10. Cashflow Statement (cash and investments report).....	32
11. Loans Schedule.....	33
12. KPIs.....	34
13. Contracts and Other Expenses.....	36

Part 1: Introduction

The Quarterly Budget Review Statement (QBRs) presents a summary of Council's financial position at the end of each quarter. It is the mechanism whereby Councillors and the community are informed of progress against the management plan. In December 2010 the NSW Division of Local Government developed a set of minimum requirements for reporting the financial position of Council, to facilitate explanations and major variations and recommend changes to the budget for Council approval. The reports also enable the Responsible Accounting Officer (RAO) to indicate if Council will be in a satisfactory financial position at the end of the financial year.

The minimum requirements for the QBRs are included in the Code of Accounting Practice and Financial Reporting and form part of the legislative framework in accordance with clause 203(3) of the Regulations.

The new reporting format came into effect on 1 July 2011. The QBRs is composed of, but not limited to, the following budget review (BR) components:

- Statement by the Responsible Accounting Officer on Council's financial position at the end of the year based on the information in the QBRs **(Part 2 of this report)** ;
- Budget Review Income and Expenses Statement **(Parts 3, 5 & 6 of this report)** in one of the following formats:
 - Consolidated
 - By fund (e.g. General Fund; Water Fund; Sewer Fund)
 - By function, activity, program etc to align with the management plan / operational plan;
- Budget Review Capital Budget **(Parts 7 & 8 of this report)**;
- Budget Review Cash and Investments Position **(Part 10 of this report)**;
- Budget Review Key Performance Indicators **(Part 12 of this report)**; and,
- Budget Review Contracts and Other Expenses **(Part 13 of this report)**.

The following important financial information has also been provided in addition to the information required as part of the QBRs reporting framework:

- Balance Sheet as at 31 March 2014 **(Part 9 of this report)**;
- Summary of Results that links the function view of Council's activities back to Council's Income Statement and Cashflow Statement **(Part 4 of this report)**;
- Summary of Loan Movements **(Part 11 of this report)**.

In the first QBRs of the 2013/14 financial year, Council made several changes to sections of the QBRs report. Details of these changes can be found below:

- Details of the performance of Council's recently created plant fund are now included in the Business Arms of Council Income Statement;
- A new look summary of results that reconciles the Income Statement to Council's Function View and the Cash Flow Statement has been included in the Summary of Results Section;
- A result by activity report (cash basis) has also been included in the Summary of Results Section (actuals only);
- A new report on loan movements has been added to the QBRs (Part 11).

Part 2: Statement by the Responsible Accounting Officer

The Quarterly Budget Review Statement (QBRs) presents a summary of Council's financial position at the end of each quarter. It is the mechanism whereby Councillors and the community are informed of progress against the Management Plan. In December 2010 the NSW Division of Local Government developed a set of minimum requirements for reporting the financial position of Council, to facilitate explanations and major variations and recommend changes to the budget for Council approval. The reports also enables the Responsible Accounting Officer (RAO) to indicate if Council will be in a satisfactory financial position at the end of the financial year.

It is my opinion that the Quarterly Budget Review Statement for Warrumbungle Shire Council for the quarter ended 31 March 2014 indicates that Council's projected financial position as at 30 June 2014 will be satisfactory at year end, having regard to the projected estimates of income and expenditure and the original budgeted income and expenditure.

