

Community Financial Assistance Donations 2023/24 Round 2

Evaluation of Applications

Assessment Criteria

High priority given to:

1. Activities that address gaps in service or community development.
2. Activities that promote community development in a multicultural context and seek to address issues of access and equity.
3. Involvement from volunteers and self-help initiatives that build upon Council's contribution.
4. Consumer/user participation in management of services/activities.
5. Innovative and creative approaches to identified needs.
6. Activities that use Council funding to attract further resources.

Low priority given to:

- a. Activities/services that do not attempt to become self-supporting where the potential exists through fees or other feasible income-producing activities.
- b. Activities of a purely social nature, which do not address the needs of disadvantaged groups.
- c. Activities that are eligible for support from state-wide or regional parent bodies.
- d. In the second round of funding each financial year, community groups that received funding in the first round of grants.
