1. INTRODUCTION AND OVERVIEW

The draft Long-Term Financial Plan (LTFP) is prepared in accordance with the provisions of the *Local Government Amendment (planning and reporting) Act 2009* and the associated Guidelines and Manual.

The purpose of this LTFP is to provide a framework to assist future decision making that will secure the economic sustainability of the organisation and ensure adequate funds are generated into the future to achieve desirable outcomes for the community.

Council's LTFP was originally adopted in June 2012. The plan has been reviewed and updated annually to assist in the preparation of yearly budget forecasts. This plan is a key document in forecasting the financial resources available for Council to achieve the strategic direction and goals specified in Councils' Community Strategic Plan.

Policy Statements contained in this plan have been given force by resolution of Council. These policies provide the framework to guide decision making, future budgets and establish a mechanism to fund future investment decisions.

1.1 What is the Long-Term Financial Plan?

The LTFP is a 10-year rolling plan that informs decision-making and demonstrates how the objectives of the Community Strategic Plan (CSP) and the commitments of the OP and DP will be resourced and funded.

Council's LTFP has been developed to include financial forecasting and forms part of Council's Resourcing Strategy. The Resourcing Strategy comprises the Long-Term Financial Plan, the Workforce Management Plan and Asset Management Plans. The LTFP also provides a link to Council's Delivery and Operational Plans.

The financial model predicts Council's future funding requirements in order to maintain a strong financial position and deliver the facilities and services expected by our community. Setting the strategic direction of a financial plan promotes the sustainability of the organisation and ensures the availability of funds in future years to achieve all of Council's goals and objectives.

1.2 Integrated Planning and Reporting Framework

All NSW councils are required to develop and report on a set of plans and strategies that assist in identifying and responding to community needs and aspirations. This Integrated Planning and Reporting Framework aims to:

- integrate and streamline statutory planning and reporting
- strengthen strategic focus
- · align with national sustainability frameworks
- ensure accountability and responsiveness to local communities.

Council's Integrated Planning and Reporting Framework comprises:

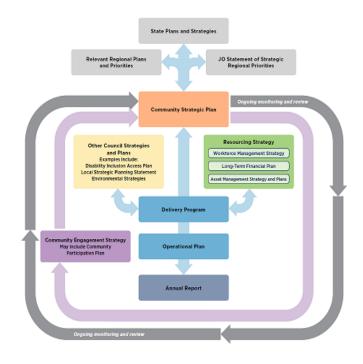

Community Engagement Strategy a 4year strategy for community engagement, setting out a whole-of-council commitment to engaging with the community.

Community Strategic Plan a 10-year plan outlining the community's goals and aspirations, captured through extensive community engagement.

Delivery Program 2022-2026 a 4-year program for the term of the elected Council, to achieve the goals of the Community Strategic Plan.

Operational Plan an annual plan of actions that support the Delivery Program strategies.

Resourcing Strategy a set of plans and strategies including the Asset Management Strategy, Workforce Management Plan, and Long-Term Financial Plan that ensure Council has the necessary resources and assets

2 CONTEXT

2.1 Community Snapshot

The Warrumbungle Shire local government area (LGA) is situated on the north western slopes and plains of NSW. It covers an area of 12,380 square kilometres with a population of 9,534 (Australian Bureau of Statistics, 2016). 47% of the population do not live in urban areas.

The LGA incorporates the towns of Baradine, Binnaway, Coolah, Coonabarabran, Dunedoo and Mendooran as well as several villages such as Bugaldie, Cobbora, Goolhi, Kenebri, Leadville, Merrygoen, Neilrex, Purlewaugh, Rocky Glen, Uarbry, Ulamambri, Weetaliba and Yearinan. Coonabarabran is the largest centre, providing regional retail, agricultural and business services.

The LGA boasts a broad range of cultural, sporting and recreational activities with quality educational opportunities, schools and health services. The economy is primarily rural, with the agriculture industry being the largest employer. There is also a thriving tourism industry that benefits from our outstanding natural surrounds, night sky opportunities and location midway between Melbourne and Brisbane.

We are challenged by sparse resources, a large geographically isolated area, and an ageing population. This requires co-ordinated planning between all levels of government, businesses and the community to ensure the continued social and physical infrastructure (schools, hospitals, roads, water, sewer, and community facilities) needed to support community expectations, and in particular to ensure the availability of support services that enable older people to remain living in their homes and stay active and connected in their communities.

