**Email address :** [Redacted]

**Amount of request (Maximum \$500) :** \$500

**Name of project :** Mendooran Turf Club

**Expected completion date for project :** 2/9/2023

**How does this project meet the assessment criteria? (Refer to guidelines) :** Boosting community morale by providing entertainment and a family fun day. This donation will assist us as a contribution towards providing family fun activities at the annual Mendooran races event, such as the jumping castle, face painting and afternoon tea for the patrons. The club greatly appreciates the donation.

The Mendooran Turf Club is a volunteer run committee who rely on the contributions and support of local businesses and organisations such as the shire to continue. It is an annual event that is eagerly anticipated by the local community and brings much needed revenue to the town and local businesses as many people travel for the event. Following the last minute cancellation of the event in recent years due to COVID and weather related events we are in much need of support and appreciate any contribution you are able to make. Along with our own committee, there are local organisations who rely on this event as major fundraising initiatives for the year, such as the Mendooran Preschool who run the canteen and keep all revenues associated with this. This year the Men's Shed will also have a presence at the event by collecting cans from the day to cash in for their club.

Thank you for your consideration, please let us know if there is any further information required to support our application.

**How does this project  
meet the assessment  
criteria? (Refer to  
guidelines) :** Baradine is a not-for-profit organisation, we have laid artificial lawn and gardens to enhance the surrounds of the club house, the \$500 would used to purchase more turf to complete the area .Our membership has grown from 12 members to 37 since 2019. The course is open to the whole community 365 days per year.

Baradine Golf Club is the venue for charity days and the local schools.

It has been a place for people to excise during Covid.

I believe the project does meet the criteria.

**Name of project :** Coonabarabran Show - Coonabarabran PAI&H

**Expected completion** 30/3/24  
**date for project :**

**How does this project meet the assessment criteria? (Refer to guidelines) :** The Coonabarabran Show is an annual event, held in March. The show is organised by the Coonabarabran PAI&H association which is a non-for -profit organization. The show is one of Coonabarabran's largest community events attracting more than 3000 people over the two and a half days of the show. All income from the show is used to run the following show as well as make improvements to the Coonabarabran Show Ground, which is used by a variety of community groups.

The show brings the community together offering events and activities that appeal to all ages and demographics of our community as well as attracting both competitors and spectators to our town. The show also acts as a platform for other community groups to raise funds, for instance the local Rugby club, Rotary, Coona High School P&C and the Primary School P&C just to name a few.

The PAI&H association is asking council to subsidise the collection of waste generated by the show. The PAI&H was charged \$1463 for waste collection for the 2023 show and \$801 for the 2022 Show. We have made a significant effort over the last two years to reduce

rubbish going into the general waste bins, setting up designated recycling bins throughout the showground and paying Coonabarabran Public School P&C to collect cans and bottles (which they cash in at the Coonabarabran Tip, keeping any money collected).

The show would not occur if it was not for generous sponsors and volunteers who give up significant amounts of time, energy and income to run the show. Any contribution from the Warrumbungle Shire Council to subsidise or reduce this charge would be greatly appreciated.

**Expected completion date for project :** On-going

**How does this project meet the assessment criteria? (Refer to guidelines) :** The navigators is a program run by the Coolah Dunnedoo Presbyterian Church. It addresses the gap in youth activities in the Coolah/ Dunedoo Shire. Our youth is so important for the future of our community and we believe by building these children up with our program we are contributing to the community in a positive way. At the moment there is no youth programs in Coolah that address the needs for this age group and would appreciate any contribution and support from council. The program is for children aged 10-15 and is based on a scout idea that children can achieve badges through various activities, promoting self-esteem, social involvement within the community and self-development. This is only made possible by volunteers from the church and other volunteers in the community. The navigators have thought the use of the community hall in Coolah would promote a sense of community involvement and therefore incurs an expense for the use of the hall. Currently the church has the funding to pay for hire of the hall for the rest of the year though supplies for activities would be appreciated.

The project will see the creation of various murals across the town to attract higher levels of tourism and economic development. The theme of the murals will encompass our rich history including indigenous and cultural backgrounds. This will be a staged approach with the first mural in the Main Street with several other locations being determined.

## Community Financial Assistance Request Guidelines

### Application Process for Financial Assistance

Council will consider applications for financial assistance twice per year, generally at the ordinary meetings held in August and February.

Prior to these meeting dates Council will make a public call for applications for financial assistance. Requests for financial assistance must be made on the application form. This form is available on the Council website at Have Your Say or in hard copy at Council's Coolah and Coonabarabran offices.

### Assessment Criteria.

The following general criteria is used when considering requests for financial assistance:

- Activities that address gaps in service or community development;
- Activities that promote community development in a multicultural context and seek to address issues of access and equity;
- Involvement from volunteers and self-help initiatives that build upon Council's contribution;
- Consumer/user participation in management of services/activities
- Innovative and creative approaches to identified needs; and
- Activities that use Council funding to attract further resources.

Council will give low priority to following types of requests for financial assistance:

- Activities/services that do not attempt to become self-supporting where the potential exists through fees or other feasible income-producing activities.
- Activities of a purely social nature, which do not address the needs of disadvantaged groups.
- Activities that are eligible for support from state-wide or regional parent bodies.

### Terms and Conditions

Financial Assistance Donations are made under Council's Donations Policy, contained within the Revenue Policy Fees and Charges 2022/23. Financial assistance provided by Council complies with the requirements of section 356 of the *Local Government Act 1993* (NSW).

