Summary Local Heritage Fund Annual Report

These reporting requirements must be completed to claim funds for your local heritage fund.

The Heritage Branch will reimburse our funding share according to the funding agreement with council for that financial year.

- STEP 1. Council issues project Funding Agreement offers to successful applicants specifying the exact work to be funded, required supervision and completion date.
- STEP 2. Prior to the project commencing, Council (and/or applicant) should take photographs for use in the Council final report to the Heritage Branch.
- STEP 3. Once the project is completed, the Council heritage officer or heritage advisor will inspect the project and take a photo of the project.
- STEP 4. The council heritage officer or heritage advisor (or heritage specialist) will also complete and sign off a **Project Compliance Certification Form** for the project. This form must be submitted to Council before the project funding can be paid.
- STEP 5. Complete Templates A and B and email to the Heritage Branch by 15 May each year as your claim for your Local heritage fund reimbursement. (DO NOT post as we have a paperless office).
- **Template A** - A one page summary report on all completed projects
 - **Template B** - A one page final project report for each project

Note: Information included in this summary report can also be used to complete your local Council Heritage Strategy annual report.

Warrumbungle Shire Council Local Heritage Fund for 2013-14 financial year
