**Subject:** Community Financial Assistance Donations Request Form – Round One 2021/2022

The following information has been submitted from the Warrumbungle Shire Council:

**Name of Organisation:** Presbyterian Church of Coolah/Dunedoo  
**Contact Address:** [REDACTED]  
**Email Address:** [REDACTED]  
**Phone Number:** [REDACTED]  
**Amount Requested:** \$267  
**Name of project:** Support Services Coolah

Coolah and Dunedoo have only one resident Protestant religious pastor who offers support by way of religious instruction in schools, holding weekly chapel services in both hospitals to support particularly the Aged, holding youth sessions on Friday/Saturday evenings in Coolah, offering comfort to bereaved families and conducting funerals and happily, so far this year one wedding. Pastor Barry writes a support column in local Diary newspapers and has identified several families with substance abuse or low socio economic status who he has supported by growing and offering fresh vegetables as an outreach service. There are a very few families who attend the regular church services to support this work and the charges of \$1867 on the manse property is a hard imposition on top of the small stipend that Pastor Barry receives from the congregation. We appreciate the Council has made the manse Non Rateable but we feel that the contribution that Barry makes to the district is important to the general well being at these difficult times and we need to do everything possible to keep him in Coolah. Connect Five uses the church hall and grounds which are safe and accessible to others requiring this facility such as Playgroup. Travellers stopping in McMaster Park often wander in to see the historic gravestones and the picturesque little church, beautifully maintained by volunteers.

**Expected completion date for the project/activity? :** ongoing

**How does this project/activity meet the assessment criteria? :** The person living in the Manse offers pastoral and practical help to all age groups in Coolah and Dunedoo - schools, hospitals, and a particular outreach to families and children of families affected by substance abuse and low socio economic status. We count ourselves very fortunate to have someone of this calibre who gives his time to us when his family live on the Central Coast and he is 15 years beyond retiring age.

**Budget:** \$1600 from own donations - Coolah/Dunedoo towards the Waste/Water/Sewerage charges of \$1867. There is no contribution available from any other source.

**In Kind Contributions:** Volunteers maintain the church premises and grounds and support this pastoral outreach. Fundraising. e.g. fete, streetstalls, has not been possible last 2 years due to Covid restrictions.

**I have read and agree to the Community Financial Assistance Request Guidelines. :** Yes

**To:** Records Officer  
**Subject:** Community Financial Assistance Donations Request Form – Round One 2021/2022

The following information has been submitted from the Warrumbungle Shire Council:

**Name of Organisation:** Mendooran and District Development Group  
**Contact Address:** [REDACTED]  
**Email Address:** [REDACTED]  
**Phone Number:** [REDACTED]  
**Amount Requested:** Maximum Request \$500  
**Name of project:** Every year the Mendooran Development group coordinate the Mendooran and surrounding District Christmas light competition.

This year with limited sponsorship for prizes as a result of Covid-19 and the impacts for local businesses, we seek funding to ensure this event can be maintained for our community in 2021.

This event is a highlight of the Christmas season with high numbers participating each year including many district farm premises within an approximate 30km radius which include Neilrex and Merrygoen. Additionally to the lights we share and contribute joy to the communities children with a localised and relevant Santa letter, which require postage to many homes.

We request the financial assistance donation to the value of \$500, which ensures we can cover the costing of postage, entrant collation, map collation and distribution to share with the community, advertising and prizes for the winning entrants.

**Expected completion date for the project/activity? :** This event would be complete by the end of December 2021.

We would like this event to be supported to ensure it is viable every year round, and consider we are refraining from local business support this year as per usual, due to the impacts Covid-19 has had on local business.

**How does this project/activity meet the assessment criteria? :** This activity allows for community well-being to be promoted as families/residences can be encouraged to participate in an activity. In the our current covid-19 climate the activity is still a safe event to participate in within own homes.

Councils financial support this time around can ensure we maintain the upcoming festive season event we would otherwise need to potentially cancel.

Participation can be encourage by other means of decoration, not just lighting, as a consideration this year to encourage any type of festive display to ensure a range of

socio-economic status range are being considered to ensure inclusion and maximise participation.