Signed _____
Responsible Accounting Officer, Warrumbungle Shire Council

Date: 1 May 2014

Part 3: Income Statement

	Original Budget \$'000	Approved Changes \$'000	Revised Budget \$'000	Actuals 31-Mar-14 \$'000	Variance %	
Income from Continuing Operations						
Rates and Annual Charges	11,122	-	11,122	10,738	97%	a
User Charges and Fees	6,278	16	6,294	4,682	74%	b
Interest & Investment Revenue	1,139	15	1,154	400	35%	c
Other Revenues	872	62	934	766	82%	d
Grants & Contributions	15,173	367	15,540	7,829	50%	e
Gains/(Losses) from Disposal of Assets	59	-	59	316	536%	
Net Share of Interest in Joint Ventures	-	-	-		0%	f
Total Income From Continuing Operations	34,643	460	35,103	24,731	70%	
Expenses from Continuing Operations						
Employee Benefits & On-Costs	13,080	637	13,717	10,425	76%	g
Borrowing Costs	504	-	504	206	41%	h
Materials & Contracts	8,631	(189)	8,442	5,812	69%	i
Depreciation & Impairment	10,275	-	10,275	7,707	75%	j
Other Expenses	5,022	2	5,024	3,120	62%	k
Net Share of Interest in Joint Ventures	37	-	37		0%	l
Total Expenses From Continuing Operations	37,549	450	37,999	27,270	72%	
Operating Result from Continuing Operations	(2,906)	10	(2,896)	(2,539)		

Part 3: Income Statement (Continued)

Notes: Revenue

- (a) Rates and Annual Charges are currently at 97% of the budget as at 31st March 2014. This is due to Council recognising all rates and annual charges at the beginning of the year, with the exclusion of sewer access charges which are billed four times during the year. Rates, water access and waste charges are all per budget (within \$10k of the final budget).

Sewerage access charges are currently trending slightly below the pro-rata budget (2%). Sewerage access charges have currently generated revenue of \$848k compared to a budget of \$1.167m which equates to a \$27k shortfall as at 31 March. Although sewer access charges are difficult to forecast, the final result at year end is expected to be roughly a \$36k shortfall for this line item.

- (b) User charges and fees are currently at 74% of the budget (under the pro-rata budget by \$38k) due to:
- * Private works are \$73k under the pro-rata budget. As with RMS works this item varies throughout the year and can be quite difficult to predict. Private works are expected to pick up post Council filling the Projects Manager position;
 - * Quarry sales are \$88k (10%) under the pro-rata budget. Blasting activities and the majority of crushing activities were recently completed. It is expected that external quarry sales will pick up post employment of a Quarry Manager (now completed) and Project Manager;
 - * Yuluwirri Kids Preschool and long day care user charges roughly \$162k under the pro-rata budget;

These items are offset by the following:

- * Water usage is \$220k (18%) over the pro-rata budget due to a hotter than normal summer;
- * Swimming pool revenue is \$27k (37%) over the pro-rata budget due to income being generated during the 6 months the pools are open (ending EOM March), and has exceeded the full year budget by \$12K due to the hot summer;
- * RMS works are 2% over the pro-rata budget (\$48k);

- (c) Interest and investment revenue is currently at 35% of the budget (40% under pro-rata budget - \$465k) due to:
- * The Reserve Bank's decision to reduce interest rates impacting Council's investments (\$166k under the pro-rata budget as at 31 March). It should be noted that \$35k of the \$166k shortfall is due to the reversal of accrued interest revenue from the previous financial year, and a large portion of the shortfall is also due to lower cash holdings during the year due to non-receipt of key grant funding;
 - * Reversal of prior year impairment not recognised until year end (\$197k as at 31 March);
 - * LIRS refund for LIRS 2 not yet recognised as the loan has not been entered into (\$87k);

- (d) Other revenue is currently at 82% of the budget (7% over pro-rata budget - \$66k) due to:
- * Diesel fuel rebates \$25k above the pro-rata budget due to improvements in the way Council captures information for the return;
 - * Public halls revenue \$3k over the pro-rata budget (3%) due to greater advertisement and improvements made to the buildings making them more attractive for functions;
 - * Legal fees recovered \$14k (11%) over the pro-rata budget;
 - * Tourist centre sales \$5k over the pro-rata budget (13%), and sewer other income \$5k over budget;
 - * Recycling Income 20% above the pro-rata budget (\$18k);
 - * WH&S workers compensation incentive rebate received \$10k over pro-rata budget;

- (e) Grants and contributions are currently at 50% of the budget (25% under pro-rata budget - \$3.826 million) due to:
- * FAGs grants - \$2.328m received year to date (\$1.975m under the pro-rata budget);
 - * RFS EOFY grant adjustment not actioned until EOFY (\$1.633m under pro-rata budget);
 - * BDN Flood Plain Management Plan Grant \$75k under pro-rata budget (0% of \$100k received ytd);
 - * \$300k water and sewer best practice grant yet to be received (\$225k under pro-rata budget);
 - * Block Grants and repair program (\$159k under pro-rata budget) due to timing differences;
 - * Preschool grants (\$72k under pro-rata budget).

