Enrolled children

A portfolio is created for each enrolled child. The portfolio is a wonderful record of the child's growth and development as photos and art/craft are collected over the year.

Visitors

Visitors are welcome to attend all session. Children not enrolled will not receive a portfolio at the end of the year and the children must have a parent or adult over the age of 18 with them at all times during the session.

Sun Safe Policy

In keeping with our sun safe policy, all children need to bring a hat and wear sun safe clothing.

Morning Tea

Please bring a piece of fruit to contribute to our shared morning tea.

Session Times and Absences

Parents are asked to RSVP for each session they are attending to help us with staff/child ratios. It is helpful for members of small groups to advise staff if they are not attending so that an appropriate number of staff can attend the play session. Educators will depart after 1 hour and no-one has attended or advised what time they will be arriving.

Licensed Service - Occasional Care

Connect Five is a Licensed Service and provides Occasional Care (with the exception of sessions held at private homes/parks as we cannot register them) for those who wish to attend an appointment, school, shopping or something else. You may wish to give your child the opportunity to experience a early childhood education & care setting on their own for a short period in preparation for starting pre-school. It is helpful to let us know in advance if you wish to use this service so we can ensure we adhere to the Regulations regarding educator/child ratios.