2.2 Council Services

Warrumbungle Shire Council provides a wide range of services to the residents of the shire including but not limited to:

- Transport services including the management and maintenance of over 2,600 km of local and regional roads, over 97 bridges and bridge sized culverts, an extensive network of culverts and other drainage assets, kerbs and gutters, and footpaths.
- Aged care, child care and youth development services, including Warrumbungle Community Care, Yuluwirri Kids, Out of School Hours (OOSH) Care, and Connect Five supported play groups.
- The management and maintenance of a range of buildings and structures from town halls, playgrounds, community facilities, and meeting rooms to aerodromes.
- Promotion of economic development and tourism.
- Provision of water, sewerage and waste services.
- Town planning, regulatory services, town beautification and environmental management.
- Emergency services.
- Library services.
- Management of Public Cemeteries.
- Provision of ovals, and other sport and recreation facilities including pools and parks.
- Health, environmental and emergency bush fire services.

2.3 POLICY FRAMEWORK

Previous Council resolutions have provided a policy framework to help guide the development of council budgeting and long-term financial planning. Future resource use and decision making by the Council can be guided by the structure provided in the policy framework. Council's 10-year LTFP has been drafted to comply with the following policies:

Financial Planning and Sustainability Policy

The Financial Planning and Sustainability Policy establishes the strategic financial planning and sustainability framework that guides Council when developing the Annual Budget, Long-Term Financial Plans and when making decisions including the consideration of funding options for infrastructure projects which impact on both the present and future financial positions.

Council is financially sustainable where planned service and infrastructure levels and standards are maintained without unplanned increases in Rates and Annual Charges or Fees & Charges or a need to cut services.

Capital Funds Allocation Policy

The Capital Funds Allocation Policy applies to all Council capital projects of greater value than \$200,000 and ensures that Council's limited funds available for capital expenditure are utilised as effectively as possible and are allocated in accordance with the principles of best practice asset management.

The policy aims to ensure Council's long-term financial sustainability and improve asset management practices by imposing best practice asset management guidelines on Council's capital expenditure decisions.

Internally Restricted Assets Policy

The Internally Restricted Assets Policy details the type and level of internal restrictions that Council should set aside out of available funds to meet cash outgoings that will need to be funded in future years.

The policy details what items Council should be setting aside funding for, and the desired level of funding to be set aside. The policy also details the rationale for the creation of each of Council's internally restricted assets.

Essentially, Council will attempt to fund depreciation of is assets from these funds.

Investment Policy

The Investment Policy provides the framework for investing surplus funds at the most favourable rate of interest available to it at the time whilst having due consideration of risk and security for that investment type and ensuring that its liquidity requirements are being met.

CURRENT FINANCIAL POSITION OF COUNCIL

Council's net operating result before grants and contributions provided for capital purposes for 2022/2023 was a surplus of \$6.848M. This followed two previous years of surplus results (2021/2022: \$3.045M) and (2020/2021: \$0.456M). Council has focused on improving its budget position, which is impacted by the geographic and demographic make-up of the local government area, cost shifting by other levels of government, and reduced income incurred during periods of drought and pandemic restriction. Council continues to be vigilant towards its goal of achieving small surplus operating results, but it is becoming increasingly difficult as increasing wages and materials costs outstrip IPART's annual rate-peg determinations.

Over the past few years' Council has been undertaking large capital works programs in order to renew its asset base and to remediate flood, fire and drought damaged infrastructure. This has been achievable from increased grant funding opportunities.

As at 30 June 2023, Council's cash and investments totalled \$41.276M (\$25.078M in 2021/2022).

4. SIGNIFICANT FORECASTING ASSUMPTIONS, UNCERTAINTIES AND RISKS

The following assumptions, risks and uncertainties have been prepared in accordance with the Council's legislative requirements, and in reference to the Council's Community Strategic Plan. Uncertainty increases as the number of years of prospective financial information increases. These forecast financial statements must be read with caution utilising the details of financial assumptions contained in this statement.

Uncontrollable external events can significantly affect the forecast. The most significant risks that may impact on the forecast financial statements include unexpected changes to legislation and/or regulations. It has been assumed that the organisational structure of Council will remain relatively unchanged.

For the purposes of the Long-Term Financial Plan, only one scenario have been prepared. It Is based on the adopted budget presented to Council May 2023 and presents the base case with no significant increases in rates other than those estimated to be in line with rate-pegging over the ensuing years. Minor changes have been incorporated for income and expenditure that has come to light since the adoption of the original budget.

Uncertainties such as pandemics, and a volatile global economic outlook, make it difficult to predict the rate of inflation across the ten-year forecast.

4.1 Service Priorities

It is assumed that the community will continue to endorse the current range of services that the Council provides. Extensive consultation has been conducted as part of the Community Strategic Planning process to determine the range of services expected by the community.

4.2 Asset Ownership and Management

There are no major asset sales or change in management of significant assets forecast in this plan.

Council will continue to manage its infrastructure stock in accordance with Asset Management Plans detailed as part of the Resourcing Strategy. Technology and further asset information may impact on Council's Asset Management Strategy. However, significant changes to Council's strategy are not anticipated over the life of this plan.

