BUSINESS ARISING

COMMUNITY MATTERS

1. Public information campaign to explain that dog noise is a threat to economic security (Darren Stafford)

DEDS advised that Council has published articles previously to raise awareness of dog owners within the community regarding dog noise, and could reissue the public notice.

ACTION: DEDES to organise social media notice regarding dog noise to raise awareness in the Warrumbungle Shire.

2. Rangers to patrol residential areas to ensure they (dogs) are quiet. (Darren Stafford)

DEDS advised that Council rangers patrol the community regularly to monitor pet issues, particularly dogs roaming. In regards to dog noise, Council consider issues case by case.

Mr Stafford stated that dog noise is not only a nuisance, but it creates economic disruption, and conflict from neighbours having to raise the issue with other neighbours.

Cr Newton stated that dangerous dogs need to be reported to Council.

3. Infringement notices are issued when dog noise is unpleasant to householders and walkers. (Darren Stafford)

DEDS advised that dogs are a contentious issue in Coonabarabran. Council Rangers have limited time to attend to community response to animal issues. Council have procedures in place to report the issue of dog noise.

COUNCIL UPDATES AND INFORMATION

4. Renewable Energy Zone (REZ)

DEDS provided an update on the REZ and associated projects.

**MINUTES OF THE COONABARABRAN COMMUNITY CONSULTATION MEETING
HELD IN COONABARABRAN COUNCIL CHAMBERS ON TUESDAY 31 OCTOBER
2023 COMMENCING AT 5:30PM**

Council has made submissions on projects raising various concerns including where water will be obtained. Submissions are available on Council's website.

The transmission line project is deemed a State Significant Infrastructure project and the state government can override local government.

There is an EnergyCo steering group including Council members that discuss local issues relating to REZ projects. There is a regional leadership collective including other councils working on submissions to the project application process together.

The community will start to see activity in the next 12 months including more workers in communities, and the accommodation camps in action.

Cr Kopke advised that there will be a \$128 million upfront funding payment for the Central West Orana REZ project. EnergyCo initially offered \$250,000 per annum funding to assist Council with assessing REZ projects, Council made a submission for another \$200,000 to cover arising expenses.

Community members may make submissions on the project at planningportal.nsw.gov.au/major-projects.

5. Water Restrictions

DEDS advised that Coonabarabran has been placed on Level 1 water restrictions as of 10 October 2023. Council closely monitor Timor Dam water level, which is currently at 70 % capacity. Council website will publish further information regarding water restrictions during the upcoming summer months.