These items were offset by grant line items where the majority of the grant has already been received:

- * IESIP Indigenous support grant (\$102k over pro-rata budget);
- * Roads to recovery grant (\$198k over pro-rata budget);
- * TNSW Recurrent Grants (\$60k over pro-rata budget);

Differences are largely due to timing differences in receipts and the fact that Council was prepaid the first two quarters of the FAGS grants last year. Once again, there is a chance that the two quarters of pre-paid FAGS grants from next year may not be brought forward.

- (f) Net share of interest in Macquarie Regional Library Joint Venture is only calculated at year end when the final position of the entity is provided to Council.

Part 3: Income Statement (Continued)

Notes: Expenditure

- (g) Per budget (post third quarter adjustment between employee related expenditure and materials & contracts).
- (h) Borrowing costs are currently at 41% of the budget (34% under pro rata budget - \$172k) due to:
 - * Lower than budgeted borrowing costs associated with the LIRS 2 loan which Council is still yet to enter into (\$131k);
 - * The remaining variance is due to other loans that are currently under budget due to timing of repayments. These items are expected to be per budget at year end;
- (i) Materials and contracts are currently at 69% of the budget (6% under pro rata budget - \$519k) due predominantly to the forecast contract expenditure for quarries in the budget now being treated as inventory (\$479k impact on pro-rata budget).
- (j) Per budget
- (k) Other expenses are 13% (\$647k) below the pro-rata budget due to the fire levy only being recognised at the end of the financial year (\$1.3m impact on pro-rata budget). This was offset by:
 - * Over budget cost of goods sold expenditure for the quarry (\$358k over pro-rata budget as this expenditure was originally supposed to be captured as part of the quarries materials and contracts expense);
 - * Over budget insurance costs (\$306k over pro-rata budget). Insurance is recognised at the beginning of the year, and the original insurance estimate was low.
- (l) Net share of interest in Macquarie Regional Library Joint Venture is only calculated at year end when the final position of the entity is provided to Council.

Part 3: Income Statement (Continued) - Split by Council Business Area

	General	Water	Sewer	Waste	Yuluwirri Kids	Warrumbungle Community Care	Family Support Services	Warrumbungle Quarry	Plant Fund	Internal Charges to Back Out	Total

Part 5: Revenue (Continued)