4.3 Natural Disasters

The funding provisions in this plan assume that there will be no major natural disaster of a type that causes widespread and significant damage to Council's infrastructure.

4.4 External Factors

This plan assumes there will be no unexpected changes to legislation, national standards, or other external factors which alter the nature or extent of services provided by Council.

4.5 Interest Rates

Council's current external borrowings are locked and therefore repayment levels are known. Two new loans have been included in the LTFP Scenario, at 6%, to the value of \$2,000,000 due to the demand on Water Fund infrastructure upgrades. \$1M in 2026/27 and \$1M in 2028/29 to cover a portion of the Baradine water treatment plant – renewals, Mendooran WQ water supply scheme upgrade and SSWP WQ Coonabarabran upgrades.

Interest on money invested is \$887,000 for 2022/2023, with 5% increases built in for future years.

4.6 Depreciation and Useful Lives

Estimates are based on Council's accounting policies and current useful lives assessment. Future revaluations will have an impact on infrastructure remaining lives as well as future depreciation charges. This plan does not anticipate significant valuation movements that

would significantly change depreciation charges on infrastructure. Depreciation has been indexed by 2.5% pa across the term of the LTFP.

4.7 Outsourcing

Where Council outsources physical works and professional services, it is assumed this practice will continue over the life of the plan.

4.8 Asset Renewal

The forecast expenditure for infrastructural asset renewal is sufficient to maintain the current level of service provided by those assets.

There is a risk of deferred maintenance resulting in additional funding requirements and/or reduced service levels not stated or provided in the Community Strategic Plan. The Council is continually working to improve the level of confidence in the asset renewal forecasts.

4.9 Sources of Funds

It is assumed that the level of funds available to the Council over the period of this plan will be sufficient to meet the planned service levels.

4.10 Changes to Planned Service Levels

Council assumes that the service issues not provided for, or not fully provided for in the Community Strategic Plan will be considered by Council in the future, and in a manner that is consistent with the requirements of the *Local Government Act 1993*. In doing so it is assumed that the capacity of Council to fund these services will be assessed against the key financial management ratios and financial policy framework stated in this plan.

5. FINANCIAL SCENARIO PROVIDED IN THE LTFP

Attached are Income Statements, Balance Sheets and Cash Flow Statements for the scenario listed below:

Base Case:

 Continue down the same path (business as usual), including 2023/24 rate peg amount.

The base case model is a financial forecast aimed at delivering the strategic goals and outcomes set out in Council's Community Strategic Plan. It provides thorough estimates of future income and expenditure under normal operating conditions. Readers should note the forecast assumptions, uncertainties and risks to the performance of this budget plan set out in this document.

Scenario 1. Base Case

- Allowable rate-increase of 3.7 % for 1st, 3rd and 4th year of the 10-year period in General Fund with 4.5% for the 2nd year (IPART rate peg) and 5% thereafter of the LTFP in General Fund
- Annual Charges have been forecasted to increase by 3.7 % for 1st, 3rd and 4th year
 of the 10-year period with 4.5% for the 2nd year (IPART rate peg) and 5% thereafter
 of the LTFP
- Non-specific User Charges & Fees have been indexed by 5% for the term of the LTFP;
- Financial Assistance Grant FAG increases of 4% p.a. for the first 4 years and 5% thereafter of the LTFP;
- Depreciation increases of 2.5 % p.a. have been applied over the term of the LTFP;
- 2 new loans have been factored in for the Water Fund. One for \$1M in 2026/27 and \$1M in 2028/29
- Salaries and Wages increases of 4.5 % p.a. in 2023/24 have been applied, with a further 3.5% in 2024/25. It is anticipated that increases of 3% for remaining years of LTFP;
- Superannuation expenses have increased in-line with wages estimates and the scheduled increases of the Superannuation Guarantee;
- Materials and Services have been forecast for 2023/2024 using the most up-to-date information available, 6% p.a. for all the years of the LTFP.

Summary of Scenario Assumptions:

| | Base Case |
|----------------------------|--------------------------|
| Revenue: | |
| Rates | 3.7% Y1, Y3 & Y4; 4.5% |
| | Y2; 5% Y5-Y10 |
| Annual Charges | 3.7% Y1, Y3 & Y4; 4.5% |
| _ | Y2; 5% Y5-Y10 |
| Other Fees and Charges | 5% |
| Financial Assistance Grant | 4% Y1-Y4; \$2.5% Y5–Y10 |
| Loan Borrowings | \$2M |
| Expenses: | |
| Salaries and Wages | 4.5% Y1; 3.5% Y2; 3% Y3- |
| | Y10 |
| Superannuation | 4.5% Y1; 3.5% Y2; 3% Y3- |
| | Y10 |
| Materials & Services | 6% |
| Depreciation | 2.5% |
