

Dwelling house or secondary dwelling affected by natural disaster

- (1) The objective of this clause is to enable the repair or replacement of lawfully erected dwelling houses and secondary dwelling that have been damaged or destroyed by a natural disaster.
- (2) This clause applies to land in the following zones—
 - (a) [*set out the zones to which the clause is to apply*],
- (3) Despite any other provision of this Plan, development consent may be granted to development on land to which this clause applies to enable a dwelling house or secondary dwelling that has been damaged or destroyed by a natural disaster to be repaired or replaced if—
 - (a) the dwelling house or secondary dwelling was lawfully erected, and
 - (b) the development application seeking the development consent is made to the consent authority no later than 5 years after the day on which the natural disaster caused the damage or destruction.
