Learning groups are small, allowing teacher attention to the individual learning needs of each student in our care. Strong support structures and processes in place, including successful anti-bullying policy, positive behaviour system and active Student Representative Council.
Our school espouses strong values of care, compassion, co-operation

and commitment. Our students show respect and care for each other. The school operates as a community with the older students supporting the younger students.

Many sporting, cultural and academic opportunities are presented to our students to expand their horizons. The majority of our students complete their Higher School Certificate. In past years all our students have gone on to further education or work after successfully completing Year 12.
