

Community Consultation Meetings Action List

Round 2 – 2017

BINNAWAY

Binnaway

Community Consultation Meeting Action List

Meeting Date: 13 November 2017

Minute / Action Required	Directorate	Progress
<p>Oak Valley – Gamble Creek Road Concerns were raised regarding works in this area. It was requested that works be completed. Council advised that they need advice on this project in relation to soil conservation. Soil Conservation people are currently working on projects with Council. When these projects are finished they can start on this project. The completion of these works is on Council's list. Progress will be reported at the next meeting.</p>	TS	A/DTS – In progress
<p>Pumphouse Campground – Septic Problems Residents highlighted issues with the septic at the Pumphouse Campground. There is no dump point due to there not being sewerage. It was however suggested that there are dump points that don't require sewage. Council will investigate whether or not one of these can be installed.</p>	TS	A/DTS - In progress. Under investigation.
<p>Mow Rock Brigade A resident enquired about this as they had heard the funds are there. Council advised that it has had to go to the Roads and Maritime Service (RMS). Council committed to following up to see where this is at.</p>	DS	A/DS – In progress.
<p>Softfall – Len Guy Park Residents raised concerns about the softfall in Len Guy Park needing replacing. Council advised that it was patched 2 years ago, however it does need further patching or replacement. There is a funding allocation of \$20,000 in the budget however, replacement will cost around \$32,000.</p>	TS	A/DTS – Will be addressed at Budget time.
<p>Mow Rock Road Concerns were raised about the state of Mow Creek Road. It was noted that it was graded around two (2) years ago. Council confirmed it is on the list to be graded.</p>	TS	A/DTS – Not scheduled. Category 3 = every 5 years.
<p>Town Sewerage Residents asked about any progress in relation to the installation of sewerage in Binnaway. Council advised that the NSW Government has announced the Safe and Secure Water Program. This program will provide co-funding that will target water and sewerage projects in regional NSW to ensure infrastructure meets contemporary standards for water security, public health, environmental and safety outcomes into the future. The program will provide co-funding to successful applicants such as local Councils, water</p>		A/DTS – As advised at the meeting, Council has lodged an EOI under this program for sewerage for Binnaway. If successful in the EOI process, Council will commence a full application which will include preparation of a business case and extensive community consultation.

<p>utilities, water corporations and prescribed dam owners for detailed planning and construction activities to install, augment or decommission water and sewerage infrastructure. The program includes an Expression of Interest process followed by a full application. Council has lodged an EOI under this program for sewerage for Binnaway. If successful in the EOI process, Council will commence a full application which will include preparation of a business case and extensive community consultation.</p>		
<p>Dip In Road – Renshaw Street and Warrumbungle Way It was unclear who placed this item on the Agenda. Those in attendance noted that the dip is there to help in slowing people down. It was noted that there is a sign but it might not be as visible as it could be. Council indicated they would check the location and visibility of the sign and move if required.</p>	TS	A/DTS – Referred for investigation.
<p>Unsealed Roads Residents highlighted that Ironbark Road is the only road in town not sealed. Residents recommended that this road be sealed. It was suggested that this project be put forward for funding as part of Council’s budget process.</p> <p>Residents also raised concerns about Leader Road. It was reported that there are barriers to double decker stock trucks getting to properties, as well as other issues. Issues are currently being addressed by local landholders.</p> <p>Concerns were also raised by residents in relation to Box Ridge Road. It was reported that issues with the road are resulting in vehicles being damaged. Council advised that a grader will be heading out to Box Ridge Road this week – subject to water being available. Residents offered to supply water. Council advised they would discuss the offer to provide water after the meeting.</p> <p>Council acknowledged the value of local knowledge in addressing these issues and encouraged residents to contact Council to raise and discuss their concerns.</p>	TS	<p>A/DTS – As suggested at the meeting, residents could put forward this project as a budget submission</p> <p>A/DTS - ✓</p> <p>A/DTS – Completed in 2017 (16 Nov – 14 Dec)</p> <p>A/DTS - ✓</p>
<p>Skip Bins Residents enquired as to what was happening with putting the skip bins back at the local tip. Council advised that they are working through the tender process in relation to this.</p>	DS	A/DDS – Still in progress.

<p>Drill Sites – Deep Bores Questions were asked regarding the drill sites for deep bores in Binnaway. Council advised that they received funding to install a back up water supply bore. A bore has been sunk in Binnaway and is working. Further works still to take place in relation to this.</p>	<p>TS</p>	<p>A/DTS - In progress. Contractors have been engaged for connection.</p>
<p>Binnaway New Mollyan Road Council was asked when the centre lines on the Binnaway New Mollyan Road were going to be repainted. Council advised that there is a move away from line marking local roads. The community felt that the lines needed to be marked. Council advised that there is currently a traffic counter on there and an assessment will be made following the collection of this data.</p>	<p>TS</p>	<p>A/DTS - In progress. Under investigation.</p>
<p>George Street and Railway Street Residents raised concerns about derelict houses which are creating a fire hazard. Council to investigate.</p>	<p>DS</p>	<p>A/DDS – Fire inspection ongoing.</p>
<p>Signage in Len Guy Park Residents noted that littering signs need to be updated. Council confirmed that this will be actioned.</p>	<p>TS</p>	<p>A/DTS – Forwarded to Supervisor for inspection and action.</p>
<p>Development Application – Pumphouse Campground Residents enquired as to the progress of the Development Application for the Pumphouse Campground. Council advised that it hasn't started because Council still doesn't own the land.</p>	<p>DS</p>	<p>A/DDS – The process of acquiring land still in progress.</p>
<p>Community Litter Grants Council were asked if they had applied for any Community Litter Grants. Council committed to follow this up.</p>	<p>CCS</p>	<p>DCCS – In progress as grants become available.</p>
<p>Sport and Recreation Infrastructure Residents asked about the potential for Council to apply for more funding for sport and recreation infrastructure. Council provided a number of examples about funding that have been applied for, noting that many of the funding programs require a dollar for dollar contribution from Council.</p>		<p>A/DTS –✓</p>
