, transparency and accountability. Council maintains a visible presence across the shire through decentralised offices, services and depot facilities, which maintains a strong sense of local identity and place.

Warrumbungle Shire Council is recognised for its strong community leadership, sound financial and asset management and for being an ethical, accountable and responsive local government entity. The Mayor and Councillors are recognised leaders both within Council and throughout the local community, and enjoy a positive reputation for that leadership. Council is supportive of mechanisms to facilitate state-local consultation, joint planning, regional sharing of resources, and is focused on strategy, being a well informed, dynamic advocate and leader in the sector.

## What will we achieve with this money?

Outcome	CSP Link
<b>Ongoing Operations</b>	
<b>Management and Leadership</b>	
Support Council and the Mayor in carrying out duties and provide advice on policy matters	CC6
Facilitate the flow of required information between staff and Council	GF4
Ensure development and implementation of the Community Strategic Plan, Delivery Program and Operational Plan within required timeframes	GF4
Ensure Council is informed of progress against service level targets	GF4
Ensure adequate Information Technology and Records systems are in place	GF5
Ensure Resourcing Strategy including the Asset Management Plan, Long Term Financial Plan and Workforce Management Strategy is appropriate to achieving the Delivery Program outcomes	GF7
Ensure the organisation meets all due diligence requirements for Workplace Health and Safety legislation resulting in equitable work practices and a safe work environment	GF8
Manage the staff, learning and development systems, ensuring associated formal delegations are in place	GF8
Responsible for the effective management and reporting to Council of all financial aspects of the organisation, including revenue management processes that maximise Council's income	GF6
Lead a culture of customer service excellence, ensuring contact with the public is professional, courteous and timely	GF2
Develop and maintain Council's contacts with community, governmental and business bodies and functions providing leadership by being visible and positive	GF7
High level professional knowledge of the external environment that may impact on and/or be utilised to Council's advantage	GF5
High level project management	GF5
<b>Governance</b>	
Advocate for the long-term provision and retention of high quality services that meet the needs of the community	PI2

Outcome	CSP Link
Build strategic relationships with other levels of government to ensure that the shire receives an equitable allocation of resources	GF1
Recognise the importance of its role as a steward of the natural, built, economic and social environment	GF5
Be proactive in providing community advocacy to mitigate the negative environmental impacts of local mining and extractive activities	NE5
Encourage and support local business and industry in creating local employment and training opportunities	LE2
Identify and pursue opportunities that realise the shire's potential as a location for the production of renewable energies	LE5
<b>Key Projects</b>	
<b>Management and Leadership</b>	
Cobbora Coal Mine	LE5
Boral Quarry	LE4
<b>Governance</b>	
Negotiate and implement Voluntary Planning Agreement (VPA) with wind farm development	LE5
Negotiate and implement VPA and infrastructure provisions with Cobbora Holdings Co.	LE5
Review and implement new organisational structure	GF4

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
<b>Management and Leadership</b>			
1	Advice and policy recommendations are provided to Council in relation to local government and relevant industry related legislation	Council is informed of Legislative changes within required timeframes.	Yes
2	Requirements under the Local Government Act, relevant regulations and the DLG's Integrated Planning and Reporting Framework are met.	Council Resolutions are implemented without undue delay, development and implementation of the Strategic Plan, IP &R Framework are met.	Yes
3	Staff performance and competency review processes are in place.	Annual reviews of all staff conducted as required by the Award or senior staff contracts.	98%
4	Economic development, business opportunities and grants are maximised for the shire area.	Revenue and income targets are met as per the Operational Plan.	Yes
5	Stakeholders and the community are informed of Councils activities and decisions.	The number of publications and media opportunities per month to promote/discuss Council activities and issues in a public forum in accordance with Council's Communications Policy	>5
6	Appropriate networking opportunities are maintained including regional stakeholder groups and individuals.	Relevant linkages established and maintained to Council satisfaction.	Yes
7	Private works are effectively managed and actively pursued	Maximum days taken for private works requests to be completed	14

No	Service Level	Service Level Indicator	Service Level
8	Private works invoices are actioned promptly	Number of days post completion of job for private works invoices to be issued	5
9	Major capital projects (> \$50k) are managed within budget	Total variance over/under budget	10%
<b>Governance</b>			
1	Council is a financially sustainable organisation	Council's financial sustainability improves from the recent TCorp rating of weak-negative to at least sound-neutral by 2016	Yes
2	Council plays an influential role within the wider region and is a strong advocate for local interests	Membership and participation in LGNSW, OROC, Mining Related Councils and other regional groupings is maintained with reports provided to Council	Yes
3	Council is known as a professional and well respected Council body and the decision making process is transparent and corruption resistant.	Number of times per annum that each Councillor attends professional development or training events	2
4	Council's decision making processes is open and enables community input	Business papers are available to the public (via Council's website, libraries and offices) three (3) business days before Council meetings and minutes published within five (5) business days of the meeting	Yes
5	Opportunities are provided in a variety of forums for all stakeholders to contribute to Council's decision making process	Number of advisory and community consultation meetings held annually	20
6	The future direction of Council is effectively managed through the IP&R process with input from the community	Council's decisions are based on social, economic, environmental and community priorities in the Community Strategic Plan	Yes

## Technical Services – Technical Services Management

**Directorate:** Technical Services

**Branch:** Technical Services Management

Council's Technical Services management section is responsible for the effective management of the Technical Services Directorate, including management of asset design, emergency services, aerodromes, fleet, RMCC contracts, and the maintenance and operations of Council's road, water and sewer network. Technical Services Directorate is also responsible for the management of parks, gardens, swimming pools and town streets, and the delivery of over 90% of Council's capital program.

Directors are required to ensure due diligence whilst implementing Council's Workplace Health and Safety program and policies within the division supporting Managers and supervisors/staff. As a member of the senior executive team, MANEX, it is expected that leadership is provided to change management and there is proactive implementation of organisational development programs and initiatives. Essential to the division is the effective development and maintenance of strategic relationships with stakeholders, including all levels of local government, state and federal agencies, elected representatives and the community.

### How much does this activity cost and how is it funded?

## Technical Services – Design Services

### Directorate: Technical Services

### Branch: Design Services

The Design Services Branch is responsible for the following activities:

#### Design Services Management

Council's Design Project Management area is responsible for Engineering Project Management and design works for all assets constructed by Council. Tasks carried out by this area include on-site management, project management, and design and planning of engineering projects.

The Design Project Management area also manages the other activities in the Design Services Branch, including asset management, survey and design, emergency services, and the road safety officer. The Design Project management function is essential to Council in ensuring that design works carried out by Council are per Australian standards, safe, and cost effective.

#### Emergency Services Management

The Warrumbungle Shire Emergency Services Coordinator in partnership with the Local Emergency Management Committees (LEMC) and the Regional Emergency Management Officer (REMO) is responsible for:

- Maintaining the Local Displan and all associated contact lists;
- Providing assistance to all Emergency Services organisations including VRA, SES, RFS and NSW Fire and Rescue;
- Providing funding to SES (Dunedoo), VRA (Coolah, Coonabarabran and Mendooran) and NSW F&R (Coolah, Coonabarabran, and Dunedoo);
- Assisting the LEMO in all Emergency Incidents;
- Providing GIS Mapping for use by Emergency Service Agencies;
- Maintaining the BRIMS database for Hazard Reduction requests and activities.

#### Survey Investigation and Design

Council's Survey Investigation and Design area is responsible for off site survey, investigation and project design for all Council constructed assets. This includes daily functions such as going to site to conduct field surveys, set-out works, and soil investigation.

#### Asset Management

The Asset Management area of Design Services, is responsible for all aspects of asset management, including ensuring asset information in the GIS system is up to date and accurate, conducting annual asset condition testing for all of Council's infrastructure assets, assessing and expanding on

asset service levels, annual updating of the Asset Management Plan, ensuring new works are captured in GIS within one month of completion, developing and completing Council's critical assets register and Infrastructure Asset Risk Management policy, and assisting Finance in all asset accounting related queries.

## NSW Fire Brigade

The Warrumbungle Shire Emergency Services Coordinator monitors the costs associated with the provision of services by the NSW Fire and Rescue Service, which is partly funded by Council. The NSW Fire and Rescue provide a town fire protection service to Coonabarabran, Coolah and Dunedoo.

## Road Safety Officer

The objective of Council's Road Safety Program is to deliver evidence based projects to improve road user safety in local communities and to raise the profile of road safety within the shire. Council's Road Safety Officer (RSO) position is funded 50 per cent by Roads and Maritime Services (RMS) and is a permanent part-time position with Council.

The RSO is responsible for analysing local crash statistics, liaising with stakeholders, as well as the planning, developing, implementing and promoting of relevant road safety projects. Functions include; submitting project proposals for RMS funding through the Local Government Road Safety Projects (LGRSP) database, display of Council's 'speed advisory sign', reporting monthly to RMS and Council on road safety issues, completing projects allocated by Council such as the Pedestrian and Mobility Plan and Council's Safe Driving Policy, maintenance of Council's Road

Safety Strategic Plan and quarterly budget reporting and attendance at Council's Traffic Committee meetings.

The RSO provides services directly to the public alone and in support of community programs like the Rotary's Youth Driving Awareness program. The RSO is required to cover all areas of the shire and at any time of the day and any day, including weekends. Services and programs may target all age groups; pedestrians, bicycle riders, learner drivers, young to older drivers, motorcycle riders and truck drivers. Current road safety priorities in the shire are speeding, fatigue, drink-driving, distraction, seatbelts and education of learner driver supervisors.

<b>Asset Management</b>			
1	Council is aware of the condition rating of all infrastructure assets under its control	Frequency of asset condition rating surveys	5 yearly
2	Council's AMP is up to date and relevant	Frequency of review and updating of Asset Management Plan	4 yearly
<b>Road Safety Officer</b>			
1	Approved Road Safety programs are completed	Programs completed on time	Yes
2	Council's Speed Advisory Sign trailer is effectively displayed	Number of days per quarter Speed Advisory Sign trailer is displayed	40
3	Meet the Road Safety Officer Program Guidelines	Funding objections of RSO funding are met	4 / 12
4	Local road safety issues are actively promoted	Number of road safety press releases in local newspapers per annum	8
5	Road toll is reduced as a result of RSO work	Trend in count in fatalities and injuries compared to previous years	Reduction
<b>Emergency Services Management</b>			
1	Emergency Services support is provided per state best practice via LEMC and LEMO	No-one dies in a fire/flood	99%
2	Effective support is provided to the LEMC and LEMO	Meetings are well attended	80%
3	Mapping is provided as required to the LEMC and EOC in a timely manner	Number of complaints from LEMC and EOC	None
4	Hazard Reduction guidelines suggested by the RFS are actively complied with	RFS or the public with regards to Hazard Reduction	None

## Technical Services – Road Operations

### Directorate: Technical Services

### Branch: Road Operations

The Road Operations Branch is responsible for the following activities:

#### Road Operations Management

Road Operations Management is responsible for the administration and management of all activities within the Road Operations branch, including all works on Regional Roads, Local Roads, and village streets. The branch is also responsible for Council controlled aerodromes and Council's private works function. The Road Operations branch is the largest branch in Council in terms of number of staff and budget allocation.