Description	Revenue Revised Budget	Revenue Actuals	Var %	Reason for Variance
General Revenue				
General Revenue	(11,164,593)	(8,883,571)	80%	General revenue is 5% (\$510k) over the pro-rata budget. Significant points to note include: * Rates revenue is \$24k below the final budget (although at 100% of the final budget - \$1.75m over the pro-rata budget), and will reach the budget figure by year end as further interest on outstanding rates comes in. * Interest revenue is currently under the pro-rata budget by \$80k (56% year to date) which can be largely attributed to the Reserve Bank's decision to reduce the Cash Rate. * General grants (predominantly FAGS grants) are at 43% of the budget (\$1.16m below the pro-rate budget) due to timing differences in receipts, and the fact that Council was prepaid the first two quarters last year. This arrangement will hopefully continue this financial year.
Total General Revenue	(11,164,593)	(8,883,571)	80%	
Executive				
General Manager	(2,000)	(2,103)	105%	Receipt of refund in September.
Human Resources	(162,500)	(193,823)	119%	HR revenue is \$72k over the pro-rata budget due to: * Higher than budgeted oncost recoveries for \$53k; * Higher than budgeted OH&S rebate and training subsidy (\$36k).
Total Executive	(164,500)	(195,926)	119%	
Technical Services				
Technical Services Management	-	-	NB	N/A
Design Services	(66,167)	(50,294)	76%	Per budget
Road Operations	(5,394,266)	(3,973,253)	74%	Per budget
Road Contracts & Private Works	(3,204,500)	(1,738,596)	54%	Road Contracts & Private Works are \$664k (21%) under the pro-rata budget due to: * Grant Funding from Block Grants and FAGs grants have not yet been distributed (\$772k under pro-rata budget); * RMCC contract works over the pro-rata budget by 7% (\$107k).
Fleet Services	(5,231,700)	(4,324,218)	83%	Fleet services revenue is \$400k over the pro-rata budget predominantly due to higher than estimated fleet trade in revenue against pro-rata budget of \$312k. Fleet internal charges are roughly per the pro-rata budget (76%) while Diesel fuel rebates are \$25k above the pro-rata budget due to improvements in the way Council captures information for the return
Urban Services	(754,504)	(286,878)	38%	Urban Services 37% (\$279k) under the pro-rata budget due to: * FAGS grants (\$308k) yet to be distributed to town streets and the BDN Flood Plain Management Plan Grant (\$100k) not yet received (total impact on pro-rata budget \$297k); This shortfall has been offset by the following: *Public pools revenue is currently at 103% of the total budget due to increased usage as a result of the hotter than normal conditions this year (\$25k over the pro-rata budget). Note there should be no more pools revenue post this quarter; * Public amenities budget already 100% received (grant funding for toilet construction - \$12.5k over pro-rata budget).
Total Tech Services (Excl Water/Sewer)	(14,651,137)	(10,373,239)	71%	
Environment & Community Services				
E&C Services Management	(299,541)	(250,136)	84%	E&C Services Management \$25k over pro-rata budget due to early receipt of the \$60k LEP grant (\$15k impact on pro-rata budget) and library grants worth \$54k (\$9.5k impact on pro-rata budget).
Family Support Services	(1,023,291)	(687,549)	67%	FSS revenue is currently \$80k (8%) below the pro-rata budget, predominantly due to: * Lower than budgeted child care rebates for FDC (\$48k) * Lower than budgeted Docs grant for Connect 5 (\$15k) * Lower than budgeted DEEWR grant for FDC (\$14k) * Lower than budgeted FCD admin levy (\$5k). FDC items due to reduced numbers taking up the service. Connect 5 variance possibly due to timing differences in the receipt of the grant.
Regulatory Services	(31,400)	(19,095)	61%	Regulatory Services revenue is currently under the pro-rata budget by \$4.4k but is expected to come in over budget at year end as nearly half of the revenue for this item is recognised at year end (water monitoring income).
Warrumbungle Community Care	(847,867)	(711,950)	84%	Warrumbungle Community Care is currently 9% (\$76k) over the pro-rata budget predominantly due to the early receipt of TNSW recurrent grants relating to the Community Transport activity (\$60k positive impact against budget), and higher than budgeted MSO client contributions (\$13k over pro-rata budget).
Yuluwirri Kids	(1,212,366)	(793,457)	65%	Yuluwirri Kids revenue is \$116k under the pro-rata budget due to lower than budgeted user charges of \$162k offset by higher grants revenue, particularly IESIP revenue.
Total E&C Services	(3,414,465)	(2,462,187)	72%	

