Draft Plan Submission

From : Thompson and Leathart 'tibuc@skymesh.com.au'
To : Records Officer 'info@warrumbungle.nsw.gov.au';
Sent : 12 June 2014 16:07:59

To Warrumbungle Shire Council,

This is a submission on the draft Delivery Program 2014-15 to 2017-18 and the draft Operational Plan 2014-15.

Recently we were pleased to learn that Council had allocated \$50,000 to instal photovoltaic solar panels on the roof of the new Council Chambers in Coonabarabran. However we were disappointed to hear that this solar power system has not yet been installed.

We ask that this solar power system be installed during the 2014-15 year and that the draft Plans be amended to give priority to this action.

Further, we ask that Council allocate a similar amount each year so as to enable the progressive installation of solar power on all Council buildings and other suitable infrastructure throughout the Shire. The long-term savings in electricity bills will be very significant and we can all be proud that our Council is actively working to reduce greenhouse gas emissions.

Sincerely,

Meg Leathart and Peter Thompson
