

Attachment 2 – Summary of Public Submissions

Summary of Public Submissions		
No.	Key Issue	Issues Raised
1	Appendix 1: Work schedule query	<ul style="list-style-type: none"> • Query on who determined the work schedule and consultation • Dunedoo Pool Upgrade – costs and timeframe • Plans drafted for new amenities some years back • Appears to be the only project for Dunedoo
2	Appendix 1: Work schedule query	<ul style="list-style-type: none"> • Request for items from Peter Kenyon workshops to be included • Other projects could be Coolah Cultural Art plan, river recreation way extension and rail trail connecting to other town cycle ways.
3	Discourages development	<ul style="list-style-type: none"> • Plan will discourage development with financial and administrative disincentives • Council would be better advised to provide incentives for environmentally friendly developments
4	Formatting and editing Work schedule query Financial management and accountability	<ul style="list-style-type: none"> • A number of small queries raised on editing, formatting and textual content • Eligibility of kerb and guttering projects to be included on Work schedule • Eligibility of Coonabarabran Power House Building to be included on Work schedule • Financial reporting, contributions registers and how the public access this information. • Can the community contribute to the work schedule lists?
5	Appendix 1: Work schedule query	<ul style="list-style-type: none"> • Lest we Forget Seats are not a Coolah project, but were for Coonabarabran
6	Refunds Appendix 1: Work schedule query	<ul style="list-style-type: none"> • Clause 3.9 – why are the dates needed in this clause? • Industrial Land projects should be included for Coonabarabran
