Part 1 - INTRODUCTION

Title and Commencement of the Policy

1.1 This Policy shall be cited as the Policy for the Payment of Expenses and Provision of Facilities to Councillors and is effective from 17 December 2009.

In this Policy, unless otherwise stated, the expression "Councillor" refers to all Councillors of Warrumbungle Shire Council including the Mayor and Deputy Mayor.

MINUTES OF THE ORDINARY MEETING OF THE WARRUMBUNGLE SHIRE COUNCIL HELD AT THE COONABARABRAN TOWN HALL ON THURSDAY, 17 DECEMBER 2009 COMMENCING AT 11.08AM PAGE 5

Purpose of the Policy

1.2 The purpose of this Policy is to ensure that there is accountability and transparency in the reimbursement of expenses incurred or to be incurred by the Councillors. The Policy also ensures that the facilities provided to assist and support the Councillors to carry out their civic functions are reasonable.

Objectives and Coverage of the Policy

1.3 The objective of this Policy is to describe those expenses incurred or to be incurred by, and the facilities provided to, the Councillors the cost of which shall be met by Council.

This Policy aims to uphold and demonstrate the following key principles:

- **Conduct.** Councillors must act lawfully, honestly and exercise a reasonable degree of care and diligence in carrying out their functions under the *Local Government Act 1993* ("the Act") or any other Act.
- **Participation, equity and access.** The provisions of the Policy are to be nondiscriminatory and used in an equitable manner to enable the full participation by Councillors from different walks of life. The provisions of the Policy shall also be at an appropriate level to encourage members of the community, particularly under-represented groups such as those in primary caregiver roles, to seek election to Council by ensuring that they would not be financially or otherwise disadvantaged in undertaking the civic functions of a Councillor.
- Accountability and transparency. The details and range of benefits provided to the Councillors are to be clearly stated and be fully transparent and acceptable to the local community.
- **Reasonable expenses.** Councillors shall only be reimbursed for expenses reasonably incurred in the performance of their role as a Councillor.

Only those entitlements specifically described in this Policy shall be provided by Council.

Basis of this Policy

1.4 The relevant legislative provisions for this policy are set out below. In this legislation the expression "year" means the period from 1 July to the following 30 June.

Local Government Act 1993

- (3) Despite subsections (1) and (2), a council need not give public notice of a proposed amendment to its policy for the payment of expenses or provision of facilities if the council is of the opinion that the proposed amendment is not substantial.
- (4) Within 28 days after adopting a policy or making an amendment to a policy for which public notice is required to be given under this section, a council is to forward to the Director-General:
 - (a) a copy of the policy or amendment together with details of all submissions received in accordance with subsection (1), and
 - (b) a statement setting out, for each submission, the council's response to the submission and the reasons for the council's response, and

(vii) the expenses of any spouse, partner or other person who accompanied a councillor in the performance of his or her civic functions, being expenses payable in accordance with the Guidelines for the payment of expenses and the provision of facilities for Mayors and Councillors for Local Councils in NSW prepared by the Director-General from time to time, (viii) expenses involved in the provision of care for a child of, or an immediate family member of, a councillor, to allow the councillor to undertake his or her civic functions,

403 Payment of expenses and provision of facilities

A policy under section 252 of the Act must not include any provision enabling a council:

- *(a) to pay any councillor an allowance in the nature of a general expense allowance, or*
- (b) to make a motor vehicle owned or leased by the council available for the exclusive or primary use or disposition of a particular councillor other than a mayor.

Also, under Section 248A of the Act Council must not, unless otherwise permitted, pay an annual fee to a Councillor for any period during which the Councillor is suspended from civic office or the right to be paid any fee is suspended.

Under Section 254A of the Act Council may resolve that an annual fee not be paid to a Councillor or the amount reduced if the Councillor is absent, with or without leave, from meetings of the Council for a period not more than 3 months or in any circumstances prescribed by regulation. A fee must not be paid if the period of absence exceeds 3 months.

Under clause 404 of the Regulation a prescribed circumstance for non-payment or reduction of a Councillor's annual fee is where payment would adversely affect the Councillor's entitlement to a pension, benefit or allowance and the Councillor is agreeable to the non-payment or reduction.

A Councillor may elect not to accept any entitlement under this Policy, except that the Mayor and every Councillor must be paid the appropriate minimum fees determined by the Local Government Remuneration Tribunal (unless the provisions of Section 254A of the Act apply). Payment of the appropriate minimum fees determined by the Remuneration Tribunal is a requirement of Sections 248 (4) and 249 (4) of the Act.

