Community Consultation Meeting Action List

Meeting Date: 31 October 2017

Minute / Action Required	Directorate	Progress
Drainage – Wallaroo Street Council indicated they are still looking at options for this work. It is expected that the works will be completed in the next 18 months.	TS	A/DTS – As advised at the meeting, Council is still looking at options for this work. It is expected that the works will be completed in the next 18 months.
Made n Grown Markets Concerns were raised about support for economic development and tourism strategies in the Southern end of the Shire. Council advised that the new organisational structure includes plans for a new Tourism Officer based in the Southern end of the Shire.	DS	A/DDS – Will be addressed when new Tourism Officer commences.
Leadville Concerns were raised about the water being provided to the hall and the Rural Fire Service shed being from a private supply. This will be investigated and appropriate actions taken.	TS	In progress. Under investigation.
New Bridge and Approaches – Lewis Road Concerns were raised regarding the approaches to the new bridge. Council indicated that they will fix these issues. It was indicated that these works should be completed prior to Christmas.	TS	A/DTS – Complete.
Cobbora Road Residents indicated that the edges of Cobbora Road need to be mowed. This was noted by Council.	TS	A/DTS – Complete.
Sir Ivan Fire Recovery Council enquired as to how people are going following the Sir Ivan Fire and asked whether or not there is anything Council can provide assistance with at this time. Discussion around privacy issues raised during the fire, regarding sharing of information and access to this. Further discussion regarding planning done by individual brigades and how this information could be shared.	CCS	DCCS – This enquiry has been passed on to the Mayor's Bushfire Appeal Advisory Committee who are overseeing the allocation of funds collected and who act as one of the focal points for recovery efforts. Council has been involved in post-fire reviews both internally and with the RFS and various government agencies with a view that any recommendations are implemented. Closed – no further action.
Heritage Information Residents indicated that they felt that more could be done to promote the heritage aspects of the towns throughout the Shire. Council indicated they would look into this, in consultation with the Heritage Advisor.	DS	A/DDS – Draft heritage study being undertaken at present time.

<p>Road Work Signs A resident raised concerns about road work sign being left lying in the grass on the side of the road. Council will investigate and pick these signs up. Residents were encouraged to report to Council so that they know where these signs were located if they see them.</p>	TS	A/DTS – Manager Road Operations advised to inform staff.
<p>Road – Saleyards and Showground Concerns were raised about the road between the Saleyards and the Showground, in terms of dust and other issues. It was suggested that residents consider a budget submission for these proposed works.</p>	TS	A/DTS – As suggested at the meeting, residents should consider a budget submission for these proposed works.
<p>Three Rivers Regional Retirement Community An update was requested on the Three Rivers Regional Retirement Community (TRRRC). An update was provided indicating that much of the current works were happening underground. Council expected that the construction will be finished in the next 12 months.</p>	CCS	<p>DCCS – Council will continue to provide regular updates to the community through various media channels.</p> <p>Furthermore, a TRRRC website is being established as the central point for all project information.</p> <p>Closed – no further action.</p>
<p>E Waste Council were asked what they are doing about e-waste. Council indicated that e-waste can be taken to the local waste collection and Transfer Station and that it will go to Coonabarabran to be dealt with. Residents requested that this information be promoted.</p>	DS	A/DDS – Advertising to be done.
<p>Jubilee Hall and Old Bank Building A request was made to have the lights in Jubilee Hall and the Old Bank Building replaced with LED lights. Council to look into this and action as appropriate.</p>	DS	A/DDS – To be investigated.
<p>Streaming of Council Meetings A question was asked regarding the streaming of Council Meetings. It was noted that other Council’s currently do this. It was requested that Council look into this. A suggestion was made to perhaps record the meetings and then play them on radio. This suggestion was not well received.</p>	ES	A/GM - New draft Model Code of Meeting Practice suggests webcasting of council meetings be made mandatory. Under consideration by State Government.
<p>Three Rivers Radio – General Manager Segment A question was asked regarding when the General Manager will be re-commencing their regular radio chats. It was indicated that this will re-commence when the new General Manager commences.</p>	ES	A/GM - Matter will be reviewed by new General Manager.
<p>Container Deposit Scheme Residents enquired as to what is happening with the container deposit scheme. Council encouraged people to look online for further information in relation to this. Council will also provide further information as it becomes available.</p>	DS	A/DDS – Coonabarabran and Dunedoo are collection points at waste stations during opening hours.

<p>Green Waste – Tip Residents raised concerns about the build up of green waste at the local tip. Residents indicated that they felt this was a risk, particularly during the fire season. Council indicated they would look into what can be done in relation to this.</p>	DS	A/DDS – No budget to mulch at this stage. To be investigated.
<p>ARTC – Fairfield Road Council advised that ARTC has requested to close Fairfield Road at the crossing. If it's not closed then the other proposal is to change the road and re-align. This request will be put out for public comment. Residents were encouraged to make comment on the proposal. It was raised that Fairfield Road might have a Travelling Stock Route on it.</p>	TS	In progress. Opposition from community at town meeting has been noted.
