## Free Agri-Tourism Workshops

Are you thinking about exploring and developing an Agri-Tourism product or experience to take advantage of the domestic travel boom? Register now for the free workshops coming to the Shire.

“It is great to see Council and BizHQ bringing these free Agri-Tourism workshops to our Shire area,” said Warrumbungle Shire Council Mayor, Councillor Ambrose Doolan. “Attendees will learn steps to develop a successful product and the important role community members play to provide a great visitor experience, while uncovering tips and tricks to take advantage of a domestic tourism boom.”

“With international flight restrictions expecting to be in place until 2022 there is a huge increase in domestic travel, creating a demand for agri-tourism products and experiences in throughout regional NSW.”

“These workshops will be a fantastic opportunity for current business owners, residents who are wanting to start a business and anyone interested in boosting the local tourism,” Cr Doolan concluded.

Workshops will be held at 6:00pm in the following locations:

- Coolah – Wednesday 16 June 2021, Coolah Sports Club
- Dunedoo - Thursday 17 June 2021, Dunedoo Sports Club
- Mendooran - Wednesday 23 June 2021, Mendooran Memorial Club
- Coonabarabran - Thursday 24 June 2021, Coonabarabran Golf Club

To book your space contact BizHQ by emailing [reception@bizhq.com.au](mailto:reception@bizhq.com.au) or call (02) 6362 0448.
