Written Submission: To whom it may concern,

Regarding the proposed tip hours at the Dunedoo rubbish tip.

As a local I have had my local garbage tip at Leadville removed, meaning I had to drive and additional 30km to dispose of my rubbish. As a farm business we generate more waste than a town household. Meaning waste removal was now a bigger task at my expense.

Then the Dunedoo tip was modernised and it was decreed that we could only access it in times council dictated. Unfortunately no farmers work council business hours and we were now faced with having to try and fit a rubbish run in the afternoons. This rarely coincides with other business being done in town.

Now the proposal is to only open the tip on 3 days a week??? One of which is only a couple of hours???

How about it's open from 7:30 till 17:00 every business day and all day on weekends?

It's a rubbish tip, it's not that hard surely?

Written Submission: Thank you for increasing the hours, that is excellent to be able to bring rubbish during the working day and not just on the weekend.
