a) Community Matters

Amy Large

1. Dunedoo Columbarium Project - Council to provide an update on the Dunedoo Columbarium Project, now that community consultation has closed for the second time. A proposed timeline of upcoming events would also be great (when Quotes will be requested, when construction is likely to commence, etc).

Winsome Rowbotham

2. Three Rivers Regional Retirement Community - What progress has been made in the case of WSC vs BOULUS Constructions?

Is it correct that whichever way the judgment of this case goes there will be ongoing contests between the 2 parties thus making it a continuing and everlasting court case?

At the previous consultation meeting in Dunedoo we were promised screening at the retirement village site to screen the sad and unsightly view from the highway. Have quotes been obtained for this work?

Dunedoo & District Development Group