#### Regional Roads Maintenance and Repair

Council's Regional Roads M&R activity involves the undertaking of maintenance and construction works to ensure safety and reliability on the Regional Road network. This includes light and heavy patching, bridge maintenance, line marking, work on corridor assets such as signs, culverts, and drainage as well as Regional Road associated capital projects. Council is currently responsible for the maintenance of 385km of Regional Roads including:

- Quirindi -Quambone Road (MR129 – 132km);
- Gwabegar Road (MR329 – 36km);
- Warrumbungle Way (MR396 – 55km);
- Timor Road (MR4053 – 23km);
- Black Stump Way (MR55 – 89km);
- Cassilis Road (MR618 – 21km); and
- Forest Road (MR7519 – 15km).

Regional Roads comprise the secondary road network and provide the main links between the various towns of the shire. Council is the government entity responsible for the maintenance and management of all Regional Roads within Warrumbungle Shire, although Council does receive block grants and REPAIR grants from RMS to fund the maintenance/capital works on these roads.

#### Local Roads Maintenance and Repair

Council's Local Roads M&R activity involves the undertaking of maintenance and construction works to ensure safety and reliability on the Local Road network. Council is currently responsible for approximately 470km of sealed and 1,670km of unsealed roads on the rural Local Road network. There is also a further 128km (approximately) worth of urban streets which are managed by the Urban Services branch. Local Roads generally feature lower traffic volumes and provide a lower service level than Regional Roads. Council is currently in the process of segmenting Local Roads for asset management purposes and confirming the completeness of the current road inventory.

Activities on sealed sections of the local network are per works on the Regional Road network, while works on unsealed roads include grading, gravel re-sheeting, and the repair and maintenance of culverts, signs and other corridor assets. Works on Local Roads are funded by the local roads portion of the FAGs grants, roads to recovery monies from the Federal Government and funds from Council's general fund. Expenditure on Local Roads represents the single largest source of Council expenditure.

### Aerodromes

Council's Aerodromes activity is responsible for the maintenance and operations of Council's three aerodromes, including the Coonabarabran Aerodrome, Coolah Aerodrome and Baradine Aerodrome. The Coonabarabran aerodrome has a sealed runway and is currently used for aeroclub, Royal Flying Doctor Service (RFDS), Emergency Services, mail runs and general public usage, while the Coolah and Baradine aerodromes both have unsealed runways and are used mainly for emergency services and public landings.

### Village Streets

Council's Village Streets activity is responsible for maintaining and enhancing village streets within the following villages: Bugaldie, Cobbora, Craboon, Kenebri, Leadville, Merrygoen, Neilrex, Purlewaugh, Uarbry, Ulamambri and Weetaliba. Maintenance items associated with the Village Streets activity include the maintenance of village streets, and costs associated with the provision of street lighting. The maintenance and enhancement of streets in the six (6) towns of the shire falls under the Urban Streets activity in Urban Services.

### Private Works

Council's Private Works activity is responsible for the provision of road and other civil construction related private works to residents of the shire as well as businesses such as Cobbora Holdings. Council is in a unique position to provide high quality civil construction works to local residents/businesses, and aims to increase the quantum of such works provided to meet the needs of the community and local businesses.

10	Emergency assistance calls on Local Roads are addressed in a timely manner	Time for assistance from callouts	< 6hrs
<b>Aerodromes</b>			
1	Aerodrome runways are maintained with sufficient regularity	Number of incidents related to aerodrome runways per year	None
2	Aerodromes are available for use	Number of days per year where an aerodrome is unavailable for use	< 5
3	Aerodromes meet safety and legislative requirements	Time taken for completion of action items from Civil Aviation Safety Authority Audit and Obstacle Limitation Surveys	1 month

## Technical Services – Road Contracts and Private Works

**Directorate:** Technical Services

**Branch:** Road Contracts and Private Works

The Road Contracts Management Branch is responsible for the following activities:

### RMCC and Other Road Contracts

Council under contract with the RMS undertakes works on the State Road network on behalf of RMS. The scope of works carried out by Council includes general maintenance work, incident response work, reseals, heavy patching and work orders for construction/major re-construction work on the State Road network. State Roads are the major arterial roads that traverse through the shire, and include the Newell Highway, the Oxley Highway, the Golden Highway, the Castlereagh Highway and Main Road 334. Council is funded for this work by RMS.

### Reseals

The Reseals activity involves the resealing of Council controlled Regional and Local Roads. Council also reseals State Roads however this is captured under RMCC contracts above as Council is not responsible for the State Road network. The resealing of Regional Roads is funded from RMS Block Grants, while the resealing of Local Roads (including town streets) is funded by the roads portion of the FAGs grants as well as Council's own source funds.

## Technical Services – Fleet Services

### Directorate: Technical Services

### Branch: Fleet Services

The Fleet Services Branch is responsible for the following activities:

#### Fleet Services Management

Council's Fleet Services Management area is responsible for the provision of plant and equipment that meets operational requirements of the organisation in accordance with budget constraints, and supports effective WH&S and risk management to ensure safe plant and equipment for all staff and the public. Fleet Services Management is also responsible for maintaining an effective communication system.

#### Plant and Equipment

The Plant and Equipment activity is responsible for the maintenance and repair of Council fleet equipment including ensuring that plant and equipment downtime is minimised and plant and equipment is safe and reliable to use, ensuring maintenance and repair of equipment is completed in a timely manner and carried out as per manufactures specifications, as well as maintaining an effective communication system for Council's vehicles and offices.

#### Workshops

The Workshops activity provides modern workshop facilities to enable efficient repair of Council's plant and equipment with little downtime.

1	All scheduled maintenance is completed within a timeframe that will both minimise disruption to works and ensure plant and equipment is serviced within intervals specified by manufactures.	Services logs in AusFleet and user feedback % complete	95 %
2	Servicing within 20 hours or 500 kms of manufacturers specifications	% of times where servicing is within specifications	90 %

## Technical Services – Urban Services

### Directorate: Technical Services

### Branch: Urban Services

Council's Urban Services branch is responsible for the following activities:

#### Urban Services Management

Urban Services Management is responsible for the administration and management of all activities within the Urban Services Branch. Council also supports a number of local community organisations which provide on a volunteer basis, the upkeep and cleaning of a number of horticultural and public amenities facilities. These include the Binnaway and Baradine Progress Associations.

#### Horticulture

The Horticulture activity of the Urban Services Branch is responsible for the maintenance and upkeep of parks and reserves controlled by Council throughout the shire. This includes ensuring that parks and reserves are neat and tidy at all times, and planned maintenance such as cleaning, mowing and other general maintenance is carried out in a timely fashion.

The Horticulture activity is also responsible for keeping trees in a healthy, safe and tidy condition through monitoring the state of trees in the shire, and carrying out pruning and cleaning activities as required. This activity is also responsible for grass cutting within town streets. Parks under Council's control include:

- **Baradine** – Lions Park;
- **Binnaway** – Len Guy Park;
- **Coonabarabran** – Neilson Park, Masters Park, Timor Rock Reserve, Nandi Park and the David Bell Park;
- **Coolah** – McMaster Park, Black Stump Rest Area, Jorrocks Park, Brownie Park, Swanston Park;
- **Dunedoo** –Milling Park;
- **Mendooran** – Mendooran Park and Mendooran Campsite Ground;
- **Leadville** – Norman Home Park.

#### Street Cleaning

The Street Cleaning activity is responsible for ensuring that all town streets and gutters are kept in a clean and tidy state. This activity is also responsible for cleaning parking areas.

#### Ovals and Other Sporting Facilities

Council provides and maintains safe and attractive sporting grounds and other sport and recreational facilities for all users. The maintenance and operation of these facilities is the responsibility of Council's Ovals activity. Ovals and sporting facilities under Council control include:

- **Baradine** - Baradine Oval;
- **Binnaway** - Binnaway Oval, Binnaway Tennis Courts and Binnaway Showground;
- **Coonabarabran** – Coonabarabran Ovals, Netball, and Tennis and Basketball Courts;
- **Coolah** – Bowen Oval;
- **Dunedoo** – Robertson Oval;

- **Mendooran** – Mendooran Sports Ground and Tennis Courts;
- **Merrygoen** – Merrygoen Tennis Courts.

### Public Amenities

Council maintains and operates public amenities (toilets) within parks, rest areas and other locations across all of the six (6) towns in the shire. The Public Amenities activity is responsible for ensuring that these public amenities are kept clean and tidy for the benefit of residents and visitors, and that Council adheres to a regular cleaning schedule for all toilet facilities under its control to meet the usage requirements of residents and visitors to the shire

### Town Streets

Council's Town Streets activity is responsible for maintaining and enhancing town streets within the towns of Baradine, Binnaway, Coolah, Coonabarabran, Dunedoo and Mendooran. Maintenance includes the maintenance of town streets, drainage and footpaths on town streets, and costs associated with the provision of street lighting. The Town Streets activity also includes all town streets related capital expenditure except for reseals. This includes the rehabilitation and extension of footpaths, kerbs and gutters, as well as road pavement rehabilitation, heavy and light patching, and line marking, etc. The maintenance and enhancement of streets in smaller villages falls under the Village Streets activity in Road Operations.

### Public Swimming Pools

Council provides public swimming facilities in all six towns within the Shire. The management, operation and maintenance of these six pools are the responsibility of Council's Public Swimming Pools activity. These pools are opened during the summer months and provide a venue for a wide range of recreational and sporting activities.

## Development Services – Development Services Management

**Directorate:** Development Services  
**Branch:** Development Services Management

Council's Development Services Management Branch is responsible for the following activities:

### Development Services Management

Council's Development Services Management section is responsible for the effective management of all aspects of Council's regulatory and solid waste functions in an ever changing landscape.

### Building Control

Council's building control branch is responsible for the compliance of structures both new and old with the Building Code of Australia. The branch is responsible for ensuring that existing buildings remain safe and structurally sound and that all new construction complies with current building related legislation.

The building control function processes all construction certificates, complying development certificates and occupation certificates for new building works. The branch is also responsible for

the issue of building certificates relating to existing buildings and deals with all building safety issues such as fire safety in existing buildings and all plumbing related matters including processing on-site sewage management systems.