Description	Revenue Revised Budget	Revenue Actuals	Var %	Reason for Variance
Corporate Services				
Corporate Services Management	-	-	NB	N/A
Administration & Customer Services	(245,766)	(209,004)	85%	Administration & customer services are over pro-rata budget by \$25k due to higher than budgeted internal charges revenue.
Bushfire & Emergency Services	(2,609,246)	(323,910)	12%	Journals to recognise grossed up contribution to RFS only actioned at year end.
Finance	(841,750)	(694,085)	82%	Finance branch is currently \$63k over the pro-rata budget due to the processing of internal charges worth \$307k at EOM December (\$77k impact on pro-rata budget).
Communications & IT	(741,840)	(741,840)	100%	Revenue item relates predominantly to IT internal charges that are distributed in December. This item should not change between now and EOFY.
Property & Risk	(738,132)	(371,268)	50%	Property & Risk revenue is currently 17% (\$182k) under the pro-rata budget due to insurance internal income being coded as a reduction in expenditure (\$171k negative impact vs budget), as well as lower than budgeted insurance rebate revenue (\$56k impact on pro-rata budget). These items were offset by higher than budget internal charges revenue.
Development & Tourism	(117,218)	(67,391)	57%	Variance of \$21k against pro-rata budget due predominantly to brochure advertising sales actuals of zero vs budget of \$40k. Income still to be received.
Supply Services	(26,315)	(11,115)	42%	Forecast supply services on-cost recoup was overly aggressive.
Total Corporate Services	(5,320,267)	(2,418,613)	45%	
Total General Fund	(34,714,962)	(24,333,536)	70%	
Warrumbungle Water	(2,969,046)	(2,516,068)	85%	Warrumbungle water revenue is currently 10% (\$289k) over the pro-rata budget due to: * Water access charges which are \$311k over the pro-rata budget. Water access charges are raised at the beginning of the year, and Council recognised these charges at 1 July - total recognised \$1.238m excl pensioner discount (\$3k over the annual budget); * Higher than budget water usage charges (\$220k over the pro-rata budget) due to the hot summer conditions; * Higher than budget private works (\$18k over pro-rata budget). These items were offset by the non-receipt of the water and sewer best practice report grant as at 31 March (\$225k impact on pro-rata budget) and water related investment earnings (\$72k under pro rata budget) as final amount for distribution not recognised until year end)
Warrumbungle Sewer	(1,446,726)	(1,013,641)	70%	Sewer charges (both access and consumption) are billed each quarter, and Sewer revenue is currently tracking 5% (\$71k) under the pro-rata budget. It is expected that sewer access charges may come in under budget by around \$36k at year end, and sewer consumption charges may also come in under budget although it is hard to forecast the final variance at this time.
Warrumbungle Waste	(1,915,463)	(1,862,383)	97%	Warrumbungle Waste revenue is currently at 97% of the budget, and should be per budget at year end. Although waste charges are raised at the beginning of the year (and are per budget), Council does receive waste related user charges and other revenues such as recycling revenue and tip fees during the year. These two items are both trending per budget.
Warrumbungle Quarry	(919,200)	(600,920)	65%	Quarry sales \$88k (10%) under the pro-rata budget. Blasting activities were recently completed, although crushing is still in progress. It is expected that external quarry sales will increase further post employment of a Quarry Supervisor and Project Manager.
Total Warrumbungle Shire Council	(41,965,397)	(30,326,548)	72%

Part 6: Recurrent Expenditure (Continued)

Description	Expenditure Revised Budget	Expenditure Actuals	Var %	Reason for Variance
General Revenue				
General Revenue	-	-	NB	N/A
Total General Revenue	-	-	NB	
Executive				
General Manager	1,014,999	804,391	79%	General Manager and Governance expenditure is currently over the pro-rata budget by 4% (\$43k) due to: * Higher than pro-rata budget donations (\$13k) as donations have all been paid as at EOM February; * Internal charges distributed in December (\$10k); * Other overspends relating predominantly to legal fees, and the Cobbora transition fund.
Human Resources	952,056	654,739	69%	HR expenditure is currently under the pro-rata budget by 6% (\$59k) due to: * Lower than pro-rata budget learning and development expenditure (\$20k). Training is seasonal and could return to budget by year end. * Lower than pro-rata budget recruitment expenditure (\$15k); * Lower than pro-rata budget WH&S expenditure (\$18k). Monies to be used for health program yet to commence.
Total Executive	1,967,055	1,459,130	52%	
Technical Services				
Technical Services Management	109,919	96,426	88%	Slightly over budget as journals have not been allocated to other areas of Technical Services.
Design Services	592,814	395,110	67%	Underspend due to vacant position.
Road Operations	4,582,446	3,369,623	74%	Road operations expenditure is 1% (\$67k) under the pro-rata budget due predominantly to: * Lower than pro-rata budget loan repayments (\$139k) as Council has not entered into the LIRS 2 loan; * Local roads bridges (\$39k - 88% under pro-rata budget); * Regional roads maintenance (\$82k - 8% under pro-rata budget); * Road Operations management (\$41k - 27% under pro-rata budget). These underspends were offset by the following overspends: * Local roads unsealed M&R (\$75k - 6% over pro-rata budget); * Local roads sealed M&R (\$51k - 16% over pro-rata budget); * Flood damage works now complete (\$95k - 61% over pro rata budget). The final budget for the year has also been exceeded by \$43k.
Road Contracts & Private Works	2,025,000	2,204,581	109%	Road contracts and Private works expenditure is currently over the pro-rata budget by 34% (\$685k). The quantity of works varies during the year, and work orders on the State roads have increased in the December and March quarters due to work on reseals.
Fleet Services	2,873,141	1,871,567	65%	Plant and equipment M&R is trending below budget.
Urban Services	2,876,462	2,353,216	82%	Urban Services year to date expenditure is over the pro-rata budget (7% - \$195k) due to: * Swimming pools \$112k over pro-rata budget due to the majority of expenditure happening in the months the pools are open. Swimming pools expected to trend per budget at year end. * Other activities in Urban Services \$85k over pro-rata budget (in total), partially due to the allocation of insurances and internal charges in December, but also due to the seasonal allocation of work, between capital and operational works during the year.
Total Tech Services (Excl Water/Sewer)	13,059,782	10,290,523	79%	
Environment & Community Services				
E&C Services Management	1,331,156	860,613	65%	Year to date E&C Service Management expenditure is 10% under the pro-rata budget (\$138k). This is largely due to: * Lower than pro-rata budget Building Control expenditure (\$50k) due to staff shortages; * Roughly \$40k worth of E&C Services Management salaries being coded against MSO. Journal to be completed by year end; * Local heritage payment still outstanding (\$7.5k);
Family Support Services	1,009,929	693,701	69%	Roughly per budget, although there is a slight underspend due to reduced children numbers in FDC. This is also repeated in revenue.
Regulatory Services	260,451	235,966	91%	Compliance Services expenditure is over the pro-rata budget by \$19k (87%). Noxious Weeds are over budget (97% ytd) as the payment of the noxious weeds contribution is made in the first quarter.

