

BUSINESS USE OF FOOTPATH

Application Form - Temporary Use Only

This form is to be used for Temporary Business Permits which are a one off or occasional use of footpath for both business and community groups.

The personal information that Council is collecting from you will be managed in accordance with the Privacy and Personal Information Protection Act 1998 (PPIP Act). Your personal information will only be utilised by Council officers and for the purpose it was collected. Enquiries may be directed to Council's Public officer concerning the PPIP Act and your right of access to your personal information that is held by Council.
