21 April 2021 – Round 2 2020/2021			
<p>12. Smell around Jubilee Hall – potentially from pipes</p> <p>ACTION: DEDS to investigate smell near ramp to Jubilee Hall</p>	DTS	<p>23.06.21 – Council staff have identified the smell of dry wastes in the hall. Action to remedy the situation has been determined.</p> <p>30.08.21 – Council staff and the cleaning contractor are regularly running water through all the plumbing to keep the floor wastes full.</p> <p>08.11.21 – A maintenance program will be developed to ensure that the floor wastes are charged regularly to eliminate odour's from the hall.</p> <p>20.01.22 – Nothing further to report.</p>	Completed
21 October 2020 – Round 1 2020/2021			
<p>4. Dunedoo Digital Sign Update</p> <p>ACTION: DCCS staff to send the digital sign computer for repair if possible.</p>	CCS	<p>01.03.21 – System box repaired however cabling not included when sought to install. Reinstallation attempted, Company requested to send cabling for attempt to reinstall.</p> <p>09.08.21 – Recommend community consultation with the Dunedoo community regarding either replacing or removing the sign.</p> <p>07.03.21 – There is still community support to retain the sign. New cabling ordered for micro-PC; however advice from Tamworth Regional Council IT team is that the sign is under-powered and will continue to break down. As the sign is connected to mains power, this indicates an issue with the hardware itself, which is the reason for continued</p>	In Progress

		frequent breakdowns. Technicians have not previously overcome the frequent breakdowns.
