Re: Medical Practitioner availability Rural/
Regional locations.

Dear Sir,

Quite recently I wrote to the Hon. Mayor
respecting the critical lack of G. P.'s at
Dunedoo and indeed, Coolah.

I have since had a brief face to face
discussion with the Mayor. Further, I have
today written to him.

Ordinarily I would have sought permission
to address Council on 18 February.

Regrettably I will be unable as I will be
confined following surgery.

The Mayor perhaps may elect to table my
documents for discussion. If considered
appropriate I would be pleased if my
intentions to otherwise address Council
might be received and noted.

Sincerely yours, Warren Bull.
