Liquid Trade Waste Information Sessions

Warrumbungle Shire Council will soon be conducting information sessions for businesses that discharge liquid trade waste into the town sewerage system.

If you operate a business that discharges liquid waste such as a commercial kitchen, food processing, hairdressing or even a service station then please come along to see what you need to do to comply with your liquid waste discharge.

Businesses in Dunedoo, Coolah, Coonabarabran or Baradine are invited to attend one of the following sessions from 5.30 to 7pm at either

Baradine Town Hall 18 February

Coonabarabran Council Chambers Tuesday 20 February

Coolah Council Chambers Tuesday 24 February, and

Dunedoo Multipurpose Building Tuesday 25 February

Managing Liquid Trade Waste is an important part of reducing the risk of pollution in operating a sustainable and environmentally friendly business.

All businesses with liquid trade waste need to be aware of their obligations to comply with state government guidelines.

Further details are available by contacting Council on 6849 2000.

End

5 February 2014