### Environmental Health Services

Council's Environmental Health branch is responsible for the protection of the health of both the public and the environment through being proactive in educating the community and forming partnerships with government agencies like the Central West Catchment Management Authority.

The unit is also responsible for ensuring that all food premises throughout the shire are aware of, and comply with the relevant food safety standards of NSW through a regular inspection regime.

The environmental health function of Council processes all applications for approval under the Public Health Act and the health related issues approved under the Local Government Act such as caravan park licencing. The branch is also responsible for promoting the health of our environment through programs such as the Central West Council's Salinity and Water Quality Alliance.

## Town Planning

Council's town planning section is responsible for the control of land use throughout the shire. The section is responsible for the maintenance of effective planning documents that guide land use in the shire to meet the aims of relevant planning legislation and Council's strategic plans.

The town planning functions include processing all development applications, producing accurate 149 zoning certificates, promoting heritage conservation and monitoring compliance with consents given and relevant legislation.

Implement changes to waste management practices based on outcome of Waste Management Strategy	PI8
<b>Building Control</b>	
Annual inspections of all high risk residential accommodation properties.	RU4
<b>Environmental Health Services</b>	
Implement actions from the strategic plan of the Central West Councils Salinity and Water Quality Alliance.	NE4
<b>Town Planning</b>	
Develop a single shire wide DCP once the LEP is adopted.	RU1
Operate a local heritage fund each year.	RU1

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
<b>Development Services Management</b>			
1	Development Services Directorate is financially responsible	Recurrent budget variance	Less than +/- 10%
2	Warrumbungle Waste is operated in a cost effective manner	% increase in waste services costs	Less than CPI
3	Capital and key projects are completed on time and within budget	Capital and key projects are completed on time and within budget	Yes
<b>Building Control</b>			
1	Structures do not pose a risk to the health and safety of occupants or the public	Inspections carried out from complaints received completed in <24hrs	100%
2	Local trades are well informed of changes to building legislation and codes	Email newsletter when new legislation or information available	Yes
3	Complying Development Certificate applications are processed within legislated timeframes	Average application processing time for Certificates for Sale or Property	21 days
4	Building Certificates processed within reasonable timeframes	Average application processing time	7 days
5	Complying Development Certificate applications and Building Certificates are processed effectively	% audit of 5 files demonstrating legislative and procedural compliance	90%
6	Processes and procedures are current and meet best practice in field	Maximum time between review of procedures and processes	6 months
7	Plumbing installations meet statutory requirements and drainage diagrams provided	Number of properties audited per annum after inspection and installation complete	10
<b>Environmental Health Services</b>			
1	Comply with the MOU between Council and the Food Safety Authority	% of inspections conducted annually of Category 1 and 2 businesses	100%
2	Implement actions from the Central West Councils Salinity and Water Quality Alliance 5 year strategic plan	% of actions funded and completed	60%
3	Approvals processed within reasonable timeframes	Average approvals processing time – when all information is received from applicant	7 days
4	Approvals are processed accurately	% audit of 20 files demonstrating legislative and procedural compliance	80%
5	Processes and procedures are current and meet best practice in field	Maximum time between review of procedures and processes	6 months
6	OSSMS do not pose a risk to public health or the environment	Inspections carried out from complaints within 3 days	95%
7	Sampling is carried out in partnership with NSW Health to ensure public water supplies meet drinking water guidelines	Frequency of sampling of town water supplies	Weekly

No	Service Level	Service Level Indicator	Service Level
<b>Town Planning</b>			
1	Council Planning instruments are relevant and effective	Frequency of review of planning instruments	Annual
2	Development applications processed in a timely manner	Average application processing time exclusive of stop the clock times	40 days
3	Development applications processed accurately	% audit of 20 files demonstrating legislative and procedural compliance	100%
4	Planning certificates processed in a timely manner	Average 149 certificate application processing time	7 days
5	Planning certificates processed accurately	% audit of 20 files demonstrating legislative and procedural compliance	90%
6	Heritage stock effectively managed	Heritage advisor service is maintained	Yes
7	Processes and procedures are current and meet best practice in field	Maximum time between review of procedures and processes	6 months
8	Council has a single DCP to guide development across the shire	A single DCP that is relevant and compliant with the LEP and current practice advice from DP&I is available.	Yes
9	The Local Heritage fund is maintained	Number of different properties that benefit from the fund	5
10	Subdivision Certificates processed in a timely manner	Average time taken to release subdivision plan when all information and conditions met	15 days

## Development Services – Regulatory Services

**Directorate:** Development Services

**Branch:** Regulatory Services

Council's Regulatory Services Branch is responsible for the following activities:

### Compliance Services

Council's compliance activity is responsible for maintaining public safety primarily through the enforcement of companion animal regulations and other impounding functions. Rangers are also responsible for ensuring owners of animals are aware and comply with legislation at all times.

The compliance services activity is responsible for the maintenance of safe conditions in all urban areas through actions taken to control noise, odour and dust caused from the keeping of animals or other activities that may cause nuisance. Overgrown private lands are controlled through the orders processed by compliance services.

### Noxious Weeds

Council meets its obligations to control noxious weeds through its membership of the Castlereagh Macquarie County Council which carries out noxious weeds inspections and eradication works within council's area using its own staff.

## How much do these activities cost and how are they funded?

## What will we achieve with this money?

Outcome	CSP Link
<b>Ongoing Operations</b>	
<b>Compliance Services</b>	
Provide education and regulation relating to the keeping of companion animals	NE5
Ensure roadways are kept free of unauthorised stock	PI3
Respond to nuisance complaints relating to the keeping of animals within urban areas.	NE5
Respond to complaints regarding overgrown private lands in urban areas	NE5
Maintain alcohol free zones throughout the urban areas of the shire.	CC2
Ensure all private swimming pools meet the requirements of pool safety legislation	RO3
<b>Noxious Weeds</b>	
Provide a noxious weeds control and education function throughout the shire.	NE5

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
<b>Compliance Services</b>			
1	The keeping of companion animals is regulated through micro chipping	Number of public micro chipping days per year in each town	2
2	Roadways are kept largely free of straying stock through regular stock patrols (per agreed program) and timely responses to complaints	Notification from complaint response time	< 48 hours
3	The negative effects caused from the keeping of animals in urban areas is minimised	Response time for complaints	< 48 hours
4	Private land within urban areas does not pose a safety issue from overgrown vegetation	Frequency of inspection of all urban areas (including instigating actions to keep land vegetation from harbouring vermin)	Monthly
5	Alcohol free zones maintained in towns	Frequency of inspection of alcohol free zone signs	6 monthly
<b>Noxious Weeds</b>			
1	Noxious weeds are controlled throughout the Shire	Membership of Castlereagh Macquarie County Council is maintained	Yes

## Development Services – Property and Risk

### Directorate: Development Services

#### Branch: Property and Risk

Council's Property and Risk Branch is responsible for the following activities:

#### Property and Risk

Council's Property and Risk section is responsible for the administration and maintenance of all property that Council owns or has in its care. It is also responsible for risk management mitigation for Council.

Property management includes maintenance, fire compliance, cleaning, security and insurance for all structures under Council's control. These include halls, staff housing in Coolah, medical facilities, depots, Council administration offices and any other "bricks and mortar". In addition, Council is responsible for an extensive portfolio of crown lands and grazing leases and is trustee of a number of reserves.

The Property and Risk branch provides services to both the public, and the various branches of Council, and ensures that Council is compliant with all property related legislative requirements. This section is also responsible for Risk Management plans which are developed and implemented for Council to ensure that liability is minimised.

#### Cemetery Services

Council's Cemetery Services are responsible for the maintenance, internment and strategic planning for the ten (10) operational cemeteries in the shire. There are four (4) closed cemeteries within the shire, which are an integral part of the local history and as such need to be conserved appropriately. Cemeteries are Crown Land dedications desolved into the care of councils under Crown Lands legislation. Council must also comply with relevant legislation in relation to internment.

#### Medical Facilities

It is imperative that Council facilitate appropriate accommodation and work premises as an incentive to encourage medical professionals to move to the area. This ensures that residents of Warrumbungle Shire have access to Doctors and other medical service providers.

Medical Facilities services are responsible for providing appropriate commercial and domestic facilities to members of the medical fraternity. Services include property management of both houses and commercial premises in Baradine, Coonabarabran, Mendooran, Coolah and Dunedoo.

### Public Halls

Council maintains and is responsible for over 12 public halls which provide opportunities for community gatherings and events. These halls need to be managed and maintained to service the needs of the community. Some halls are overseen by local committees under Council's guidance whilst others are fully administered by Council.

As halls in the shire are of a varied age, style and use, management plans and maintenance are important. Maintenance and operational programs take into account the legislative requirements relevant to the individual building, should it be Crown Trust, School of Arts or free hold community land.

## Development Services – Tourism and Development Services

**Directorate:** Development Services

**Branch:** Development and Tourism

Council's Tourism and Development Branch is responsible for the following activities:

### Tourism and Development Services

Tourism and Development Services is responsible for the daily operations of the Level 1 AVIC Accredited Coonabarabran Visitor Information Centre (VIC), maintenance of the building and grounds, and provision of information on Warrumbungle Shire to visitors and those intending to visit the shire.

The VIC is operated by trained staff, ably supported by a team of volunteers with a commitment to sharing local knowledge. It also provides a support service to the Visitor Information Centres in outlying local communities such as the Pandora Gallery at Coolah, Baradine Rural Transaction Centre and to industry operators in general.

The VIC is the public face of tourism for the shire and as such, is a stopping place for more than 70,000 of the 165,000 visitors each year to the shire.

### Tourism and Economic Promotion

Tourism and Economic Promotion is the promotional arm for tourism and economic development within Warrumbungle Shire. The unit is located in the Coonabarabran VIC and is supported by a shire wide Tourism and Economic Development Advisory Committee involving tourism and business stakeholders plus community representatives.

## Corporate Services – Corporate Services Management

**Directorate:** Corporate Services

**Branch:** Corporate Services Management

The Director Corporate Services is responsible for managing and providing leadership to a broad and diverse range of Council services, ensuring the efficient and effective operation of all Divisional operations. Essential to the division is the effective development and maintenance of strategic relationships with stakeholders, including all levels of local government, state and federal agencies, elected representatives and the community.

Directors are required to ensure due diligence whilst implementing Council's Workplace Health and Safety program and policies within the division supporting Managers and supervisors/staff. As a member of the senior executive team, MANEX, it is expected that leadership is provided to change management and there is proactive implementation of organisational development programs and initiatives.

Council requires Corporate Services to develop and implement strategies to address relevant issues and drive asset management; responsive community service delivery; the use of technology; and communications and marketing of services within local government regulations and legislation in the broad political, social, economic and organisational context.

