Jim Larkin

1. Revisit previously discussed storm water drainage off Cypress Street entering into the Binnaway Showground;
2. I would like to congratulate the Binnaway council staff on the fantastic job they do in maintaining the town oval, footpaths, and street edges with their mowing and trimming, and the mowing that they do at the showground. Given the increased usage of the Binnaway Showground can it be included on a more regular basis in this mowing program?
