Dear Sir,

ROAD NAMING PROPOSAL FOR THE UNNAMED LANE 2.6 KILOMETRES SOUTH OF THE NEWELL HIGHWAY ON THE WARRUMBUNGLES WAY.

In response to the public notice in the Coonabarabran Times and having a deadline of 4pm on 14/9/2018, we wish to advise our decision as to the name of this unnamed road is as follows.

As all the names we have suggested have been rejected by the Geographical Names Board or others, I have spoken to Maureen Sulter (a local Aboriginal elder) and asked for her assistance in finding something suitable in the Kamilaroi/Gamilaraay language.

Maureen also knew and respected Ann Savage, "MIRII" means star in the Gamilaraay language and we feel this would honour Ann's name as well as the local Aboriginal culture of this area.

The name "MIRII LANE" fits the criteria of the following documents.

(a) AS/NZS 4419:2011 Rural and urban addressing.

(b) NSW Addressing User Manual

September 2016 ISSN: 2204-9460

The following people have property adjoining this unnamed road and agree on the name "MIRII LANE", this is the name we are proposing, not Astronomer's Way/Walk.

Wally and Linda Walker. Jennifer Sansom.

Darryl Chapman. Maleisah and Jason Eshman.

Terry and Helen Rayner.