Donations are available to support community groups, organisations and individuals that contribute to the social, economic and/or environmental fabric of Warrumbungle Shire.

Any person making an application for a Financial Assistance Donation is taken to understand and accept that donations are capped at a maximum amount of \$500.00 per applicant. Recipients must accept payment within six (6) months of notification of a successful application. Unclaimed funds are taken to be forfeited.

**First and last name :** [Redacted]  
**Email address :** [Redacted]  
**Amount of request (Maximum \$500) :** \$500  
**Name of project :** Further development and establishment of a Celtic Pipe Band for Coonabarabran  
**Expected completion date for project :** Ongoing - but the funds being sought will be spent within 3 months of receipt  
**How does this project meet the assessment criteria? (Refer to guidelines) :** A pipe band in Coonabarabran addresses a clear gap within the community in that there is currently no other band of this nature in the Warrumbungle Shire. The band supports the community through providing pipe music for ceremonial events such as Anzac Day and Remembrance Day as well as free concerts throughout the year and other community events.

The band also offers free tuition in piping and drumming in an open and inclusive environment to people of all backgrounds regardless of their previous musical experience. This particularly valued by those from disadvantaged backgrounds.

The band also provides the opportunity to celebrate all aspects of Celtic culture in a multicultural context. Councils support of the band will be used to purchase instruments, music and appropriate attire for the band members. This support is particularly valuable as it enables the band to continue to operate and grow as we strive for self sufficiency and pursue state and federal cultural grant funding.

**How does this project meet the assessment criteria? (Refer to guidelines) :** National Sorry Day 2024 will be the 10th anniversary that the Coonabarabran Community were allowed to march through the street of Coonabarabran and commemorate National Sorry Day. This activity will promote community development in a multicultural context and seek to address the issue of equity as we invite everyone to the 10th Anniversary commemorations. The Aboriginal and Non-Aboriginal community has come a long way recently and we would be very grateful to receive this donation and carry on the positive relationship.

**First and last name :** Coonabarabran Tennis Club

**Email address :** [REDACTED]

**Amount of request (Maximum \$500) :** \$500

**Name of project :** Replacement of clubhouse kitchen gas stove

**Expected completion date for project :** 4 months from notification of successful application

**How does this project meet the assessment criteria? (Refer to guidelines) :** The freestanding stove & oven in Tennis Club building is not able to be used following the theft of gas cylinders several years ago. The financial grant from Council along with a matching financial contribution from the Club will be used to purchase and install a new electric freestanding stove and oven in the kitchen.

Over the last two years, the Club has experienced an increase in the number of tournaments and competitions. A regional junior tournament in May is now an annual event along with regional training days for juniors in August and November. Other local tennis activities include Tuesday night ladies' competition, Thursday night mixed competition and junior tennis on Friday afternoons in school terms 1 and 4. The tournaments and end of competition social nights utilise the Club kitchen. However, food preparation and warming are hampered by the lack of an oven and there is a reliance on members bringing in portable ovens and bain-marie. The installation of an electric stove and oven in the Club's kitchen will support Club members and volunteers in their efforts to promote and grow tennis as a sport in Coonabarabran.

With the support of Council, a new electric stove and oven will be installed within four months from notice of the Club's successful application.

**Name of project :** The Black Stump Craft shop - Paint for exterior

**Expected completion** June 2024  
**date for project :**

**How does this project meet the assessment criteria? (Refer to guidelines) :** The Black Stump Craft Shop provides an essential community hub for Coolah by providing a meeting place for the Wellness group, Friendship Day, Patchwork group as well as providing a weekly bake day which accessed by many local residents. The Friendship Day provides a rich environment for many disadvantaged locals and addresses gaps in service within the community.

After renting the RSL building for 30 years, The Black Stump Craft Shop purchased it in 2021. It was very rundown and requires major unkeep. We have been successful in securing new heating and have applied for grants for the renovations of the interior including an indoor access toilet and kitchen.

**How does this project meet the assessment criteria? (Refer to guidelines) :** The Coolah District Development Group Inc are starting to host a stall (bimonthly) outside the IGA supermarket in Coolah with the main aim of community engagement on new and existing projects, and liaising with the locals on how the organisation can be a catalyst in helping Coolah to thrive.

We would like to purchase some signage for the organisation, such as a media wall or banner. This would meet the criteria of "activities that use Council Funding to attract further resources". For example through the community engagement priorities for infrastructure and events will be gained and from this grants will be applied for bring to attain.

**How does this project meet the assessment criteria? (Refer to guidelines) :** Coolah Tennis Club has been revamped and relaunched over the past year. A big thank you to council for resurfacing the courts and to Rural Aid for giving the clubhouse and the surrounding garden a facelift.

The Club has reignited and throughout daylight savings met weekly. With daylight savings again just around the corner the committee are wanting to continue to upgrade the clubhouse facilities with the installation of a zipheater. This donation is building on the contribution of Council to maintain and upgrade this community sporting facility.

**How does this project meet the assessment criteria? (Refer to guidelines) :** The Showground and Recreational Grounds Trust have been highly successful in obtaining grants to develop this facility. It is utilised by 6 different user groups - Pony Club, Rodeo, Cattle Dog Trials, Camp drafting, Polocrosse and Ranch Sorting. It is also now being utilised for weddings and other celebrations or events.

To continue to improve this facility the Trust Committee are wanting to purchase crockery for the kitchen/dining hall. This will be a more sustainable option as previously many groups will have used disposable crockery.