Part 2 - PAYMENT OF EXPENSES

This Policy is intended to cover most situations where a Councillor reasonably incurs expenses in discharging the functions of civic office. The annual fee paid to each Councillor is generally not intended to offset those costs.

The payment of allowances and reimbursement of expenses under this Policy shall only be in respect of costs directly associated with discharging the functions of civic office.

2.1 Councillors' Fees

Councillors will be paid an annual fee in accordance with the recommended maximum as advised by the Local Government Remuneration Tribunal. The fees payable by Council are payable by monthly instalments in arrears for each month (or part of a month) for which the Councillor holds office. Councillors annual fees do not fall within the scope of councillor expenses and facilities.

2.2 Establishment of Monetary Limits and Standards

Monetary limits prescribed in this Policy set out the maximum amount payable in respect of any facility or expense. Any additional cost incurred by a Councillor in excess of any limit set shall be considered a personal expense that is the responsibility of the Councillor. All monetary amounts stated are exclusive of GST.

Where applicable the standard of any equipment, facility or service to be provided shall be to the maximum standard prescribed in this Policy.

2.3 Requirement for receipts

Council will not reimburse any expenses unless a receipt (*or tax invoice*) is produced *and the necessary claim forms completed*.

MINUTES OF THE ORDINARY MEETING OF THE WARRUMBUNGLE SHIRE COUNCIL HELD AT THE COONABARABRAN TOWN HALL ON THURSDAY, 17 DECEMBER 2009 COMMENCING AT 11.08AM PAGE 10

2.4 Payment of Reimbursed claims

Councillors are to submit all claims for reimbursement, including all travel expenses, to the General Manager or delegate in a form and manner acceptable to the General Manager in the circumstances to enable full assessment of the claim on a monthly basis and these will be paid with their monthly allowance. Tax invoices and receipts are to be supplied to support claims. All payments to Councillors will be via direct deposit to their nominated bank account. *Councillors are to seek reimbursement for their expenses within three (3) months of the expense being incurred.*

Should a determination be made that a claim should not be paid, the General Manager shall explain such decision to the Councillor and should the Councillor still believe that the claim should be paid, in part or in full, it shall be considered that a dispute exists.

In the event of a dispute at any time regarding this Policy, the parties to the dispute shall provide a written report on the nature of the dispute. The General Manager shall submit such reports to the next meeting of Council to have the dispute determined by a resolution of Council having regard to this Policy, the Act and any other relevant law. The decision of Council shall be binding on all of the parties.

2.5 Accommodation and meal expenses

Council will provide reasonable expenses for each night of authorised attendance by elected members and/or the General Manager at conferences or seminars on behalf of Council, or as participants or on authorised Council business.

Councillors shall be accommodated in the hotel where the conference, seminar, or training course is being held or the nearest hotel to it that is of a similar standard, or as authorised by the host organiser where the conference is not located within the Sydney metropolitan area. Accommodation shall be provided at the rate of a double room.

Such attendance to be confirmed by Council with reimbursement of costs and expenses to be made upon the production of appropriate receipts and/or tax invoices and completion of the required claim forms. Alternatively, accommodation can be booked by Council order form and allowance for incidental expenses as provided under clause (2.6).

2.6 Incidental Expenses

Incidental expenses such as taxi or public transport fares, parking fees, phone/fax expenses and expenses incurred as the result of the purchase of refreshments during meetings related to council business or meals not included in the registration fees for conferences or similar functions, will be reimbursed by Council on production by the Councillor of the relevant receipts together with an approved claim form.

Council will not meet any expenses for alcohol, cigarettes or personal requirements. Council will not fully fund any activity where the Councillor is not in attendance for at least 90% of the specified activity. Other than in the most exceptional circumstances, where Councillor's expenses have been met by Council but the Councillor does not attend

MINUTES OF THE ORDINARY MEETING OF THE WARRUMBUNGLE SHIRE COUNCIL HELD AT THE COONABARABRAN TOWN HALL ON THURSDAY, 17 DECEMBER 2009 COMMENCING AT 11.08AM PAGE 11

at least 90% of the activity, that Councillor will be required to show cause why they should not reimburse Council for any costs incurred.

2.7 Payment of expenses for spouses, partners and accompanying persons

In this clause accompanying person means a person who has a close personal relationship with a Councillor and/or provides carer support to the Councillor.

Where the attendee is accompanied at a conference or seminar by his or her spouse or partner or accompanying person, the attendee will be required to meet all costs associated with their spouse or partner or accompanying person's travel expenses, additional accommodation expenses, tours and attendance. (There is provision for spouses, partner or accompanying person to attend the Local Government and Shires Association conference with limiting of expenses of spouses etc to the cost of registration and official conference dinner.)

