Top 22 Things to do in 2022 – Escape to Warrumbungle Region

The 'Top 22 things to do in 2022' campaign will be released in the coming weeks! Keep an eye out and get exploring.

“This campaign is the perfect way to showcase our amazing Warrumbungle Region,” said Warrumbungle Shire Council Mayor, Councillor Ambrose Doolan. “Across the Warrumbungle Region there are many activities to make some great memories of wonderful experiences.”

This campaign aims to promote greater awareness of the attractions found right here and invite everyone to explore, discover, and escape to the Warrumbungle Region.

“There are many things to see and do for everyone across the region, whether it’s history, art, camping adventures, or just a good old-fashioned counter meal in a country pub, we have both locals and visitors covered,” said Cr Doolan.

“This campaign will be released on the Warrumbungle Region Facebook page over the coming weeks. Go online and follow the page, then keep an eye out for inspiration to enjoy your time in the Warrumbungle Region, and try to tick off all 22 items,” said Cr Doolan.

“Alongside the great new ‘Top 22 to do in 2022’ campaign, the new Escape to Warrumbungle Region tourism brochure has been released, so make sure you grab copy for yourself or to give to visiting family and friends. There are some wonderful things showcased in the brochure,” said Cr Doolan.

For more information on the Top 22 things to do in 2022 or to grab a copy of the new Escape tourism brochure contact the Coonabarabran Visitors Information Centre on (02) 6849 2144.