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
1	Council meets all governance, legislative and financial reporting requirements	All governance, legislative and financial reports are submitted to relevant levels of government within legislative deadlines	Yes
2	Two sponsorship rounds (August and February) of financial assistance grants are undertaken	Funds are fully expended and applications received are from a broad cross section of the community	Yes
3	Corporate Services Directorate is financially responsible	Recurrent budget variance	Less than +/- 10%

## Corporate Services – Administration & Customer Services

**Directorate:** Corporate Services

**Branch:** Administration & Customer Services

Council's Administration and Customer Services Branch is responsible for the following activities:

### Administration and Customer Services

Administration and Customer Services is responsible for the provision of support to departmental staff within Council. It is also responsible for ensuring that the organisation meets statutory reporting requirements and the delivery of efficient and effective customer services to both Council and the community.

These services include the provision of:

- Customer and enquiry services including prompt and accurate cashiering services, and receipt of payments for rates, debtors and Development Applications.
- Secretarial support, incorporating minute taking, preparation of correspondence and draft reports;
- Document control including scanning, registration and allocation of all correspondence to responsible staff.

### Community Banking Agency

Council's Westpac In-store Agency, located in the Multi-purpose building in Dunedoo, is provided to meet the needs and expectations of the Dunedoo community with regard to Banking and Council facilities and services. This Agency ensures the local availability of products and services and minimises the risk of economic leakage to larger regional centres.

## Corporate Services – Bushfire and Emergency Services

**Directorate:** Corporate Services

**Branch:** Bushfire and Emergency Services

Fire is part of the Australian landscape. Bushfire management in NSW is a cooperative effort of the whole community. The NSW Rural Fire Service is the lead agency in combating bushfires and enabling the community to be better prepared and protected from bushfires. Although fighting fires and protecting the community from emergencies is the most visible aspect of the RFS role, the Service has many responsibilities as the leading agency for bushfire management and mitigation in NSW.

The Rural Fire Service (RFS) agreement for Castlereagh Zone commenced 1 January 2013 and stipulates those functions exercised by each party, being the Councils (Warrumbungle and Gilgandra) and the NSW Commissioner. The RFS budget is prepared each year via an annual 'Bid' approved by the Minister responsible. Funding for the RFS and provision of Emergency Services, comes from three sources, with the bulk of funding (73.7%) provided by a tax on insurance companies and the remainder of the funds provided by Local Government (11.7%) and the NSW State Government (14.6%). This model of funding is currently under review.

Council's responsibilities under the RFS agreement include:

- The provision of financial and information services such as purchasing, accounts receivable, and accounts payable and petty cash services to RFS, and the provision of access to Council data including access to Council's finance system and data in relation to land owners;
- Provision of maintenance and registration services for vehicles, and cleaning and grounds maintenance and security services for RFS buildings;
- Provision of technical advice on environmental issues;
- Provision of admin support during major incidents, and access to Council office equipment;
- Provision of Council plant and equipment during major incidents;
- Provision of Council stores and fuel supply for Schedule 4 plant and equipment.

## Corporate Services - Finance

### Directorate: Corporate Services Branch: Finance

Council's Finance section is responsible for the management of all financial aspects of Council's business. This includes daily functions such as accounts payable, accounts receivable, rating, cash management, investment management, and GST and FBT tax compliance. In addition, there are a number of major projects such as the preparation of Council's Budget, Financial Statements, Quarterly Budget Review Statements and other Integrated Planning and Reporting requirements.

Finance is a support function, and although it does not directly provide services to the public, an effective and well-functioning Finance function is essential in ensuring that the provision of services by Council is cost effective, efficient, and financially sustainable in the long term. Finance is also responsible for aspects of financial governance and is the principal contact for both internal and external audit.

7	Council's investments are managed effectively per DLG guidelines and gain a good return for Council	Rate of return above BBSW	0.10%
8	Debt is managed effectively in the funding of Council's business, with consideration of intergenerational equity	Debt services ratio	<5%

## Corporate Services – Communications & IT

**Directorate:** Corporate Services

**Branch:** Communications & IT

Council's IT division aims to provide an Information Technology service that supports staff needs as part of the IT Strategic Plan. This includes telephone, software, hardware and internet services. Services are provided in collaboration with a third party IT Service Provider, who monitors Council's IT network including backup and security, implements IT upgrades and provides help desk support services.

GIS services are provided by the Communications & IT branch. GIS (Geospatial Information Systems) includes data capture, mapping and analysis of map data for all Council activities. To support asset management, emergency services, technical services and planning staff, a GIS strategy is being developed to assist Council's activities and service levels.

The Communication division is responsible for developing and implementing Council's media and communication strategy, providing information to residents of the Shire, acting as a conduit for feedback and input from the community, and ensuring information on Council's services is easily accessible to the public. Supported by the development of a Communications Strategy, this is further buoyed by improving communication skills of staff. In particular internal communications processes within the organisation.

7	Accurate GIS data on all Council assets is compiled for use by Council staff	Compilation of accurate GIS data is completed within a 1.5 year timeframe	Yes
8	New asset additions are captured in Council's GIS system	Frequency of updating of asset information	6 monthly
9	Disaster Recovery implemented as per Business Continuity Plan	Disaster Recovery system implemented	Yes

## Corporate Services – Supply Services

**Directorate:** Corporate Services

**Branch:** Supply Services

Council's Supply Section is responsible for providing a cost effective and operationally efficient stores and procurement services to all internal stakeholders from its three stores: Coonabarabran, Coolah and Dunedoo. This includes ordering and distribution of materials to crews and other areas within Council. Supply Services is also responsible for ensuring that supplies are purchased within Council's procurement policy and delegation, and at the most advantageous price to Council.

Supply Services is a support function, and although it does not directly provide services to the public, it is critical to Council's business and is essential that it is managed effectively which includes carrying out regular fuel and stores stocktakes to minimise variances.

4	Procurement policy is adhered to	Number of breaches of policy	0
5	Sale of excess stock carried out annually	Sale completed	Yes

## Corporate Services – Human Resources

### Directorate: Corporate Services

### Branch: Human Resources

Council's Human Resources Branch is responsible for the following activities:

#### Human Resources Management

Human Resources provide a supportive framework to the organisation tasked with the responsibility of ensuring Council's Workforce Management Strategy is implemented and progress reported effectively. Human Resources are responsible for all staff policy development, management and adherence including Equal Employment Opportunity. The unit ensures that Council attracts and retains high quality staff, issues relating to Industrial Relations between management, staff and unions are managed responsibly and within legislative requirements and ensures staff are supported and valued by Council.

#### Payroll Services

Payroll Services provides timely and accurate payment of wages, forwards contributions to superannuation funds, and provides award interpretation to staff/ management and statistical information to the MANEX team. Payroll facilitates opportunities for staff to access salary sacrifice schemes, retirement planning and personal insurance.

#### Workplace Health and Safety

The Workplace Health and Safety (WH&S) Officer in consultation with MANEX/Managers/Supervisors and staff, ensures as far as reasonably practicable all WH&S legislative requirements are met by Council. The unit also undertakes the co-ordination and support of all staff on workers compensation leave whilst undertaking rehabilitation to pre-injury duties.

#### Learning and Development

Learning and Development implements each Directorate's training plans, providing relevant and appropriate education and learning opportunities for all employees. Individual training plans are developed in line with the Annual Performance Appraisal and future organisational objectives. This training aims to ensure a highly skilled and flexible workforce. Council's Trainees are supervised and both internal and external training programs facilitated.

6	WH & S issues are minimised within the Technical Services Department	Number of WH&S incidents per annum	<5
<b>Learning and Development</b>			
1	Traineeships are offered to staff at a minimum level of Cert III	% of staff who possess minimum qualification requirements	90%

No	Service Level	Service Level Indicator	Service Level
2	Skills analysis are undertaken and Learning and Development plans are completed on an annual basis	Percentage of plans completed by February each year	98%
3	Staff are provided with an adequate number of training hours including information on new legislation	Minimum number of training courses attended per staff member per annum	1
4	All Contractors are given the opportunity to attend training with other Council Staff at their own expense	Income received by Council for Contractor training.	Yes
5	Staff performance and competency review process are in place	Revenue and income targets are met as per the Operational Plan	Yes
6	Staff Performance and competency review processes are in place	Annual reviews of all staff conducted as required by the Award or senior staff contracts	98%
7	Department Staff have appropriate skills to meet organisational needs	All Staff have individual training plans	Yes

## Corporate Services – Children and Community Services

**Directorate:** Corporate Services  
**Branch:** Children and Community Services

The Children and Community Services unit is responsible for achieving the objective of making our communities within the shire safe, harmonious and supportive bound by vibrant social and cultural interaction and a strong local identity. Providing support and assistance to those in need, volunteers, promoting community capacity building and community development. By facilitating harmonious and respectful relationships between our indigenous and non-indigenous communities and ensuring that our diverse community is reflected through a wide range of arts and cultural activities, festivals and events.

The unit is responsible for providing opportunities and developing support mechanisms to ensure that communities across the shire attract and retain young people and families to identify and address the causes and effects of economic and social disadvantage in communities across the shire so that smaller communities remain sustainable.

### Warrumbungle Community Care

Warrumbungle Community Care provides services for the frail aged, people with a disability and their carers to assist them to continue living independently in their own homes. Warrumbungle Community Care is funded by Department of Health and Ageing and Family and Community Services, Ageing Disability and Homecare. Service activities provided by Warrumbungle Community Care include: Community Transport, Meals on Wheels, Home Maintenance Services, Social Support services and Respite.

### Community Development

Community Development provides assistance to the smaller communities across the shire including financial assistance to the identified local level community organisation for the appointment of a part-time Development Coordinator. These Development Coordinators liaise with their individual communities to determine local needs and identify community based projects, and then generate grant funding to fund these projects.

### Libraries

Council maintains a network of six (6) libraries across the shire with facilities in each town of the shire through its partnership with the Macquarie Regional Library service.

Library services have grown to provide more than just books to borrow with modern libraries becoming a vital community asset where all ages can research information, access the internet and obtain social interaction. Close links have been forged with the schools in each town to help promote the library services

### Yuluwirri Kids

Yuluwirri Kids Preschool and Long Day Care Centre is located in Coonabarabran and is a licensed Preschool and Long Day Care Service that complies with the Education and Care Services National Regulations under the Children (Education and Care Services) National Law (NSW) and the National Quality Standards. The curriculum is guided by The Early Years Learning Framework for Australia

### Connect Five

Connect Five is a Mobile Children's Service operating in the Shires of Coonamble, Gilgandra and Warrumbungle to assist children 0-5 years to reach their full potential by providing support to them and their families

### Family Day Care

Family Day Care is a childcare service providing quality childcare for children between the age of 6 weeks and 12 years in the private homes of experienced and registered Educators. Educators have been carefully selected and supervised, and operate under the Education and Care Services National Regulations. Castlereagh Family Day Care (CFDC) coordination unit services the Warrumbungle, Coonamble and Gilgandra shires, and provides Educator support, training and administration services from offices in Coonabarabran.

