## Warrumbungle Region blooming with events

Keep your eyes peeled for event details and get set for great times as the Warrumbungle region hosts something for everyone almost every weekend. From country music to an air show and everything in between now is the perfect time to plan an Escape to our region.

“Throughout the coming months there is lots of things to see and do across the Shire,” said Warrumbungle Shire Council Mayor, Councillor Ambrose Doolan. “With restrictions around events now easing, it’s great to see so many events going ahead in our region.”

“Some of these upcoming events have been postponed from last year and the fact is that our communities are excited, motivated, and determined to see events going ahead this year,” said Cr Doolan.

“Through until late-March 2022 there is something to do almost every weekend, from town shows, art and crafts, marathons and fun runs, rodeo, markets, scenic flights and action displays, live music and entertainment!”

Large events are on the horizon too with the Hartwood’s Country Music and Camp Fire Festival over the Easter long weekend, Warrumbungle Wings & Things with Red Bull Air Race Champion Matt Hall on 22 and 23 April, and the Star Wars themed event - Dark Sky Awakens Festival 7 and 8 May 2022 featuring Jeff Duff starring in Bowie Unzipped music performance.

“Be sure to explore our wonderful region full of inspiring events and make sure if you’re travelling to plan your travel to coincide with one of our unique and exceptional events and shows,” concluded Cr Doolan.
