Agenda Items

A. Community Matters

Malcolm Jones

1. Operational Plan:
 - explanation on the gravel re sheeting costs and timeframe,
 - the road grading costs and timeframe;
 - The road resurfacing costs and on the sealed roads.

I would like these costings to be explained to me across the “IP&R Framework over the lifetime of their respective plans.

2. What’s happened to the DP Progress Reports.

Bernie McBain

3. Three Rivers Regional Retirement Community - What is the total legal cost for the Warrumbungle Shire with regards to the Three Rivers project at Dunedoo. The exact amount not a rough figure.
4. Three Rivers Regional Retirement Community - now that the three rivers matter has been settled, can the councillors inform us as to whether any staff will be fired or prosecuted? Even former staff. We cannot waste millions of dollars of our money and everyone just thinks it’s ok to do this, and get away Scott free. Someone needs to be held accountable for this matter.
5. Can the councillors give as a verbal guarantee that there will be no more projects like the Three rivers project undertaken by them. A show of hands would be good as we need the shire to focus on our roads and our other services.

Tim Cooper

6. Telstra ADSL infrastructure and availability of Broadband services in Binnaway.

Ray Lewis

7. Piambra Road – drainage issues
8. Piambra Road – Update on the completion of rebuild on Piambra Road, didn’t do the part that is outside the property “Shannondale”.