**Castlereagh  
Family Day Care**

The coordination unit's role is to ensure Educators provide a quality home based Childcare Service to these local government areas, which is flexible in meeting the ever changing needs of the families, through the Educators individualised programming, which provides children with an environment that is inclusive, stimulating, safe, flexible and nurturing, encouraging children to further develop their skills and knowledge. The service is funded by the Australian Department of Education, Employment and Workplace Relations (DEEWR) via Child Care Benefit (CCB) and administration charges from parents and Educators. Castlereagh Family Day Care is also an In-Home Child Care Service Provider for NSW In-Home Care

Childcare Services (NSWIHCS). This is an educative In-Home Care brokerage model funded by the DEEWR. It is sponsored by the NSW Family Day Care Association Inc.

### Youth Development and Activities

The Youth Development Program is responsible for encouraging, engaging and empowering community youth across the shire, for the continued enhancement of the long-term social, economic, and environmental conditions of their community.

Through local community youth led action, engagement of youth in community decision making processes, advocacy with and for young people relating to youth issues, identifying and addressing service gaps, connectivity between the community youth of the shire and working with young people at a community leadership level. The Youth Development program focusses on developing and building upon a culture of positive youth community capacity building.

The Youth Development Program works cohesively with the existing youth services across the shire, improving dialogue and best practice sharing between services, opening communication around service

delivery and addressing wider community youth issues holistically, breaking down barriers around community perceptions and access, and raising the positive profile of young people across the shire

## OOSH

Coonabarabran After School Care (Out of School Hours/OOSH) operates five days a week from 3.00 to 5.30pm during school terms at St. Lawrence's School in Coonabarabran providing safe, caring, fun and affordable child care for Children enrolled in primary school.

The service is funded by the Australian Department of Education, Employment and Workplace Relations (DEEWR) via Child Care Benefit (CCB) and administration charges from parents.

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
<b>Community Transport</b>			
1	Transport services provided to HACC Clients	Number of trips provided per annum	2800
2	Transport services provided to CTP Clients	Number of trips provided per annum	400
3	Transport services provided to Health Related Transport Clients	Number of trips provided per annum	40
4	Services are provided in line with Community Care Common Standards and HACC Guidelines	Number of action items completed from Action Plan	15

No	Service Level	Service Level Indicator	Service Level
<b>Multiservice Outlet</b>			
1	Social Support services provided to HACC clients	Number of services provided per annum	7,441
2	Meals Services provided to HACC clients	Number of meals provided per annum	12,188
3	Respite Services provided to HACC clients	Number of services provided per annum	1,557
4	Home Maintenance Services provided to HACC clients	Number of services provided per annum	2,392
5	Services are provided in line with Community Care Common Standards and HACC Guidelines	Number of action items completed from Action Plan	15
<b>Yuluwirri Kids</b>			
1	Scheme meets Quality Improvement Plan and ACECQA assessment Rating	Minimum assessment rating	Meets Assessment Rating
2	The service is well utilised by members of the community	Utilisation rate as a percentage of total capacity	95%
3	Service is sustainable in the long run and does not receive subsidies from Council beyond the current agreement	Level of surplus or deficit	Surplus
4	Capital extension project completed within the four year timeframe and is fully funded by external grants	Extension completed	Yes
5	Medium to long term needs of the community for child care services are addressed	Five (5) year business plan is complete	Yes
<b>Libraries</b>			
1	Provision of library services to residents of the shire is maintained	Membership of Macquarie Regional Library is maintained	Yes
2	Branches are safe for staff and the public	Complete annual inspections of all outlets	Complete
3	Library opening hours meet the needs of the residents of the Shire	The following opening hours are met: - Baradine 7.5 hours - Binnaway 4 hours - Coolah 30.5 hours - Coonabarabran 31.5 hours - Dunedoo 20 hours - Mendooran 7 hours	Yes
<b>Connect Five</b>			
1	Requirements of all funding agreements (NSW Dept. Human Services) are met	Annual acquittals and reports returned on time and meet with approval	Yes
2	Venues identified and licenced according to community requirements	Number of venues that are identified and licenced at any one time	9
3	Play sessions are provided to meet the emerging needs of the community	Number of play sessions per term	45
4	Play sessions are well patronised	Number of children attending per term	360
5	The resources in the Toy Library are clean and in good repair	Toys washed and cleaned on a fortnightly basis	Yes
6	The Toy Library is well utilised by the community	Number of items loaned per term	60

No	Service Level	Service Level Indicator	Service Level
7	A WH&S risk management program and healthy work environment for all staff and the public is fostered by the organisation	Number of incidents per term requiring medical assistance	None
8	The service meets the needs and expectations of the community	Survey results	Positive result
9	Policies and Procedures are met and maintained at all times	Policies and Procedures are reviewed and updated by all stakeholders and adhered to at all times	Yes
10	Service is sustainable in the long run and does not receive subsidies from Council beyond the current agreement	Level of surplus or deficit	Surplus
<b>Family Day Care</b>			
1	The number of registered Educators meet the needs of the Family Day Care service	Number of registered Educators	18
2	New Educators are registered and inducted including a thorough home safety audit (WHS)	New Educators are inducted and meet NSWFD standards	Yes
3	Educators are provided with supported home visits on a regular basis and regular contact outside of these visits via phone, email and mail outs	Number of monthly visits	1
4	Monthly play-sessions are provided in each town for Educators, with 90% of Educators attending.	% of Educators attending monthly play sessions in each town	90%
5	Service is sustainable in the long run and does not receive subsidies from Council beyond the current agreement	Level of surplus or deficit	Surplus
6	Requirements of all funding agreements (DEEWR) are met	Annual acquittals and reports returned on time and meet with approval	Yes
7	Coordination Unit, in conjunction with Educators ensures scheme meets all National Regulations and Quality Standards, gaining an appropriate rating during assessment	Minimum National Quality Standard (NQS) rating	Meeting NQS
8	Parents are provided with information about their child and are provided with relevant information about the service	Child reports sent to parents following coordination unit visits to Educators.	Yes
9	Provide support and visits to IHC families and Educators as per requirements	Frequency of eligibility review visits to each IHC family	6 monthly

No	Service Level	Service Level Indicator	Service Level
10	Policies and Procedures are met and maintained at all times by Coordination unit and Educators	Policies and Procedures are reviewed and updated by all stakeholders and adhered to at all times Monitored by coordination unit during home visits and play-sessions	Yes
11	Parents are provided with information about their child and are provided with relevant information about the service	Child reports sent to parents following coordination unit visits to Educators.	Yes
<b>Youth Development</b>			
1	Requirements and objectives of all funding agreements are met	Annual acquittals and reports returned on time and meet with approval	Yes
2	Delivery of Youth Action Group program across the shire	Number of young people engaged within Youth Action Groups	72
3	Delivery of cost effective and quality school holiday program	Number of young people and children engaged within program	225
4	Delivery of National Youth Week across the shire	Number of youth engaged in developing / managing activities	90
5	Enhance communities social infrastructure to support desired outcomes	Number of young people engaged within programs	1,600
6	Service is sustainable in the long run and does not receive subsidies from Council beyond the current agreement	Level of surplus or deficit	Surplus
7	Promotion of youth services, information sharing and networking between youth and community services	Number of printed media distributed through shire	1,600
<b>OOSH</b>			
1	Requirements and objectives of all funding agreements are met	Annual acquittals and reports returned on time and meet with approval	Yes
2	Policies and Procedures are met and maintained at all times	Policies and Procedures are reviewed and updated by all stakeholders and adhered to at all times	Yes
3	An appropriate After School Care is provided five days a week from 3.00pm to 5.30pm during school terms	Number of places booked per week	50
4	Scheme meets all National Regulations and Quality Standards, gaining an appropriate rating during assessment	Minimum National Quality Standard (NQS) rating	Meeting NQS
5	A WH&S risk management program and healthy work environment for all staff and the public is fostered by the organisation	Number of incidents per term requiring medical assistance	None
6	Service is sustainable in the long run	Level of surplus or deficit	Surplus
<b>Community Development</b>			
1	DCs are employed in Coolah, Dunedoo, Mendooran, Binnaway and Baradine	Funding MOU is signed and adopted by each community group	Yes
2	DCs meet conditions of the MOU and expectations of external grants are achieved	Level of external grants sourced per annum per town over a four year term	\$50k
3	Council effectively pursues opportunities for community grants in Coonabarabran	Level of external grants sourced per annum for Coonabarabran over a four year period	100k

## Warrumbungle Water

**Directorate:** Business Arm of Council  
**Branch:** Warrumbungle Water

The core function of Warrumbungle Water is the provision of water supply to connected properties in each town within the Shire. The provision of water services must be economically and environmentally sustainable and must meet quality expectations of the community. To reinforce community expectations, the NSW Government requires Warrumbungle Water to demonstrate, on an annual basis, compliance with Best Practice management guidelines. Furthermore, the NSW Government makes reporting of water quality results mandatory through NSW Health.

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
1	Quality potable water is supplied to connected properties	Water quality meets criteria established by Australian Drinking Water Guidelines.	Yes
2	Water supply to connected properties is continuous and there is no disruption due to broken water mains	Number of breaks per year	< 30
3	Supply of water to connected properties is at lowest possible recurrent cost	Variance over/under budget	< +/- 10%
4	Water charging for connected properties is accurate	Number of incorrect meter readings	< 20
5	Best practice water and sewer recommendations are completed	Recommendations actioned/completed	Yes
6	Capital projects are completed within their budgeted time line	% of capital projects completed to schedule	85%
7	Capital program is completed within budget	Total variance over/under budget	10%
8	Potable water is safe for drinking	Number of boil alerts	None
9	The water business operates as a fully self funding business	Yearly financial outcome against budget	Surplus

## Warrumbungle Sewer

**Directorate:** Business Arm of Council

**Branch:** Warrumbungle Sewer

The core function of Warrumbungle Sewer is the collection and treatment of sewage effluent from connected properties in Baradine, Coolah, Coonabarabran and Dunedoo. The provision of sewer services must be economically sustainable and must meet licence requirements set by NSW Environment Protection Authority for discharge of effluent to the environment. To reinforce community expectations, the NSW Government requires Warrumbungle Sewer to demonstrate, on an annual basis, compliance with Best Practice management guidelines.