**Budget:**

Expenditure: WSC Donation \$500 - \$100 postage of Santa letters, \$400 advertising and prizes of the Christmas light/decoration competition

Expenditure - any excess costs to be paid by the Mendooran Development Group

**In Kind Contributions:**

\  
The activity will require volunteers to judge and facilitate the management of entrants, includes travel time and fuel provided in-kind, to all the premises and a map being compiled for the community to use a helpful guide of participating premises/addresses.

**I have read and agree to the** Yes  
**Community Financial**  
**Assistance Request**  
**Guidelines. :**

**Name of Organisation:** Mendooran Arts & Craft Shop  
**Contact Address:** [REDACTED]  
**Email Address:** [REDACTED]  
**Phone Number:** [REDACTED]  
**Amount Requested:** Maximum Request \$400  
**Name of project:** What will Council funds be used for?

To compile a booklet on the History of Mendooran and other bits of information

**Expected completion date for the project/activity? :** We would be able to complete activity within 2 months of receiving grant

**How does this project/ activity meet the assessment criteria? :** \*Local would have the opportunity to be involved in the compiling of information for this booklet

\*It would provide information on the history and points of interest of Mendooran for locals and travelers .

**Budget:** \*Currently we have no historical group active in the community.  
Expected income and expenditure for the project, noting own funds and whether financial support is available from a parent body

Binding machine approx &150, binder covers and spines approx \$150  
printing approx \$100

**In Kind Contributions:** Some members of the Craft shop have been interested in compiling a book of facts and history of Mendooran based on the questions asked by travelers and new people to Mendooran

**I have read and agree to the Community Financial Assistance Request Guidelines. :** Yes

The following information has been submitted from the Warrumbungle Shire Council:

**Name of Organisation:** Dunedoo and District Historical Society and Musuem  
**Contact Address:** [REDACTED]  
**Email Address:** [REDACTED]  
**Phone Number:** [REDACTED]  
**Amount Requested:** \$500  
**Name of project:** DUnedoo Cemetery Sign.

What will Council funds be used for?

**Expected completion date for the project/activity? :** 31/12/21

**How does this project/activity meet the assessment criteria? :**

To collate and erect sign giving layout of religious denominations plus historical information on Cemetery Grounds

1. The Dunedoo Cemetery has been identified by council as a Heritage site on their Thematic History Report but there is no sign at the actual site. Important history needs to be shared both with community and visitors - display sign will help make the importance of the cemetery and the loved ones buried within the cemetery grounds, easier to access for all ages- young and old by giving a map layout
2. As with all towns, people move away and often come back to visit. Memories to share are often associated with cemetery visits. Having a map layout of the cemetery makes it easier for visitors, friends and relatives to find deceased people and share 'special' time
3. The Dunedoo Cemetery is over 120years old and no recognition , celebrating the lives of past pioneers, parents, grandparents, children, ..... (people) of our town, as a whole, has been honoured. The importance of these people who have help make Dunedoo what it is needs to be recognised and put on public display.
4. More and more cemetery's around Australia have both a layout map and short history. They are catering for everyone wanting to visit cemeteries for various reasons. Some of these reasons are purely from a tourism perspective as a tourist thing to do in town. Having a sign at the cemetery shares our history with visiting tourist.
5. As the WSC controls the Cemeteries in our shire it would be of great benefit if Council erected a Cemetery Map at all cemeteries in our shire. Maybe by putting a sign up at Dunedoo other towns will follow the lead and together we keep our

history, culture and art alive with another destination worth enjoying and exploring for people in the WSC and People visiting the WSC

**Budget:**

Expected income and expenditure for the project, noting own funds and whether financial support is available from a parent body.