Description	Expenditure Revised Budget	Expenditure Actuals	Var %	Reason for Variance
Warrumbungle Community Care	744,469	630,008	85%	Warrumbungle Community Care is slightly over the pro-rata budget (\$72k) due to the mulit-service outlet where 90% of their annual budget has been spent as at 31 March 2014. This is due to: * Roughly \$40k worth of salaries being miscoded against MSO; * Employment of a contractor to undertake work in relation to transition funding (\$20k);
Yuluwirri Kids	1,229,467	830,907	68%	Underspend matches lower revenue receipts.
Total E&C Services	4,575,472	3,251,195	71%	
Corporate Services				
Corporate Services Management	193,023	159,016	82%	Roughly per budget
Administration & Customer Services	788,154	611,766	78%	Per budget
Bushfire & Emergency Services	2,506,936	579,602	23%	RFS expenditure under pro-rata budget as journals to recognise grossed up contribution to RFS only actioned at year end.
Finance	1,387,101	1,010,924	73%	Per budget
Communications & IT	1,081,920	761,471	70%	Per budget
Property & Risk	1,652,475	1,293,160	78%	Property and Risk branch is 3% over the pro-rata budget (\$54k) due to: * Property and risk \$107k over pro rata budget (9%) due predominantly to insurances being recognised at the beginning of the year (\$80k over pro-rata expenditure budget) and a low original insurance expenditure estimate; * Cemetery services expenditure \$21k (15%) below pro-rata budget due to dry conditions reducing mowing requirements; * Medical centres \$26k (33%) under pro-rata budget due to timing of maintenance work. Plumbing issues at Coona medical centre will use all budget in the coming months. Painting programed for Medical centre in Dunedoo. General maintenance also programed when required staff are available; * Public halls roughly per budget.
Development & Tourism	537,616	450,851	84%	Development & Tourism expenditure is currently 9% (\$48k) over the pro-rata budget due to: * Payment of Community Development grants (\$20k overspent against pro-rata budget). This item will be per budget at year end. * Maintenance of solar signs not fully funded by restricted assets \$20k; * Internal charges for the year recognised in December (\$6k);
Supply Services	378,108	286,670	76%	Per budget.
Total Corporate Services	8,525,333	5,153,460	60%	
Total General Fund	28,127,642	20,154,308	72%	
Warrumbungle Water	2,030,592	1,547,506	76%	Per budget.
Warrumbungle Sewer	1,023,493	778,725	76%	Per budget.
Warrumbungle Waste	1,935,919	1,499,600	77%	Per budget.
Warrumbungle Quarry	869,546	613,125	71%	Quarries under pro-rata budget due to contract expenditure in budget for blasting etc. being originally treated as costs associated with inventory. As the inventory is consumed, it is expensed. Inventory usage currently lower than forecast due to lower than forecast sales of product to date.
Total Warrumbungle Shire Council	33,987,192	24,593,264	72%

