		<p>Council offices. Media release and Facebook posts to be posted in new financial year.</p> <p>Online payment for pool season passes would involve application form lodgement and invoice created that provides BPay or similar referencing to allow payment online. Once payment received Pool Pass could be issued.</p>	
<p>4 (R1-2019/20) Communication with Council</p> <p>Marg Haley raised concerns about the telephone message call back and records management system (and required actions) not improving at Council.</p> <p>Action: GM to find out who Marg has spoken to/ left messages with and will follow up.</p>	<p>ES</p>	<p>Update: GM - Contact was made with Marg Haley on 22 and 23 October 2019 concerning the communication matter.</p>	<p>Complete</p>
<p>5 (R1-2019/20) Microgrid Feasibility Study</p> <p>Marg Haley has noted in the Coolah Diary, Mark Coulton has announced a regional & remote reliabilities community study into the viability of communities implementing small, self contained power systems making power inexpensive. This could attract more small business to the region.</p> <p>Action: DEDES to investigate and advise</p>	<p>EDS</p>	<p>Warrumbungle LGA did not meet the eligibility for funding for feasibility study</p>	<p>Complete</p>
<p>6 (R1-2019/20) SMART Recycling Projects Funding</p> <p>Community stated interest in setting up alternate recycling options and</p>	<p>EDS</p>	<p>Council is conducting a study into recycling and alternative options for</p>	<p>Being investigated</p>

Minute / Action Required	Directorate	Progress	Status
<p>has looked into the University of NSW project of setting up micro-factories to recycle plastic goods into other products. Marg noted that this had the potential to encourage new business to the region and provide employment.</p> <p>Action: DEDS to investigate and follow up</p>		waste streams	
<p>7 (R1-2019/20) Free WiFi</p> <p>Due to distance, local workers or community members may be called on to reboot local systems when required. This will need to be set up.</p> <p>Action: DCCS will work on establishing which workers or community members are available to reboot WIFI system when required.</p>	CCS	<ul style="list-style-type: none"> • Council's Contractor (TRC IT Department) has been given a list of Urban Services supervisors in each town to contact in the instance that local systems need rebooting. Working with Urban Services to have a person or people in each town who can reset the wi-fi when needed. 	Completed
<p>8 (R1-2019/20) Safety – Warrumbungle Way</p> <p>Community advised that opposite the railway crossing, past the sale yards, there is a large hole on the side of the road which currently has 2 guide posts near it but requires a guard rail as it is potentially dangerous.</p> <p>Action: DTS will examine and follow up</p>	TS	No immediate hazard identified.	Completed
<p>9 (R1-2019/20) Speed Limit End of Sale Yards</p> <p>Southern end of Binnaway (Maureen Irons suggested the need for the speed limit to be reduced to 70) – The speed limit goes from 50 to 100 and there are potential safety matters that should support the change</p>	TS	Matter referred to next Traffic Committee meeting, which is in February.	In progress

Minute / Action Required	Directorate	Progress	Status
<p>such as:</p> <ul style="list-style-type: none"> higher use access from the tip which has limited visibility. There are also houses along this stretch. <p>Action: DTS will take photos and a letter from Maureen to a future further consideration.</p>			
<p>10 (R1-2019/20) Dead Trees in Park</p> <p>Community advised there were two dead pines in the park on the riverside walkway that needed to be removed.</p> <p>Action: DTS to address</p>	TS	A Contractor has been engaged to remove the dead trees.	Completed
<p>11 (R1-2019/20) Weed Spraying</p> <p>Community member asked why two council workers were spraying dead grass around guide posts in a drought. No details were provided</p> <p>Action: DTS to follow up and address as needed</p>	TS	Works procedure reviewed and found to be satisfactory.	Completed