Expenditure -Sign \$300- 6mm aluminium

- Sign Frame material and welding \$500- 2" galvanised square tubing frame size approx-2400x1800mm

- Installation of sign \$300- cement footings

- Collation of the sign and wording- 10hrs@ \$45hr=\$450

**In Kind Contributions:**

Describe volunteer and in-kind contribution to the project/ activity

Collation of Cemetery Sign by DUnedoo Musuem Project Officer - \$450-donation

Signage Frame-Welding of frame by Dunedoo Men's Shed - donation

Installation of sign- would like WSC to offer but Dunedoo Men's Shed has said they will help.

Dunedoo and District Musuem will assist with material costs

**To:** Records Officer  
**Subject:** Community Financial Assistance Donations Request Form – Round One 2021/2022

The following information has been submitted from the Warrumbungle Shire Council:

**Name of Organisation:** Baradine branch Country Women's Association of NSW  
**Contact Address:** [REDACTED]  
**Email Address:** [REDACTED]  
**Phone Number:** [REDACTED]  
**Amount Requested:** Maximum Request \$500  
**Name of project:** Commissioning and purchase of a locally crafted ironbark bench seat to commemorate 100 years of the Country Women's Association of NSW and its installation in the Baradine Lions Park.

**Expected completion date for the project/activity? :** 3 months following the announcement of grant application success.

**How does this project/activity meet the assessment criteria? :** Baradine CWA is a volunteer community services organisation that has had a presence in the district since its establishment more than 90 years ago. The Country Women's Association of NSW has been supporting women, children and their communities in NSW for almost a century. In Baradine, the members worked tirelessly to build the CWA Hall, set up the baby health care clinic, established the CWA Hospital, supported the schools, fundraised for whole-of-community projects and much more. The women of the CWA have been initiators, fighters and lobbyists. They have made localities into communities by providing social activities and educational, recreational and medical facilities.

The project to commission and purchase a commemorative seat made from Pilliga Forest timber for the Baradine Lions Park visible celebrates recognition of the lasting legacy of the work by country women in our district over so many years. There is a sad lack of seating in the park and the celebration of 100 years of CWA is seen as a great way to commemorate this historic event whilst successfully achieving a much-needed project.

This project meets all the criteria of Warrumbungle Shire Council Donations Policy criteria 'Identification and support for community groups, organisations and individuals that contribute to the social, economic and / or environmental fabric of Warrumbungle Shire.' It addresses the need to provide more seating in the Baradine Lions Park, whilst promoting local timber and local skills through a creative, self-supporting project that requires no ongoing maintenance.

**Budget:** EXPENDITURE

4 seater bench seat with back crafted from solid Ironbark slabs (Canopus Farms)  
\$1,210

Brass commemorative plaque \$200

TOTAL EXPENDITURE \$1,410

INCOME

Warrumbungle Shire Council \$500

Baradine & District Progress Association \$400

Baradine branch of CWA \$510

TOTAL INCOME \$1,410

**In Kind Contributions:**

The Baradine & District Progress Association has offered to provide in-kind volunteer assistance with the installation of the Ironbark commemorative seat in the Lions Parks at a location to be agreed with Warrumbungle Shire Council. The Baradine branch of CWA will recognise the contribution of Warrumbungle Shire Council through social media and a report in the local newspaper and report to the head office of the CWA of NSW.

**I have read and agree to  
the Community Financial  
Assistance Request  
Guidelines. :**

Yes

## Community Financial Assistance Donations Request Form – Round One 2021/2022

## Community Financial Assistance Donations Request Form – Round One 2021/2022

Please use a separate form for each request

**Submitted by:**

\*Name:  
Organisation:

Coolah Historical Society

**Contact Details**  
**Address:\***
**Phone/Email Address\*:**

\* Information collected will only be used to contact you in relation to this submission.

**Amount of Request \$**  
 (Maximum Request \$500).

\$500-00

**Details of Request:**

i.e.