Asset	Expansion / Renewal	Finished?	Current Status
Plant and equipment	Expansion	No	Final project scope still under discussion. A large portion of funding to be re-diverted to the Finance Systems upgrade project.
Software	Renewal	No	Project planning stage has commenced. Go live date set for 1 July 2014.
Plant and equipment	Expansion	Yes	Complete
Plant and equipment	Expansion	No	Pending scoping report for TED Committee approval/endorsement.
Plant and equipment	Expansion	No	Budget to be spent on New Air Conditioning and apply for budget for disabled access next year
Plant and equipment	Renewal	No	Budget to be spent on New Air Conditioning.
Building	Renewal	No	Majority of the airconditioning has now been complete. Awaiting bills.
Furniture fixtures and fittings	Expansion	No	Currently on hold. Monies to be spent on refurbishment post termite damage
Building	Expansion	No	Work is underway. To be completed by EOFY.
Furniture fixtures and fittings	Renewal	No	Not yet commenced
Furniture fixtures and fittings	Expansion	No	Work has been requested. Currently awaiting staff availability.
Building	Renewal	No	Plans complete. Awaiting committee approval.
Building	Renewal	No	Complete. Some expenditure still coming through.
Furniture fixtures and fittings	Expansion	No	Currently on hold due to asbestos. Awaiting contractor for cleanup of affected areas.
Meters	Renewal	No	Delayed until 2014/15 - in 2014/15 budget
Building	Expansion	No	Delayed until 2014/15 - in 2014/15 budget
Mains	Expansion	No	Works to commence in May.
Treatment Plant	Renewal	No	Inviting quotations for preparation of an options report. Delayed until 2014/15 - in 2014/15 budget
Meters	Renewal	No	Delayed until 2014/15 - in 2014/15 budget

Description	Project Details	Orig Budget
Binnaway water treatment plant road seal	Sealing of unsealed road within the Binnaway water treatment plant to address access issues and WHS risks	-
Mains extension Yeulba St.	Extension of mains to lot 1 Yeulba St Binnaway (per Council resolution 79/1314)	-
Mains Replacement – Napier St, 420m	Council has still a number of asbestos pipes that are scheduled for replacement (developing cracks, end of useful life reached/approaching), Napier St BWY is one of them.	60,000
Water - Coolah		
Mains Extension - removal of dead ends	Removal of water main dead ends necessary to improve drinking water quality - no particular dead end(s) selected yet.	50,000
Wentworth St Reservoir Lining	Lining of Reservoir in Wentworth st. to repair leak.	-
Meter Replacement	Replacement of water meters	5,000
Coolah Water Mains Replacements	Replacement of water mains on Gilmore St. Coolah	-
Water - Coonabarabran		
Mains Extensions - Robertson and John st (230m)	Removal of two dead ends in John St and Robertson St.	60,000
Mains Extensions -Jubilee St, btwn Newell Hwy and Gunnedah Hill	Removal of two dead ends at Newell Hwy/Arnold St and Oxley Hwy/Gordon St.	100,000
Mains Replacement	Replacement of old cast iron mains that create complaints due to dirty water (like Dalgarno St last FY); exccat location not decided yet, suggested is e.g. Camp St	70,000
Meter Replacements	Replacement of water meters	10,000
Coonabarabran W Reservoir Fence-Cap	Work on Reservoir fence	-
Water - Dunedoo		
Mains Extension-Evans St, btwn Sullivan and Bullinda St (660m)	Removal of a dead end.	50,000
Meter Replacements	Replacement of water meters	5,000
Reservoirs-Rehabilitation	Reservoir lid not bird proof and made from asbestos sheets where the paint starts to peel off at some places. --> the old lid needs to be removed and a new one constructed and put on under consideration of current structures on top of the reservoir.	61,000
Mains Replacement - Bolaro St, Tallawang St to Merrygoen St (210m)	Old asbestos pipe that has been frequently cracking needs to be replaced in the main street. Work will have to be performed after hours as businesses rely on water supply during the day.	60,000
Dunedoo W Backup Bore & Dev /Imp	Back Up Bore Development & Implementation	-
Water - Mendooran		
Meter Replacements	Replacement of water meters	5,000
Water Pressure Project	Investigate and rectify Mendooran reticulated water pressure issue, particularly when using the town reservoir (installation of a pressure pump at that reservoir may be necessary).	30,000
Warrumbungle Water Total		721,000
Warrumbungle Sewer		
Sewer - Baradine		
Sewage Treatment Plant-Disinfection Plant-renewal	Some of the components of the vacuum system (pods) are wearing out and need replacement. Also the head of works at the oxydation ponds out of town are heavily corroded (from H2S in the sewerage) and need refurbishing.	10,000
Sewer - Coolah

