Advertising Opportunity for Local Businesses

Do you own a local business and want more advertising contact with locals and visitors? This is a perfect opportunity for you.

“A great advertising space has become available at the Coonabarabran Visitors Information Centre”, said Warrumbungle Shire Council Mayor, Councillor Ambrose Doolan. “The large billboard comprises 24 spaces for local business owners to advertise their services and contact details.”

“The billboard is located adjacent to the Visitors Information Centre and the Coonabarabran Driver Reviver, in front of the visitor’s car park. This billboard location gains a considerable amount of exposure to both locals and travellers”, said Cr Doolan.

Registered business owners are eligible to use these advertising spaces under a two-year arrangement. As in previous years, there is a charge for the cost of the space, and the billboard print and design is at the expense of the business. Council will install the individual ads onto the billboard free of charge.

“Get in quick as this is a great opportunity not to be missed,” concluded Cr Doolan.

For further information, including design specifications, costs and reach of the billboard, or to express your interest in this advertising opportunity contact Council’s Manager Economic Development and Tourism on (02) 6849 2000 or email info@warrumbungle.nsw.gov.au.
