**warrumbungle SHIRE COUNCIL

Records Management for Councillors

Strategic

1. Purpose

To provide the framework for elected representatives of Warrumbungle Shire Council to accurately and transparently manage the records of activities and decisions of Councillors.

2. Policy Objectives

To ensure that full and accurate records of the activities and decisions of Councillors, in the course of their official duties for Council, are created, managed and disposed of in accordance with Council's organisational needs and the *State Records Act 1998* (NSW) (hereafter referred to as 'the Act') and the *Government Information (Public Access) Act 2009* (NSW).

3. Scope

This policy applies to all Councillors of Warrumbungle Shire Council.

Councillors must comply with this policy in their conduct of official business for Council. Official business includes business relevant to the performance of the function and duties of the office of Councillor. This policy applies to records in all formats, including electronic records.

	State archives.		

Records Management for Councillors

Strategic

Term	Definition		
Retention and Disposal	Documents authorised by the Board of State Records		
Authority	NSW that set out appropriate retention periods for		
	classes of records. There are two main types:		
	 Functional retention and disposal authorities 		
	authorise the retention and disposal of records		
	unique to a specific organisation.		
	General retention and disposal authorities		
	authorise the retention and disposal of records		
	common to more than one organisation. Such		
	records may include general administrative		
	records, common records that relate to unique		
	functions and records relating to the unique		
	functions of like organisations such as local		
	councils, universities and public health services.		
State Archive	A State record that State Records Authority NSW has		
	control of under the State Records Act 1998 (NSW).		
Vital Records	Those records that are essential for the ongoing business		
	of an agency, and without which the agency could not		
	continue to function effectively. The identification and		
	protection of such records is a primary object of records		
	management and disaster planning.		

6. Background and Related Legislation

Council is bound by the *State Records Act 1998* and the *Government Information (Public Access) Act 2009* which establish rules for recordkeeping to ensure transparency and accountability. Councillors, in undertaking their role as an elected member, are subject to these rules and must ensure proper records management, as set out in this policy and the associated procedure.

7. Policy Statement

The associated Records Management Procedure is to be applied when dealing with Council records.

Any document of information held, created or received relating to Council business falls within the definition of 'Government Information' under the *Government Information* (*Public Access*) *Act 2009* (NSW).

Any correspondence directed to Councillors via Warrumbungle Shire Council will be opened by Records staff and processed in accordance with the attached procedure.

8. Responsibilities

Councillors

 Shall ensure that full and accurate records of their dealings with Council business are captured in accordance with the Record Management for Councillor Policy and Procedure.
