

Rural Aid

Rural Aid stands with farmers when they need us most.

Rural Aid provides critical support to farmers affected by natural disaster through financial, water, fodder and volunteer assistance.

Rural Aid also offers free, confidential counselling to registered farmers and their families. Our vision is to help safeguard farmers by supporting their sustainability to endure the many challenges they face.

We work with community groups and industry to deliver programs that help connect and sustain rural centres. All we do is to support farmers – our mates in the bush.

Registering with **Rural Aid** is free and easy to do. More than 16,500 farmers have done so already.

Our Story

Rural Aid is Australia's most trusted rural charity.

Established in 2015, **Rural Aid's** vision is to safeguard farming and rural communities before, during and after natural disasters. We stand ready to support farmers when disaster strikes and to offer the help needed at the time.

Rural Aid is also dedicated to supporting a stable future for our farmers to ensure they can keep providing food and fibre for all Australians.

We do this through our innovative programs that increase the resilience and sustainability of farmers, families and rural communities. As an independent charity, we rely on the generosity of our industry partners and supporters who fundraise, donate and volunteer to enable our vision to be realised.