Asset	Expansion / Renewal	Finished?	Current Status
Treatment Plant	Expansion	Yes	Work completed.
Mains	Expansion	Yes	Work completed. Costs yet to be allocated.
Mains	Renewal	No	Not commenced. To be revoted.
Mains	Expansion	No	Delayed until 2014/15 - in 2014/15 budget
Reservoirs	Renewal	No	Preparation in progress.
Meters	Renewal	No	Several meters replaced. Remainder delayed until 2014/15 - in 2014/15 budget
Mains	Renewal	Yes	Work completed.
Mains	Expansion	No	Works completed in April.
Mains	Expansion	No	Delayed until 2014/15 - in 2014/15 budget
Mains	Renewal	No	Material ordered for Cassilis St mains replacement.
Meters	Renewal	No	Several meters replaced. Remainder delayed until 2014/15 - in 2014/15 budget
Structure	Renewal	No	Delayed until 2014/15 - in 2014/15 budget
Mains	Expansion	No	Delayed until 2014/15 - in 2014/15 budget
Meters	Renewal	No	None replaced yet.
Reservoirs	Renewal	No	Asbestos inspection complete.
Mains	Renewal	No	Partially replaced due to occurring mains break. Remaining work delayed until 2014/15 - in 2014/15 budget.
Pumping Station	Expansion	No	In progress.
Meters	Renewal	No	Delayed until 2014/15 - in 2014/15 budget
Pumping Station	Expansion	No	Town reservoir taken back online. Pressure investigation program planning in progress.
Treatment Plant	Renewal	No	Not commenced; schedule for October 2013 - May 2014

Description	Project Details	Orig Budget
Sewage Treatment Plant-rehabilitation/upgrades	Installation of an eye-wash station (WHS), trial run of a product to help improve the treatment process and meet EPA thresholds.	25,000
Water Jet	Purchase of new water jet for sewer maintenance in Coolah and Dunedoo	-
Sewer - Coonabarabran		
Mains-Relining various sections	Relining of old sewer mains refurbishes them (root damage) and reduces sewer chokes and infiltration (higher loads for STP during/after rain periods). The appropriate sections to be relined need to be identified (frequent chokes, sewer camera) and a contractor engaged for relining	130,000
Replace Steel sewer rods	Replace tools and tool components for sewer mains maintenance.	3,000
Coonabarabran Sewer Access Dump Points	Dump points for RVs (all towns)	-
Sewer - Dunedoo		
Sewage Treatment Plant-upgrade and renewal	Installation of an eye-wash station (WHS), repair floats on aearator to optimise submersion depth, re-equip lab with proper analysisequipment.	25,000
Warrumbungle Sewer Total		193,000
Warrumbungle Waste		
Expansion of Coonabarabran Waste Landfill Site	Expansion of existing landfill site	-
Upgrade of Ulamambri Transfer Station	Upgrade of Ulamambri Transfer Station so as to be operated by Council staff	-
Warrumbungle Waste Total		-
Warrumbungle Quarry
