<ul style="list-style-type: none"> What will the funds be used for? When will the project be started / completed? How does this project / activity meet the assessment criteria? 	<p>The Funds will be used for the screening rights of 'Saving the Dark' and the hiring of film screening equipment to be played at the International Dark Sky Week Party to be hosted on the evening of 6th April, 2019.</p> <p>International Dark Sky Week (IDSW) is an internationally recognised week of events hosted all over the world. On discovering IDSW existed only recently, 2357 Partnerships Inc. has worked to encourage a series of events over the week culminating in an IDSW Party. This event is aimed at connecting, celebrating and educating our community and more broadly with tourism in a fun family format of the International Dark Sky Park right on Coonabarabran's doorstep. We approached CJC who is hosting the venue, insurance and operating a bar for the event. We invited the Coonabarabran Highschool P&C to sell affordable multicultural meals and have the Astronomical Society, Girl Guides and the RDA running activities on the night. Funds raised will go to these groups in various ways as entry is free. We hope this to be an innovative start for future tourism and community activity for every IDSW in the future. More detail of all IDSW events and this event on https://www.2357.org.au/idsweek2019</p>
Budget	
<p>Amount of funding requested – maximum \$500</p> <ul style="list-style-type: none"> How will funding be spent? Are there any in-kind contributions? Is there any other funding for the project / activity? 	<p>We are requesting \$500 in total \$280 for the film licence and \$220 for hire of the film screen equipment. There is huge in-kind contributions from 2357 Partnerships CDC and committee time and organisation, CJC jockey club for insurance, venue and bar management, Coona High P&C catering, Girl Guides running children's activities, Indigenous Welcome to Country, Coonabarabran Astronomical Society running night sky viewing for children, Donna the Astronomer talking about astronomy with children. We have sought sponsorship from the Regional Australia Bank for marketing and promotion and will be receiving \$300 and are awaiting sponsorship confirmation from APM Advanced Personnel Management but are yet to hear of amount. Planning forward we hope to apply for grants in the future. At this stage 2357 Partnerships Inc is putting forward the money for the film but hope we can recoup our expenditure.</p>

<ul style="list-style-type: none"> • What will the funds be used for? • When will the project be started / completed? • How does this project / activity meet the assessment criteria? 	<p>The fund will be used to sponsor a child or family in Mendooran to attend the senior school excursion in 2019. This years excursion is to the snow fields and is anticipated to cost around \$525. There are several families in Mendooran who may benefit from financial assistance and this money would be used to sponsor a family that has several children who would be eligible for the excursion. With several children in the one family the cost of the trip could well exceed \$1000-\$1500 for the one family, a cost too big for many Mendooran families to bear. Mendooran is a town where there is a low average income and little financial support. This would assist to fill a gap in service in Mendooran as there are very few organisations in town that provide such assistance. The youth group has been sponsoring kids to attend similar trips for the past 4 years, which has become very expensive.</p>
Budget

Using the AppPresser system, a website established can be turned into an app that will work for iPhone and Android devices. The app can feature news, events, imagery and other content that acts as a promotions tool for locals and visitors alike. Importantly, it can feature "Push" notifications which are the main star feature of apps, allowing people to be notified of events and activities in the area. It can also be tied into the Coonabarabran Facebook page also for enhanced reach. This is a significant way to promote the area, enhance online interactivity and promote growth in a way that has not been done before in our shire.</p> <p>The project can be started immediately and the first versions of the app should be live within three months.</p>

What will Council funds be used for? Purchase of new racing flags and training equipment

Expected completion date for the project / activity? September 19

How does this project / activity meet Councils assessment criteria? The Dunedoo Amateur Swimming Club provides a valuable service offering training 3 times a week, time trials weekly and an annual swimming carnival. All of these require the use of flags across the pool to enable swimmers to know their best position in the water. These flags were damaged during a storm at the end of the season and it would be extremely beneficial to have new flags ordered, purchased and ready to go for the start of the next swimming season. The DASC is also in need of new training equipment as a lot of the current equipment is in poor condition and has been extensively over many years. The DASC currently has 10 members attending the PSSA State Swimming carnival on the 10th & 11th April and most of the remaining members received excellent results and the Dubbo District Swimming Carnival, Western Area Championships, Speedo Races Heats in Sydney and Brophy Meet in Canberra. The DASC has a great bunch of excellent swimmers and would like to encourage these and new swimmers to continue with their swimming excellence in the future.

Budget:

Expected project / activity income and expenditure noting own funds or other contributions and request from Council.

17 – 26 MAY 2019

31st December 2018

Mr. [Name]
Warrumbungle Shire Council
P.O. Box 191
COONABARABRAN NSW 2357

Dear [Name],

The Art Unlimited Committee would like to thank you for our support in previous years, and, invite you to be involved as a sponsor of the tenth Art Unlimited, to be held from 17th to 26th May 2019.

For the past decade, Art Unlimited has brought significant benefit to Dunedoo, attracting large numbers of visitors to the district. It is a source of pride and positivity for locals who demonstrate that a small rural community can present a professional and well respected art event.

The success of Art Unlimited is dependent upon the generous support of our sponsors, providing the funding essential in staging such an event.

The committee has commenced planning and as such, invite you to be a part of Art Unlimited 2019.

I would be most obliged if you would confirm your intended support at your earliest convenience, by either phonecall, text or email (Ph: [Number]).

I look forward to hearing from you.

Yours sincerely