- Name of project (what will Council funds be used for?)
- Expected completion date for the project/activity?
- How does this project/activity meet the assessment criteria? (Refer to Guidelines for assessment criteria)

Shelter over Stump 133 memorial  
May 2022

1. Addresses gap in community development – Making tourists + community aware of very historical site.
2. Involvement of volunteers, building on council contribution
3. Innovative + creative approach to increase tourism + community awareness.
4. Use of council funds to attract resources in our community – tourist participation

**Budget:**

Expected income and expenditure for the project, noting own funds and whether financial support is available from a parent body

Income \$500-00 from council  
\$250-00 from historical society.  
for materials + construction

**In Kind Contributions:**

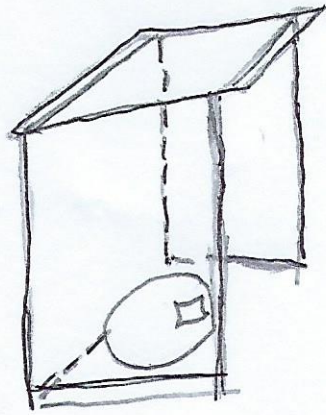

Describe volunteer and in-kind contribution to the project/activity.

Volunteer time in construction and erection of shelter.

**Signature:**

**Date:**

Sketch of proposed shelter, to be constructed of tubular frame with iron covering, with 4 uprights set in concrete.

This will :-

- 1) Protect the stone from summer heat and winter freezing which will cause expansion and contraction eventually distorting the plaque on the memorial.
  2. Make the memorial more visible to passing traffic, thus encouraging tourist observance.

**To:** Records Officer  
**Subject:** Community Financial Assistance Donations Request Form – Round One 2021/2022

The following information has been submitted from the Warrumbungle Shire Council:

**Name of Organisation:** BUGALDIE WAR MEMORIAL HALL

**Contact Address:** [REDACTED]

**Email Address:** [REDACTED]

**Phone Number:** [REDACTED]

**Amount Requested:** Maximum Request \$500

**Name of project:** What will Council funds be used for?

The hall committee are submitting a request to get a water meter to connect potable water to the hall. At present water is brought in for the kitchen and the rainwater tank is filled as needed. We have to advise hall hirers not to drink the water.

**Expected completion date for the project/activity? :** When council action the request to connect water to the hall. We hope this will be completed before the end of the year. When the meter has been installed the committee volunteers will organise a working bee (Covid safe) to connect pipes etc.

**How does this project/activity meet the assessment criteria? :** Refer to Guidelines for assessment criteria

It is essential for our hall users - weekly craft group, fortnightly church services and village events to have access to potable water. The hall committee originally held off on connecting to the village water because of the water charges however we now realise that under the NSW Health Private Water Supply guidelines the supply of potable water is needed.

**Budget:** Expected income and expenditure for the project, noting own funds and whether financial support is available from a parent body.

From the Water & Sewer Request Form the minimum Fee is \$1112.00. If we are successful the hall committee will pay the balance.

**In Kind Contributions:** Describe volunteer and in-kind contribution to the project/ activity

Following the installation of the water meter the committee volunteers will lay and connect pipes to the hall.

**I have read and agree to the** Yes  
**Community Financial**  
**Assistance Request**  
**Guidelines. :**

The best option for financial assistance that is available now is the Community Financial Assistance Donations, with a maximum donation available of \$500. Applications closed on Monday 30 August 2021 but – particularly as you had made contact before that date – we are happy to still accept an application from your group this week. Applications will be forwarded to Council for consideration at the Council meeting of 16 September 2021.

I've attached an application form for the Community Financial Assistance Donations 2021/22 Round 1. If you would like to complete the application at this stage, could you please return it to me by 4:30pm Thursday 2 September 2021.

Regards,

Jenni

Thanks for your email. [REDACTED] passed it on to the general Council email address as she has moved on from the area that deals with financial donations.

The annual rates subsidy donation is available through the Annual Donations, which are released in conjunction with the Operational Plan (budget) each year. Generally, applications for these donations open around January/February each year and are advertised in each of the local publications throughout the Shire, as well as on social media, on the Council website and in the community e-newsletter.

Kind regards,

**Jenni Maundrell | Manager Corporate Services**

Warrumbungle Shire Council

**Subject:** Rates subsidy for community groups

[REDACTED]

Pls can you let me know how and when we can apply for the annual rates subsidy for community groups?

Regards

[REDACTED]