## Warrumbungle Waste

**Directorate:** Business Arm of Council

**Branch:** Warrumbungle Waste

Warrumbungle Waste provides waste services throughout the Warrumbungle Shire as a business arm of Council. The waste services are provided to residential and non-residential customers for both general waste and recycling. Council operates a pick-up service for general waste in the northern part of the Shire with the Southern waste pickups currently being provided by contract. Council currently carries out all of the recycling pickups throughout the shire with Council labour.

The waste and recycling pickup service operates in all towns and most villages in the Shire as well as on ten dedicated rural runs.

In addition to the pickup services Warrumbungle Waste operates a landfill located at Coonabarabran. This location also includes a Material Handling Facility for the sorting of recyclables. A second Material Handling Facility is located at Dunedoo for the same purpose. Council also currently maintains and operates six Waste Transfer Stations at Baradine, Binnaway, Mendooran, Coolah, Ulamambri and Dunedoo.

Warrumbungle Waste is a core function of Council and provides an essential service to the community and needs to be funded exclusively from general rating income as a stand alone fund.

### How much does this activity cost and how is it funded?

Year	How much does this activity cost?				How is it funded?		
	Income	Operational Expenditure	Capital Expenditure	Net Cost to Council	Loan Receipts or Payments	Restricted Assets	General Fund
15/16	(2,035,578)	1,944,083	-	(91,495)	-	-	(91,495)

### What will we achieve with this money?

Outcome	CSP Link
<b>Ongoing Operations</b>	
Management of waste services	PI8
Provide and maintain a landfill facility for the shire	PI8
Provide and maintain waste transfer station facilities for the shire	PI8
Weekly residential general waste pick up service	PI8

Outcome	CSP Link
Weekly residential recycling pick up service	PI8
Weekly commercial waste pick up service	PI8
Waste minimisation through two material handling facilities in the shire	PI8
Key Projects	
Waste Management Strategy	PI8
Landfill Expansion	PI8

## How will we track our progress?

No	Service Level	Service Level Indicator	Service Level
1	The waste service operates as a fully self funding business	Yearly financial outcome against budget	Surplus
2	Weekly residential waste pick up service is provided to eligible residents	Number of complaints for missed services per year	<10
3	Weekly residential recycling pick up service is provided to eligible residents	Number of complaints for missed services per year	<10
4	Council's waste facilities operate within regulatory guidelines	Amount of penalties imposed on Council by Regulators	\$0
5	WH&S issues are minimised within the Waste Branch	Number of WH&S incidents per annum	2

## Warrumbungle Quarry

**Directorate:** Business Arm of Council

**Branch:** Warrumbungle Quarry

Council has entered into a lease agreement with Boral to operate the basalt quarry south of Coonabarabran. The purpose of the operation is to produce aggregates for bitumen sealing and concrete production on a commercial basis.

# Appendix 1: Statement of Revenue Policy 2015/16

<b>A1.1 Introduction</b>	<b>126</b>
<b>A1.2 Ordinary Rates</b>	<b>127</b>
<b>A1.3 Water Charges</b>	<b>130</b>
<b>A1.4 Sewerage Charges</b>	<b>131</b>
<b>A1.5 Waste Charges</b>	<b>132</b>
<b>A1.6 Trade Waste Charges</b>	<b>135</b>
<b>A1.7 Other Fees and Charges</b>	<b>139</b>
<b>A1.8 Private Works</b>	<b>170</b>

## A1.1 Introduction

Under Section 405 of the Local Government Act (1993), Council is required to include as part of its Operational Plan a statement of Council's Revenue Policy for the year covered by the Operational Plan.

The 2015/16 Budget reflects the following:

- Revenue (accrual basis) of \$51.274m;
- Expenditure (accrual basis) of \$38.269m;
- An Operating result of \$13.005m;
- A Capital Works Program of \$25.112m;
- A Consolidated Result (Excluding Depreciation and after inclusion of Capital Expenditure, loans and program transfers to and from Reserves – Restricted Assets) of \$19k Surplus.

For more information on these estimates, see Part 2 of the Operational Plan and Delivery Program

In arriving at the results for the 2015/16 year the following major items are noted:

- The Minister for Local Government has allowed an increase of 2.4% for the 2015/16 year in the permissible ordinary rate;
- That Council accepts the full 2.4% offered by the Minister;
- Labour costs include a 2.7% award allowance for wage increases (effective July 2014);
- With the exception of some expenses incurred for profit making agencies, Goods and Services Tax payable on supplies have not been included in the budget as Council receives an input tax credit equivalent to the GST paid and is reclaimed.

### Financial Projections

General financial projections for the 2015/16 to 2018/19 years have been incorporated into the Delivery Program which includes an income statement, balance sheet and cashflow statement for the four years. Statements for 2015/16 have also been included in the Operational Plan. The information and assumptions used in all financial projections were the best available at the time of preparation.

## A1.2 Ordinary Rates

Council levies Rates and Charges in accordance with the provisions of the Local Government Act 1993 (hereafter the Act), and Council must make and levy an ordinary rate for each year on all rateable land in its area (s.494 of the Act). Council's current rating structure is determined in accordance with Section 497 of the Act being a rate based on land value, together with a Base Amount.

Per Section 514 of the Act, all rateable land must be categorised as either farmland, residential, business or mining. Council also has the option to create sub-categories within these categories. The following is a brief explanation of these categories. For more detailed information, please refer to Sections 514 to 519 of the NSW Local Government Act, 1993.

Category	Details
Residential	Land is categorised as residential if: <ul style="list-style-type: none"> <li>the main use is for residential accommodation (but not as a hotel, motel, guesthouse, boarding house, lodging house or nursing home)</li> <li>it is vacant land zoned for residential purposes</li> <li>it is rural residential land</li> </ul>
Farmland	Land is categorised as farmland if its main use is for commercial farming e.g. Grazing, animal feedlots, dairying, pig farming, poultry farming, beekeeping, forestry, oyster or fish farming, or growing crops for profit. Rural residential land is not categorised as farmland.
Business	Land is categorised as business if it cannot be categorised as farmland, residential or mining. The main land uses in the business category are commercial and industrial.
Mining	Land is categorised as mining if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

### Rate Pegging

Council is limited in its ability to raise rates above a certain percentage (as specified by the Minister and determined by IPART) per section 506 of the Local Government Act 1993. This limitation on Council's ability to determine its own level of rating revenue is commonly referred to as rate pegging.

On 2 December 2014, IPART announced that the rate peg amount for the 2015/16 financial year will be set at 2.4%. The rate peg amount for 2014/15 was set at 2.3% and the equivalent figure for the 2013/14 financial year was 3.4%. The rate peg is determined by IPART using a Local Government Cost Index and a productivity factor. The 2.4% rate peg for the 2015/16 financial year is the second lowest increase in the last eight years. Council has determined to apply the full rate peg amount.

### Ordinary Rates to be levied in the 2015/16 financial year

In accordance with Section 494 of the Act the following Ordinary Rates will be levied by Council for the 2015/16 financial year:

Description	No Prop	Ad Valorem	Base Rate	Sum of Valuation	Sum of Value	Base Rate %
<b>Residential</b>						
Baradine Residential	329	0.0246	\$176	\$3,380,540	\$141,065	41%
Binnaway Residential	246	0.01252	\$129	\$2,821,610	\$67,061	47%
Coolah Residential	391	0.01377	\$224	\$10,832,040	\$236,741	37%
Coonabarabran Residential	1,164	0.009444	\$259	\$43,999,740	\$717,010	42%
Dunedoo Residential	377	0.007125	\$272	\$15,401,600	\$212,280	48%
Mendooran Residential	169	0.019	\$193	\$2,334,820	\$76,979	42%
Cobbora Residential	13	0.00487	\$122	\$409,790	\$3,582	44%
Coolabah Estate Residential	58	0.00445	\$140	\$2,122,800	\$17,566	46%
Rural Residential	865	0.007634	\$228	\$55,927,240	\$624,169	32%
Village Residential (1)	119	0.02264	\$117	\$818,010	\$32,443	43%
Village Residential (2)	96	0.01455	\$97	\$752,890	\$20,267	46%
<b>Total: Residential</b>	<b>3,827</b>	<b>-</b>	<b>-</b>	<b>\$138,801,080</b>	<b>\$2,149,163</b>	
<b>Farmland</b>						
Farmland	1,736	0.0044186	\$545	\$893,251,810	\$4,893,042	19%
<b>Total: Farmland</b>	<b>1,736</b>	<b>-</b>	<b>-</b>	<b>\$893,251,810</b>	<b>\$4,893,042</b>	
<b>Business</b>						
Baradine Business	34	0.03445	\$259	\$348,470	\$20,811	42%
Binnaway Business	22	0.02295	\$201	\$269,950	\$10,617	42%
Coolah Business	50	0.02757	\$358	\$1,006,190	\$45,641	39%
Coonabarabran Business	162	0.030495	\$428	\$10,543,800	\$390,869	18%
Dunedoo Business	47	0.01148	\$325	\$1,552,840	\$33,102	46%
Mendooran Business	15	0.01734	\$196	\$282,210	\$7,834	38%

Description	No Prop	Ad Valorem	Base Rate	Sum of Valuation	Sum of Value	Base Rate %
Business	38	0.02458	\$288	\$1,552,840	\$50,124	22%
Village Business (1)	5	0.0619	\$148	\$45,610	\$3,563	21%
Village Business (2)	2	0.071	\$115	\$10,200	\$954	24%
<b>Total: Business</b>	<b>375</b>	<b>-</b>	<b>-</b>	<b>\$15,612,110</b>	<b>\$563,515</b>	
<b>Mining</b>

<b>Total: Mining</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>
<b>Grand Total</b>	<b>5,938</b>	<b>-</b>	<b>-</b>	<b>\$1,047,665,000</b>	<b>\$7,605,720</b>	

- \* Village 1 includes: Neilrex, Bugaldie, Ulamambri, Rocky Glen, Purlawaugh and Kenebri
- \* Village 2 includes: Merrygoen, Uarbry and Leadville

### Pensioner Discount

The Local Government Act (Section 575) provides for a rebate to be granted to eligible pensioners in the amount of 50 % of their total rates and domestic waste charges, up to a maximum of \$250. A further discount not exceeding \$87.50 on water access and \$87.50 on sewer access charges is also available to eligible pensioners. A rebate to Council covering 55% of the pensioner discount amount is available in the form of a grant from the DLG.

### Interest on Overdue Rates and Legal Fees

The Minister for Local Government has not yet announced the maximum rate of interest to be charged on overdue rates. Council has assumed a rate of 8.5%. In accordance with Section 566(3) of the Local Government Act, it is proposed that Council will charge the maximum interest rate allowed (forecast interest \$164k based on PY actuals).