Council will meet the reasonable costs of spouses and partners or an accompanying person for attendance at official council functions that are of a formal and ceremonial nature. Such functions would be those that a Councillor's or General Manager's spouse, partner or accompanying person could be reasonably expected to attend. Examples would be Australia Day award ceremonies, citizenship ceremonies and civic receptions.

Costs and expenses incurred by the Mayor (or General Manager or nominee) on behalf of their spouse, partner or accompanying person shall be reimbursed if the cost or expense relates specifically to the ticket, meal and/or direct cost of attending the function. Each Councillor is entitled to a maximum of \$410 per year of term for external payments in respect of these types of expenses.

2.8 Payments in advance

Councillors may request payment in advance in anticipation of expenses to be incurred in attending conferences, seminars and training away from home or for the cost of service associated with a civic duty. Councillors must fully reconcile all expenses against the cost of the advance.

Within one (1) week of incurring the cost and/or returning home the Councillor shall submit the details to the General Manager for verification and pay back to Council any unspent money. The level of the supporting documentation is to be commensurate with the nature of the expenditure. The maximum value of a cash advance is \$512.

2.9 Approval arrangements

Approval for discretionary trips and attendance at conferences and the like should be where possible, approved by a full meeting of the Council. If this is not possible then the approval should be given jointly by the Mayor and the General Manager. If the Mayor requires approval to travel outside of council meetings it should be given jointly by the Deputy Mayor or another Councillor and the General Manager.

After returning from the conference, Councillors or a member of council staff accompanying the councillor/s, should provide a written report to council on the aspects of the conference relevant to council business and/or the local community. No written report is required for the Annual Conferences of the Local Government and Shires Association.

Requests for attendance at other conferences or seminars should be lodged in writing outlining the benefits for Council.

Council will meet the costs of conference / seminar registration fees including the costs of related official lunches and dinners and associated tours where they are relevant to the business and interests of the Council. Council will also meet the reasonable cost of transportation and accommodation associated with attendance at the conference and Council shall meet the cost of breakfast, lunch and dinner for Councillors where any of the meals are not provided as part of the conference, seminar or training course.

Registration fees for attendance at Council approved conferences and seminars will be paid by Council. These fees will include the costs of related official lunches and dinners and associated tours where they are relevant to the business and interests of the council.

2.12 Travel Expenses

All travel by councillors should be undertaken by utilising the most direct route and the most practicable and economical mode of transport subject to any personal medical considerations.

Travel arrangements can include the use of a private vehicle, public transport, taxis, or travel using a council vehicle. Costs associated with parking fees and road tolls will be refunded on production of a receipt. The driver is personally responsible for all traffic or parking fines incurred while travelling in private or council vehicles on council business.

MINUTES OF THE ORDINARY MEETING OF THE WARRUMBUNGLE SHIRE COUNCIL HELD AT THE COONABARABRAN TOWN HALL ON THURSDAY, 17 DECEMBER 2009 COMMENCING AT 11.08AM PAGE 13

- Distance travelled
- Fares and parking fees paid
- Amount claimed as travelling allowances
- Total amount of claim

Travel in a Councillor's own vehicle to Council and Committee meetings, formal or social functions or activities or other meetings involving the community whilst representing Council where attendance is approved by the Mayor and/or General Manager is to be paid at the per kilometre rate payable for claims by staff in the Local Government (State) Award.

Where the approved meeting, function or activity is within the Warrumbungle Shire Council boundary, reimbursement shall be on the basis of the distance from the Councillor's principal place of residence (if it is within the Warrumbungle Shire Council boundary) to the venue or, if the Councillor resides outside the Warrumbungle Shire Council boundary, from the Warrumbungle Shire Council boundary to the venue.

Where the Councillor uses his/her own vehicle to travel to an approved function that is outside the Warrumbungle Shire Council boundary then council's reimbursement will be based on the total distance travelled from residence to venue and return if the Councillor resides within the Warrumbungle Shire Council boundary. If the Councillor does not reside within the Warrumbungle Shire Council boundary, then Council will reimburse the distance either:

- a) from the Councillor's residence to the venue, or

Travel associated with authorised conferences, seminars and meetings may be undertaken by Council vehicle (where available) subject to prior approval by the General Manager, with fuel expenses etc. to be met by Council.

Elected members using private vehicles will be paid the kilometre rate to a maximum payment, which is not to exceed economy class air fares to and from the particular destination.

All travel by Councillors that involves an overnight stay of one or two nights must be authorised in advance by the Mayor and General Manager (or in the event that the Mayor requires approval to travel outside of council meetings approval should be given jointly by the deputy mayor or another councillor and the general Manager.)
