Subject: Request for Road Name Change - Booloolo Road to Wool Rd

Att: Kevin Tighe

Hi Kevin,

In regards of the attached request to rename Booloolo Rd to Wool Rd in Gunnedah Shire, we have done some research in the area and are unable to find the gazettal of Wool Rd. We have also gone to various road maps both government based and public and find no reference to Wool Rd. Please see below an image from LPI's Six Maps.

Due to past experiences with neighbouring councils gazetting roads passing through our shire without notification and the problems caused by this with regards to our emergency services and rural addressing, and the history of the road (the road was named after a significant property in the former Liver Pool Plains Shire Council), Council will not consider any road gazettals without proof of gazettal and date of gazettal along with proof of notification to us that the road was to be renamed prior to the gazettal.

Also, as a test, we tried to find Wool Rd on 3 different GPS navigators (1 Navman and 2 different Garmin units) and could not locate it. When Booloolo Rd was entered the entire road was found.

Could you please send me a copy of the gazettal so that we may review it?

Regards,