Council also recoups legal fees associated with its debt recovery efforts from non-paying rate payers. Council has assumed that legal fees associated with rates will be \$120k in the 2015/16 financial year. A similar amount has been booked as a revenue item.

## A1.3 Water Charges

### Introduction

Council manages both water and sewer utilities which provide residents of the shire with water and sewer services. These utilities are run as separate business activities and are run per the principles of competitive neutrality which means they must be run at full cost recovery.

Council is authorised by Section 501 and Section 502 of the Local Government Act (1993) to make an annual charge for the connection to a water supply and for the consumption of water, measured on a volumetric basis, during the course of that financial year.

Council is authorised by Section 552 of the Local Government Act (1993) to make a charge for water supply on:

1. Land that is supplied with water from a water pipe of the Council; and
2. Land that is situated within 225 metres of a water pipe of the Council, whether the land has a frontage or not to the public road (if any) in which the water pipe is laid, and although the land is not actually supplied with water from any water pipe of the Council.

The Water Supply, Sewerage and Trade Waste Pricing Policy Guidelines (issued by the Department of Land and Water Conservation in December 2002) require that Councils to levy charges for water and sewerage by means of annual charges (for access to the reticulation system) and service charges (for utilisation).

The Best-Practice Management of Water Supply and Sewerage Guidelines 2007 require NSW local water utilities to achieve ongoing full cost recovery for their water supply and sewerage services. This is also a requirement of National Competition Policy and the National Water Initiative. Full cost recovery involves raising sufficient revenue to cover maintenance and administration costs as well as the cost of the depreciation of water supply infrastructure.

The best practice guide also requires smaller local water utilities (less than 4,000 connected properties) to raise at least 50% of residential revenue from water usage charges in order to better manage water resources.

### Proposed Charges for the 2015/16 Financial Year

The suggested charges for the 2015/16 financial year are detailed in the table below:

Area	No	Access 2015/16	Consumption 2015/16
Mendooran	277	\$816	\$1.90
Other	3,072	\$364	\$1.90
<b>Total:</b>	<b>3,351</b>	-	-

## A1.4 Sewerage Charges

### Introduction

Council is authorised by Section 501 and Section 502 of the Local Government Act (1993) to make an annual charge for the connection to a sewer and a service charge for the discharge to the sewer. Best Practice Guidelines issued by the State also require that Council distinguish between residential and non-residential properties when establishing sewer charges.

Council's sewerage charges consist of a flat charge for residential properties (with a different rate for connected and not-connected properties), and a variable charge for non-residential properties. The non-residential charge consists of a consumption component which is based on water consumption and an access fee based on meter size. The total of these two charges (for non-residential properties) is then multiplied by a sewerage discharge factor which varies by property.

### Suggested Charges for the 2015/16 Financial Year

The suggested charges for the 2015/16 financial year are detailed in the table below:

Type	No of charges	Access 2015/16	Revenue 2015/16
Residential - Connected	2,007	\$469	\$941,283
Residential – Non-Connected	116	\$301	\$34,916
<b>Total Residential (Access only):</b>	<b>2,123</b>		<b>\$976,199</b>
Non-Residential (Minimum)	-	\$469	\$86,989
Sewerage Access – 20mm	289	\$301	\$4,230
Sewerage Access – 25mm	9	\$470	\$5,390
Sewerage Access – 32mm	7	\$770	\$34,858
Sewerage Access – 40mm	29	\$1,202	\$45,096
Sewerage Access – 50mm	24	\$1,879	\$14,427
Sewerage Access – 80mm	3	\$4,809	\$37,575
Sewerage Access – 100mm	5	\$7,515	\$21,973
Not Connected (Minimum)	73	\$301	\$86,989
<b>Total Non-Residential Access:</b>	<b>439</b>		<b>\$250,538</b>
Non-residential Consumption		\$0.79	\$129,560
<b>Total:</b>	<b>2,562</b>	<b>-</b>	<b>\$1,356,297</b>

All non-residential properties will be levied a charge based on the size of the water meter and the volume of water passing through the water meter. This charge consists of an access and a usage portion both of which are adjusted by a sewerage discharge factor based on property usage.

The access charge in the table above is based on the size of the pipe and is calculated by adjusting the 20mm charge to the relevant diameter for the pipe size in question through the following:

$$\text{Access Charge} = \text{Access Charge 20mm} \times \text{Pipe Diameter squared} / 400$$

The Non-residential charge is modified by an assessment of the volume of water discharged to sewer, which is known as the Sewerage Discharge Factor (SDF). The charge is determined in accordance with the following formula:

$$\text{Bill} = \text{Sewerage Discharge Factor} \times (\text{Access Charge} + (\text{Consumption} \times \text{User Charge}))$$

The Sewerage Discharge Factors (SDF) is detailed in the table below:

Type of Non Residential Property	SDF (per kl)
All non-residential use other than specifically identified below	95%
Motel	85%
Hotel (pub)	100%
Caravan Park	50%
Schools	50%
Nursery	20%
Bowling Club	50%
Home Based Business	70%

## A1.5 Waste Charges

The charges levied by Council for domestic waste services are made under the provisions of Section 504 of the Local Government Act (1993). The Act specifies that the Council cannot apply the income from ordinary rates towards the cost of providing domestic waste management services. The charges for domestic waste removal have been calculated so as to provide sufficient income to cover the reasonable cost expectations of providing the service.

Council levies a charge annually for a kerbside garbage service and kerbside recycling service. This charge is separately itemised on the rate notice and is levied on all properties within the defined scavenging area. Commercial properties are levied a separate annual charge for kerbside garbage collection and kerbside recycling services based on the number of services provided. The authority for commercial garbage removal charges are contained in Section 501 of the Local Government Act (1993)

A single weekly service is provided for kerbside garbage collection using 240 litre mobile containers which are available for purchase from Council. Additional weekly services are available on the basis of an additional annual charge.

As of the 2013/14 financial year, Council implemented a new method to finance its waste management functions with the adoption of the following charging structure:

- \* All rateable properties within Warrumbungle Shire Council area will be levied a waste management charge of \$100 per assessment regardless of whether a service is provided or not to reflect the costs incurred in providing transfer station, landfill and recycling services other than domestic waste management collection services. Note that all residents of the shire will be granted one free 240 litre MGB disposal and sorted recycling per visit.
- \* All non-domestic waste services (i.e. businesses etc. will be levied an additional charge of \$325 for the first service and \$210 for contribution to recycling collection services on top of the \$100 waste management levy.
- \* All occupied properties having available a domestic waste collection service within an urban area where the service is provided shall be levied an additional charge of \$325 per service for each assessment which will include provision of one weekly collection service for both recycling and general waste. Additional services are available at the same rate per annual service.
- \* Properties on the previous rural runs shall be given the opportunity to opt in or out of the provision of domestic waste services at the same rate as the urban ratepayers subject to no service being provided if the area proves not economical to operate.

The suggested charges for the 2015/16 financial year are summarised in the following table:

Description of Waste Service	Service Charge 2014/15	Service Charge 2015/16	No. of charges	Amount to Use
<b>Base Charge</b>				
Waste Management Charge on all rateable properties	\$100	\$100	6,117	\$611,700
<b>Additional Usage Charge – Domestic</b>				
Domestic Waste Charge Used (includes Rural Run)	\$310	\$325	3,019	\$981,175
Domestic Waste Charge Vacant /unused on Rural Run	-	-	-	

Description of Waste Service	Service Charge 2014/15	Service Charge 2015/16	No. of charges	Amount to Use
<b>Additional Usage Charge – Non Domestic</b>				
Non-Domestic Waste Service	\$310	\$325	741	\$240,825
Recycling Charge	\$205	\$210	345	\$72,450
<b>Total:</b>				<b>\$1,906,150</b>

**Note:** As part of the \$100 waste management charge all residents of the shire will be granted one free 240 litre MGB disposal and sorted recycling per visit to the waste facilities.

## A1.6 Trade Waste Charges

Council recently adopted a Liquid Trade Waste Policy in accordance with State legislation and the NSW Office of Water's *Liquid Trade Waste Regulation Guidelines, April 2009*. Under the Policy businesses identified as discharging liquid trade waste must now gain formal Approval to discharge to Council's sewer, and will also be charged for the discharge of liquid trade waste.

A list of the fees and charges adopted by Council is included below.

Liquid Trade Waste Classifications and Categories	Proposed 2015/16 Charges
<b>Application for Approval to Discharge Trade Waste to Sewer</b>	
- Concurrence Classification A	\$140.00
- Concurrence Classification B	\$140.00
- Concurrence Classification C	\$250.00
- Concurrence Classification S	\$250.00
<b>Annual Trade Waste Fee</b>	
Category 1 Discharger - per year	\$85.00
Category 2 2S Discharger - per year	\$85.00
Category 3 Discharger - per year	\$200.00
<b>Re-Inspection Fee</b>	
- per re-inspection	\$80.00
<b>Trade Waste Usage Charge</b>	
Category 1 Discharger with appropriate pre-treatment	Nil
Category 1 Discharger without appropriate pre-treatment - per kilolitre	\$1.60
Category 2 Discharger with appropriate pre-treatment - per kilolitre	\$1.60
Category 2 Discharger without appropriate pre-treatment - per kilolitre	\$14.50
Category 2S - see Tankered Trade Waste Charges below	
Category 3 - see Excess Mass Charges per kilogram below	
<b>Food Waste Disposal Charge</b>	
Based on \$23/bed in 2007/08, indexed. For existing dischargers only.	
- Food Waste Disposal Charge - per bed	\$24.00
<b>Excess Mass Charges per kilogram</b>	
Charges apply for large/industrial dischargers (Charging Category 3) for all wastes that exceed concentration of pollutants in domestic sewage. Formula applies with pollutant rates of charges per kilogram (kg).	
-Aluminium	\$0.73

Liquid Trade Waste Classifications and Categories	Proposed 2015/16 Charges
- Ammonia (as N )	\$2.17
- Arsenic	\$72.00
- Barrium	\$36.00
- Biochemical Oxygen Demand (BOD)	\$0.73
- Boron	\$0.73
- Bromine	\$14.50
- Cadmium	\$335.00
- Chlorinated Hydrocarbons	\$36.60
- Chlorinated Phenolics	\$1,450.00
- Chlorine	\$1.50
- Chromium	\$24.50
- Cobalt	\$14.80
- Copper	\$14.80
- Cyanide	\$72.00
- Fluoride	\$3.65
- Flormaldehyde	\$1.48
- Oil & Grease (Total O&G)	\$1.32
- Herbicides/defoliants	\$718.00
- Iron	\$1.50
- Lead	\$35.00
- Lithium	\$7.30
- Manganese	\$7.30
- Mercaptans	\$72.50
- Mercury	\$2,395.00
- Methylene Blue Active Substances (MBAS	\$0.73
- Molybdenum	\$0.73
- Nickel	\$24.00
- Nitrogen* (Total Kjeldahl Nitrogen - Ammonia) as N	\$0.20
- Organoarsenic Compounds	\$718.00
- Pesticides general (excludes organochlorines and organophosphates)	\$718.00
- Petroleum Hydrocarbons (non-flammable)	\$2.40
- Phenolic Compounds (non-Chlorinated)	\$7.30
- Phosphorus (Total P)	\$1.50
- Polynuclear Aromatic Hydrocarbons	\$14.60
- Selenium	\$50.50
- Silver	\$1.35
- Sulphate (SO4)	\$0.16
- Sulphide	\$1.50
- Sulphite	\$1.62
- Suspended Solids (SS)	\$0.95
- Thiosulphate	\$0.30
- Tin	\$7.20
- Total Dissolved Solids	\$0.06
- Uranium	\$7.20
- Zinc	\$14.60
<b>Non Compliance Charges</b>	
- Non-compliance pH charge	

Liquid Trade Waste Classifications and Categories	Proposed 2015/16 Charges
Value of coefficient K in equation 3 of TW Policy	\$0.38
<b>Non Compliance Excess Mass Charges - per kilogram (kg)</b>	
Applied where a discharge quality fails to comply with approved concentration limits of substances specified in approval conditions. Formula applies with pollutant rates of charges per kg.	
<b>Tankered Waste Charges (Charging Category 2S) – per kilolitre (kL)</b>	
- Chemical Toilet	\$16.00
- Septic Tank and Pan Waste Disposal Charge	
- Effluent	\$2.15
- Septage	\$22.00

## A1.7 Other Fees and Charges

Council proposes to apply fees and user charges in respect of its regulatory functions and the services it provides.

Section 608(1) of the Act provides that Council may charge and recover an approved fee for any services it provides. Section 608(2) provides that the services for which an approved fee may be charged include the following services provided under the Act or any other Act or the regulations by the Council:

- \* supplying a service, product or commodity
- \* giving information
- \* providing a service in connection with the exercise of the Council's regulatory functions - including receiving an application for approval, granting an approval, making an inspection and issuing a certificate
- \* allowing admission to any building or enclosure

The actual fees and charges proposed to be applied by Council for 2015/16 are detailed in the Schedule of Fees and Charges included in this Revenue Policy document forming part of the Operational Plan. The document includes the details of each fee, charge or contribution.

### Pricing Policy

Council is committed to providing a variety of goods and services which reflect concern for the individual and the wider community, and which meet the diverse needs of everyone who lives in, works in, or visits the Council area.

Council strives to attain the highest possible standards by making effective and efficient use of all resources, working in a spirit of team work and harmony amongst its Councillors, staff and community.

Council will ensure that charges are raised as equitably as possible, whilst considering those groups and individuals in the community who are unable to meet their own needs.

Council supports the user-pays principle in assessment and levying of fees and charges, whilst recognising the need for supplementing income in particular circumstances.

Council recognises the need to provide services for groups and members of the community that may not be able to afford a commercial rate of services.

Council will ensure that all rates, charges and fees are set so as to provide adequate cash flows to meet operating costs and to assist in the provision of funding capital works. Council will pursue all cost effective opportunities so as to maximise its revenue base and to seek an acceptable commercial rate of return on investments subject to community service obligations.

Council recognises the need to set prices for goods and services so as to provide the most effective level of service possible to our community.

Council recognises the need to set prices for goods and services so as to ensure resources are not wasted and can promote more efficient and effective investment in infrastructure and services.

Council's pricing policy in relation to any particular good or service may be found in the relevant section of this Revenue Policy.

## Fees

Council provides a wide range of services to the community and has adopted a number of fees for these services. They have been set on the basis of the following categories:

- Community service
- Economic cost
- Nominal fee
- Regulatory charge
- User pays principle

Council has defined the categories as detailed below:

### **Community Services**

The cost of the service is subsidised to provide for the community benefit.

### **Economic Cost**

The cost of the service provided is estimated and the cost recovery is based upon the anticipated number of users.

### **Nominal Fee**

Council adopts a minimal fee for record purposes only.

### **Regulatory Charge**

Set by Government regulations.

### **User Pays Principle**

Used where a specific individual cost can be isolated and charged to the user of that service.

A copy of the Schedule of Fees adopted by Council is attached. All fees have been calculated based on one or more of the abovementioned categories.

### **GST**

Where GST is applicable, the GST column will have a yes. If the GST column is blank the fee is not subject to GST.

## A1.8 Private Works

Under Division 3 Section 67 Local Government Act 1993

In accordance with Section 67 of the Local Government Act 1993, Council may, by agreement with the owner or occupier of any private land, carry out on the land any kind of work that may lawfully be carried out on the land including the following types of work;

- Paving and road making
- Kerbing and guttering
- Fencing and ditching
- Tree planting and tree maintenance
- Grass planting and maintenance
- Waste collection
- Demolition and excavation
- Land clearing and tree felling
- Water, sewerage and drainage connections

### Private Works Policy

The procedure for undertaking private works and recovering costs are set out in Council's Policy on Private Works. Under this policy private works are categorised into either external private works or internal private works. The procedures for internal private works relate to staff members and they are different to procedures for external private works

For external private works, Council will send an invoice to clients when payment is not received up front. Payment up front is required for minor works less than \$150 (excl GST) in value.

### Private Works Pricing (Pricing Mechanism)

The determination of an invoice amount for Private Works listed above will be based on the following pricing factors:

1. Labour at direct cost plus oncost and overheads at a combined rate of 60.80%
2. Stores at direct cost plus overhead rate of 25%
3. Creditors at direct cost including freight plus overhead rate of 21%
4. Plant cost in accordance with 'Private Plant Hire Rates Schedule' and associated conditions below.

Estimates that are prepared to undertake Private Works will use a composite ready-reckoner for the purpose. This will share with the Pricing Mechanism the common element as to the total time involved and the range of equipment employed in the task. Estimates are not to be seen as a fixed price quote but rather as an indication of the full cost when pricing has been completed. The Invoice will be based on the Pricing Mechanism.

**Council will hire out the following items of plant subject to the following conditions:**

- Hire of plant is subject to Council's policy on Private Works;
- Hire of plant is subject to suitability of application and availability;
- Council has absolute discretion in relation to hiring of plant items;
- No Plant item will be hire without a Council Operator;

- The charge out rate will be based on the rates listed in the table (note: rates include labour costs for the operator):

Plant Type	Hourly Plant Rate 2014/15 (Excl. GST)	Hourly Plant Rate 2015/16 (Excl. GST)
Backhoe	135	138
Bobcat	119	136

Minor Plant (Small)	51	52
Minor Plant (Large)	51	52
Road Roller	107	109
Slasher	18	18
Street Sweeper	133	136
Tractor	82	84

## Appendix 2: Donations Policy

Warrumbungle Shire Council provides financial assistance or donations to community groups and individuals to encourage their development and growth within the shire.

The expected outcomes of this policy are as follows:

- Identification and support for community groups, organisations and individuals that contribute to the social, economic and / or environmental fabric of Warrumbungle Shire.
- Transparent process of application, assessment and determination of financial assistance.
- That financial assistance provided by Council complies with requirements of Section 356 of the Local Government Act 1993.

Financial assistance is provided across a broad range of activities and are grouped as follows;

- Sporting Clubs and Events
- Charity Groups
- Religious Properties
- Education Support
- Community Service Organisations
- Cultural Groups and Societies
- Youth Groups and Senior Citizens
- Individuals
- Community Hall Committees

**(Note 1)**

The types and structure of financial assistance depends upon the type of activity being undertaken and may be one of the following types;

1. Donation of one half on the annual General Rate, Water Access Charge and Sewerage Access Charge
2. Donation of one half of the annual Water Access Charge and Sewerage Access Charge
3. Donation of the full annual Waste Collection Charge and Waste Management Charge
4. Monetary grant as provided
5. Operator and/or Plant Hire or Hall Hire

### **Council owned Properties, Facilities, Plant and Equipment and Halls**

When Council considers donations for the waiver of fees and charges at Council owned halls, the fact of whether a fee is charged for entry to the Hall at the time will be a factor in determining the donation.

The donation will only be considered when a local charity or organisation within the shire financially benefits from the function. Functions specifically excluded are balls, weddings, parties, reunions, organisation presentation nights, conference (reduced fee already exists) and auction sales. Applications for the donation or refund of hall hire fees will be processed as part of the Financial Assistance Grants.

### **Council Owned Plant**

When Council plant is used to carry out private work at the request of a local non-profit organisation, a donation equal to the plant hire may be made to the applicant subject to:

- a) The work is carried out at a time that does not adversely affect Council's work program
- b) The plant being operated by an approved Council operator
- c) The operator volunteering his/her services
- d) An appropriate hire agreement being executed by the applicant
- e) Appropriate insurance cover being arranged
- f) That any requests be referred to Council for approval as part of the Financial Assistance Grants.

### **Development Applications**

Council will donate the equivalent amount of the development application costs in total only levied on works to be undertaken by community groups on Council-owned facilities with such funds to be provided from the Donation–Other Budget.

### **Financial Assistance Grants**

Financial assistance requested in the form of a monetary grant must be made on Council's application form. There will be a cap of \$500 for Financial Assistance Grants. Where the monetary grant exceeds \$200 in one year the recipient of the financial assistance is required to provide a report to Council in a format prescribed by Council.

### **Assessment Criteria**

Council will use the following general criteria when considering requests for financial assistance;

- Activities which address gaps in service or community development;
- Activities which promote community development in a multicultural context and seek to address issues of access and equity;
- Involvement from volunteers and self help initiatives which build upon Council's contribution;
- Consumer / use participation in management of services / activities
- Innovative and creative approaches to identified needs; and
- Activities, which use Council funding to attract further resources.

Council will give low priority to following types of requests for financial assistance;

- Activities/services which do not attempt to become self-supporting where the potential exists through fees or other feasible income – producing activities.
- Activities of a purely social nature, which do not address the needs of disadvantaged groups.

- Activities which are eligible for support from state- wide or regional parent bodies.
- Organisations, which have not observed accountability requirements for past Council assistance.

Other Financial Assistance	Amount Allocated
Financial Assistance Other	\$20,000

Council will consider applications for financial assistance at the ordinary meeting in each of the following months only:

- February
- August

Prior to these meeting dates Council will make a public call for applications for financial assistance. Financial assistance applications must be made on a form prescribed by Council.
